yard dash in 51 seconds, so is tied for second among the individual point winners. Martin Hawkins, the famous Olympic games hurdler, won both steeplechase and 100-yard dash...

Baker's "comeback" in the 100-yard dash was one of the features of the sunny afternoon. This popular Buckland lad, one of the greatest sprinters Oregon has ever produced, fell down miserably in the college meet a fortnight ago, finishing fourth in the century.

But he showed the stuff of which men are made yesterday. Fitted against the wizard, Turenne, of Seattle, who humbled him at the college clash, Baker fairly flew over the path, running his adversary off his feet. He finished down lane three in a terrific burst of speed, his spiked shoes flicking clinders in Turenne's strained features nine feet behind.

He it said for Turenne, however, the Seattle boy was running under a one-yard handicap penalty inflicted by Starter Frank Watkins when he attempted to "beat the gun." Baker's time was 10-1-5 seconds, one-fifth less than Turenne made at Walla Walla, but "Dad" Moulton, the famous Stanford coach, who was a sideline spectator, declared that the stiff wind made it a 10-second race.

Turenne won the 250-yard dash in 22-4-5 seconds. Baker finishing two feet to the rear, with Dick Grant a close third. The game Hill Military youngster, with scarcely any training, won third in both dashes. Heigh he faints at the close of the 250 and was out for several minutes.

Hawkins Wins Both Hurdles. The Multnomah Club of Portland reaped its biggest harvest of points in the two hurdle events. Hawkins, Muirhead and Kirkland took three places in the 220 yard hurdle, and Hawkins and Muirhead captured two places in the high hurdles. Moses, the Corvallis high athlete, finished third in the 120 high, Hawkins did not approach his old records.

Multnomah Club annexed five of the 17 points, the Seattle Athletic Club five, Oregon four, the Oregon Aggies two, and the Vancouver (B. C.) Athletic Club one, the five-mile run. Several of the high schools, Chemawa Indian School, Turner, M. C. A. and kindred organizations entered failed to win a point.

Sam Bellah tried to approach his old California pinnacle of 12 feet 8 1/2 inches in the pole vault, but 13 feet even was his best effort. Ora Holdman had an off day and could not top 11 feet 3 inches. He did not place, although possessing a mark of 13 feet 4 inches.

The time in the mile was slow, Clyde of Seattle winning by 10 feet over the Oregon boys in 4-20-3-5. Williams of the Oregon Aggies was the only other starter. Oregon captured the mile with ease, McConnell, Kay, Huggins and Windnagle opening up big gaps.

Chandler Easy Winner. The 5-mile race was run Saturday, but when several of the leaders were allowed to wander off their course, Referee Dunne ordered it re-scheduled. Chandler jogged the last two laps around the track after a weaving of the city streets, an easy winner. He led by one-fifth of a mile.

The Multnomah Club lost in the neighborhood of 8:00 by the meet, due to the postponement by rain Saturday. Wolff won the shotput in the one event cleared away before the moisture on that occasion. From an athletic standpoint, however, the affair was a howling success. Referee Dunne handled the meet in expert manner. The summary:

Auto Champion Sends Powerful Car to Portland.

OLDFIELD'S MARK IS GOAL

Attempt to Be Made to Go Mile on Circular Dirt Track in Less Than 47 2-5 Seconds—Auto-Polo to Be Attraction.

After amazing local records over the Emeryville, Cal., course, "Bob" Burman, still wearing the crown of champion, loaded his 500-horsepower Blitzen Benz aboard a freight car yesterday and started the giant time-amplifier on its journey to Portland.

Portland boasts of the best dirt track on the Pacific Coast for automobile races. Under these favorable auspices Burman is expected to lower the record of 47 2-5 for the mile set by Barney Oldfield when the former champion was here last Summer.

In conjunction with Burman—playing as a double headliner—will be the ten experts who will introduce auto polo to Portland. Accounts of the last game they played in California are brimful of thrilling incidents.

When they meet here Friday afternoon they are expected to provide more excitement for the time they are in action than all the rest of the drivers.

At the regular meeting of the directors of the Automobile Club today President Clemens will appoint the officials who will serve during the races.

Forest Grove Races Postponed. FOREST GROVE, Or., June 16.—(Special.)—The Commercial Club is making arrangements to hold a regatta at this point. The date has not been fixed, but may be at the close of the fishing season. Mayor Gorman has been named on the committee, other members to be appointed later. Owing to the celebration at Astoria none will be held here on the Fourth. The steamer Georgia Burton has been chartered to carry excursionists to Astoria on that date.
