

STRAWBERRY KING AT ROSEBURG FETE

Feast of Douglas County's Famous Fruit Begins With Vast Crowd Present.

700 MOOSE OPEN CARNIVAL

Parade, Barbecue and Lodge Ceremonies, Supplemented With Programme of Sports Features. Queen to Be Crowned Today.

ROSEBURG, Or., May 21.—(Special.)—With as fair weather as ever graced a festive event in Southern Oregon, the Fifth Annual Strawberry Festival and Rose Show opened here today to vast crowds and under the most favorable conditions. Today was designated as "Moose Day," and there were 700 members of the order in town.

The parade ended at Ballows Grove, in West Roseburg, where addresses were delivered by District Attorney George M. Brown and Senator George Neuner, both of Roseburg. Following the addresses, the lodges enjoyed a real old-time barbecue. A programme of sports followed, including rough riding by the Tiller broncho busters, decorated automobiles carrying lodge officials and women, decorated floats transporting Miss Fay Hughes, "Queen of the Moose," and maids, herd of candidates for initiation into the Moose lodge, and an array of humorous features.

Barbecue is provided. The parade ended at Ballows Grove, in West Roseburg, where addresses were delivered by District Attorney George M. Brown and Senator George Neuner, both of Roseburg. Following the addresses, the lodges enjoyed a real old-time barbecue. A programme of sports followed, including rough riding by the Tiller broncho busters, decorated automobiles carrying lodge officials and women, decorated floats transporting Miss Fay Hughes, "Queen of the Moose," and maids, herd of candidates for initiation into the Moose lodge, and an array of humorous features.

A feature of the day's parade was the Eugene Radiators. They were attired in uniform and as they passed between the throngs that lined either side of the street the music of the bands was fairly drowned by the applause.

The Radiators were entertained at a strawberry luncheon by Publicity Manager Schlessler, of the Roseburg Commercial Club, and later driven through the country districts and tonight they were entertained at a banquet by the trustees of the Commercial Club.

Tomorrow is "Queen's Day." In the morning will occur the baby parade of decorated carriages, followed by the baby show at the Roseburg Commercial Club rooms. The babies will be judged by Dr. Calvin S. White and other prominent Portland physicians.

At 1 o'clock "Rex Fragaria" will appear at the courthouse, where in view of hundreds of people he will crown Miss Viola Willett, the "Queen of the Carnival." The school children's parade will follow. Two thousand children will march under escort of the teachers. A parachute drop from the captive balloon will be followed at 4 o'clock by a parade of the Tiller broncho busters. At 6:30 o'clock in the evening the Chemawa Indian School band will give a concert. Thursday's festivities will close with the Grand Carnival ball at the Armory. There will be a baseball game between the Roseburg "Outlaws" and the University of Oregon team and other sporting events.

The one grand feature of the carnival will occur at the fair grounds Friday afternoon when the Tiller broncho busters comprised of Indians, cowboys and girls, will indulge in feats typical of the early days of the Pacific Northwest. Horses which have never felt the saddle will be ridden by girls. Steers will be thrown and branded and a stage coach holdup will be reproduced.

JAPANESE HONOR DEAD

S. Hayashi, Prominent Among Hood River Nipponese, Dies Suddenly.

HOOD RIVER, Or., May 21.—(Special.)—The Japanese population of the Valley turned out Monday to pay the last tribute to their countryman, S. Hayashi, who was prominent in local Japanese business circles. He dropped dead Saturday night at a local Japanese boarding-house. The Japanese secured all of the vehicles in the local territory and hired automobiles to convey them to the cemetery.

PRINEVILLE BOY PAROLED

Sentence for Trying to Wreck Trains Suspended by Judge.

PRINEVILLE, Or., May 21.—(Special.)—Orville Morris today was sentenced to the penitentiary for a term of one to 20 years and later was paroled by the judge in the care of his father, who lives near Prineville. Morris recently made two attempts to wreck O. W. R. & N. passenger trains on the high bridge across Crooked River by driving spikes between the ends of rails and by bending others over the rails. A derailment at that point would have precipitated the train to the bottom of the canyon, hundreds of feet below.

H. L. BOWLBY IS APPOINTED

Engineer of Pacific Highway to Supervise Oregon Roadwork.

SALEM, Or., May 21.—(Special.)—The State Highway Commission, authorized

by an act passed at the last session of the Legislature, and composed of the Governor, secretary of state and state treasurer, today appointed H. L. Bowlby, engineer of the Pacific Highway Association, engineer of the road work of the state. His salary will be \$3000 a year, the same as Mr. Bowlby now receives as engineer of the Pacific Highway Association.

Although he was not an applicant for the office, Mr. Bowlby intimated that he would accept it if tendered him. He was formerly highway engineer of Washington under Sam Hill. Mr. Bowlby has lived in Portland for more than a year.

KAY AND OLCOTT VISIT EASTERN HOSPITAL FOR INSANE.

Superintendent McNary Makes Rapid Progress and Inmates Do Much Work, Declare Officials.

SALEM, Or., May 21.—(Special.)—Rapid progress has been made at the Eastern Hospital for the Insane, said Secretary of State Olcott, who, with Treasurer Kay, returned yesterday from Pendleton. "Dr. W. D. McNary, the superintendent, has done fine work and the institution, although opened since January 1, is in good shape. There are 143 patients, the maximum capacity being 160."

Messrs. Olcott and Kay located sites for a cottage for the superintendent, dairy barn and hog houses. Mr. Kay praised the organization and said a large part of the work had been done by inmates.

HOOD RIVER PAVING HALTED

Inability to Get Crushed Rock Is Delaying Contract.

HOOD RIVER, Or., May 21.—(Special.)—Although the Reliance Construction Company, which has the contract for paving the business district of Hood River, has completed more than 75 per cent of the grading, no work has yet begun on the laying of the Haseman-Concrete hard surface, the company not being able to secure crushed rock from Corbett. The sand for the job was hauled in the early Spring from the banks on the lowlands of the Columbia, which are covered with water. The company thought that it would be less expensive to ship the crushed stone from Corbett than to install crushing machinery here.

SALEM MAKES COMPLAINT

Poor Water Service and Unreasonable Rates Charged.

SALEM, Or., May 21.—(Special.)—Alleging that the water service is inadequate, and asking that the bonds be remedied at once, B. L. Steeves, Mayor, and R. E. Page, City Attorney of Salem, have filed a complaint with the State Railroad Commission against the Salem Water, Light & Power Company. It also is charged that rates of the company are unreasonable; that in carrying parts of the city are too small to furnish an adequate supply of water and that many sections of the city are without service. A new schedule of rates is urged and the commission is asked to compel the company to enlarge and extend its mains.

The dead are: George Race, Pocastello; George E. Peed, Boise; Hiram Peterson, Idaho Falls; George Sheppard, Pocatello, and Elias Bagley, Moorland. Governor Haines ordered a sweeping investigation of the tragedy, and A. B. Moss, secretary of the asylum board, left tonight for Blackfoot, to conduct the inquiry.

OKANOOGAN TO GET RAILWAY

Milwaukee Survey Goes From Moses Lake to Bellingham, Wash.

SPOKANE, Wash., May 21.—(Special.)—Preliminary steps looking to the construction of a line by the Chicago, Milwaukee & St. Paul from Neppel, the new Milwaukee townsite on Moses Lake in southeastern Douglas County, north through the rich grain country lying south of the Colville Indian Reservation to Foster Creek, thence along the creek to Bridgeport on the Columbia River and west to Bellingham, have been completed.

For the last three weeks three representatives from the heart of the Milwaukee Railroad, accompanied by a Seattle grain expert, have toured Douglas, Okanogan and Skagit Counties for the purpose of estimating the wheat tonnage available, the wheat tonnage of 1912 which has not and cannot be shipped because of lack of railroad facilities and the possibilities of a line right through the heart of one of the most prolific wheat, alfalfa and hog-raising sections of the state.

COMMISSION MEN NOTIFIED

License Required After June 3 and Business to Be Under Regulation.

SALEM, Or., May 21.—(Special.)—The Railroad Commission today sent letters to all commission merchants in the state calling attention to an act passed at the last session of the Legislature providing for the licensing and regulation of the business. The law becomes operative June 3 and gives the Railroad Commission jurisdiction over those engaged in this business. It is urged in the letters that the commission merchants attend a meeting to be held by the Railroad Commission at the Courthouse in Portland Monday for a discussion of conditions and to arrive at an amicable understanding. All commission merchants, under the law, must obtain licenses from the Railroad Commission and give bonds for the protection of patrons.

Invite inspection of their display of Player Pianos manufactured by the Aeolian Company and known as

Pianola Player Pianos

The Aeolian Company are the originators of the Player Piano type of instrument. They are the largest manufacturers of Player Pianos in the world. The Pianola Player Piano is justly acknowledged as the highest attainment in Player instruments—the STANDARD. Pianola Player Pianos are wholly different from any other make. Not only have the Aeolian Company been originators, but they have brought the Player Piano to its present perfection by constant and exclusive improvements. To produce a Piano with an interior player mechanism that will give enduring satisfaction is the very foundation of the immense Aeolian Company business.

An Important Decision

In years past we have carried several different makes of Player Pianos—makes involving different principles—makes which, while meritorious, have never combined in one instrument the many perfections which are embodied in Pianola Player Pianos. Hereafter we shall concentrate our Player Piano business on this one great line exclusively. No Player Piano purchaser can possibly use the care and the critical analysis in selecting a Player Piano that it has been within our power to exercise. No purchaser has as much at stake as we have and Sherman, Clay & Co. feel that they cannot afford to carry anything but the best—the STANDARD in its line.

Why Pianola Player Pianos Are the Standard

The famous group of Pianola Player Pianos are the only instruments legally entitled to be called Pianola Player Pianos, for they are the only instruments which contain the real "Pianola" action and the following patented features: "The Metrostyle," which gives the exact interpretation of the

Our Line of Pianola Player Pianos

Notice to Pianola Owners

With the change of agency, the Aeolian Company has authorized us to inspect and regulate, free of charge, every Pianola in our territory. We shall extend both Aeolian and Sherman, Clay & Co. service to all Pianola owners, no matter from whom purchased. Upon receipt of name and address, arrangements will be made for an early inspection and regulation.

Themodist-Metrostyle Music

Music for Pianola Player Pianos will be carried only by us in this territory. We have installed a larger stock than ever carried here before. We will be glad to send catalogue and monthly supplements, free of charge, upon request of name and address. Themodist-Metrostyle Music is essential to secure the most artistic results on any Pianola Player Piano.
