While Studying This Page for Prizes Don't Overlook the Fact

that we are offering a real prize in the Eagle Motorcycle, which we are distributing in Oregon and Washington.

"On our first tour. The Eagle knows no hills. You couldn't buy our machine for twice the price."

Above is copy of telegram just received from a recent Eagle buyer—a Portland gentleman and his wife. We invite any one interested to call at our office and see the original.

We also carry a complete line of motorcycle accessories, automobile tools and supplies, including oils, spark plugs and brake lining.

Gill's Invitation to Booklovers

Spend a minute or an hour or as long as you like browsing around among the books. A little while in our Book Department each day will go far towards familiarizing you with the many important new books each season.

It is considered quite proper, at Gill's, to look without buying, and if you use the telephone it is safe to buy, at Gill's, without looking.
