BOSTON, May 25 .- The Commercial Bulle BOSTON, May 25.—The Commercial Buile-tin will say tomorrow: Some of the new wools which have been arriving in the market during the last week have sold rather more extensively this week at prices which mean a clean scoured basis of about 50 cents. The movement of necessity has not been heavy in any class of wool and there still is a considerable difference of opinion between manufacturers and wool dealers as to values.
