The Perfect Baby Of The Future

A Simple Method That Has a Wonderful Influence upon the Future Infant. Too much cannot be said for this wonderful remedy, familiar to many women as Mother's Friend.

It is more eloquent in its action than all the health rules ever laid down for the guidance of expectant mothers. It is an external application that spreads its influence upon all the cords, muscles, ligaments and tendons of the body.

Mr. Ross stopped the car and stage attendants, with extinguishers, averted the threatened destruction of his machine. PESTS REACH EDGE OF UMATILLA ALFALFA DISTRICT. Rabbits Continue Raid. Parties Making Inspection of Damaged Grain Fields Say Loss Will Be Heavy.

James Carter, whose ranch is located about two miles west of Holdman, reported that the pests have already reached his place. Reports from scattered districts indicate that the rabbits are moving toward the grain lands near Myrick, Helix and Fulton. Experts aver that the grain will be ripe, thus turning away the rabbits before they are able to eat their way far as Myrick, Helix and Fulton. The animals, as soon as the grain becomes too ripe to eat, are expected to attack the green alfalfa fields. It is said, and farmers of the Hamilton and Stanfield districts are alarmed.
