

McLOUGHLIN LEFT TO STRUGGLE ALONE

Champion Defeats Williams and Now Must "Go It" by Himself.

BIDDLE AND JOHNSON OUT

Hackett, Paired With Philadelphian, Loses to Englishmen, Ingram and Bentley, 5-7, 6-2, 9-7, 1-6, 6-4—Doust Beats Larsen.

WIMBLEDON, England, June 27.—With his defeat today of R. N. Williams of Philadelphia, Maurice McLoughlin, United States champion, is the only American representative left to fight his way to the final round in the English championship tournament.

The first break in the ranks of the victorious quartet of American players in the tournament occurred this morning, when Craig Biddle, of Philadelphia, went down before W. Ingram, one of the young representatives of the British.

Wallace Johnson Falls. Wallace F. Johnson, of Philadelphia, quickly followed his compatriot into retirement, being beaten by the English player, R. Watson, 2-6, 6-6, 4-1, 7-5.

McLoughlin Gets Practice. McLoughlin contented himself with staying on the back line and practicing drives, while Williams provided rich practice in the way of spectacular shots to test his compatriot's alertness.

The American contingent suffered a further reverse this afternoon in tennis, this time in the doubles, in which Craig Biddle, of Philadelphia, and Harold H. Hackett, of the United States Davis cup team, were beaten by two Englishmen, W. Ingram and Bentley, three sets to two, the score being 5-7, 6-3, 9-7, 1-6, 6-4.

Kenneth Powell, formerly tennis captain at Cambridge University, beat C. P. Dixon, the English Davis cup player, three sets to two, 6-3, 3-6, 3-6, 6-2, 11-9.

Stanley N. Doust, captain of the Australasian Davis cup team, beat Larsen, of Denmark, three sets to two. The score was 4-6, 2-6, 6-1, 6-0, 6-4.

RAIN HALTS IDAHO TENNIS

KEEN CONTACT FOR HONOR HELD BY JOE TYLER OF SPOKANE.

LEWISTON, Idaho, June 27.—Rain so interfered today with the Idaho state tennis tournament that none of the finals in any of the various categories and all must be played tomorrow, the final session of the meet. Uncompleted matches today make it impossible to determine the final quality for the finals.

Brain defeated Wood, 6-0, 6-0; Gray defeated Scott, 6-3, 6-4; Wright defeated Jones, 7-5, 6-4; H. W. Peters defeated B. W. Wright, 6-2, 6-1; Kettnerbach defeated A. Peters, 6-1, 6-1.

Men's doubles—Wood-Gray defeated Easton-Wright, 6-2, 6-1. Mixed doubles—Peters-Anderson defeated Constantine-Kern, 6-0, 6-0; Peters-Anderson defeated Peters-Bocker, 6-1, 6-0.

LADIES' SINGLES—ANDERSON DEFEATED KETTNERBACH, 5-7, 6-4, 6-1; PALMER DEFEATED MCINTIRE, 4-6, 6-3, 6-3; FLY DEFEATED PALMER, 6-2, 6-2.

GUNBOAT FIGHT IS VICTOR

REFEREE STOPS FIGHT WHEN RODEL IS SENT TO THE FLOOR.

NEW YORK, June 27.—"Gunboat" Smith, of California, defeated George Smith, the South African Boer, tonight in the third round of a scintillating ten-round bout at Madison-Square Garden.

After Rodel had been knocked down twice in the third round the referee stopped the bout.

Rodel had the better of the first round, and in the second forced Smith to the ropes, swinging a right to the head and left to the jaw. Smith retaliated with a hard right overhand swing to the head that floored the Boer for a couple of minutes.

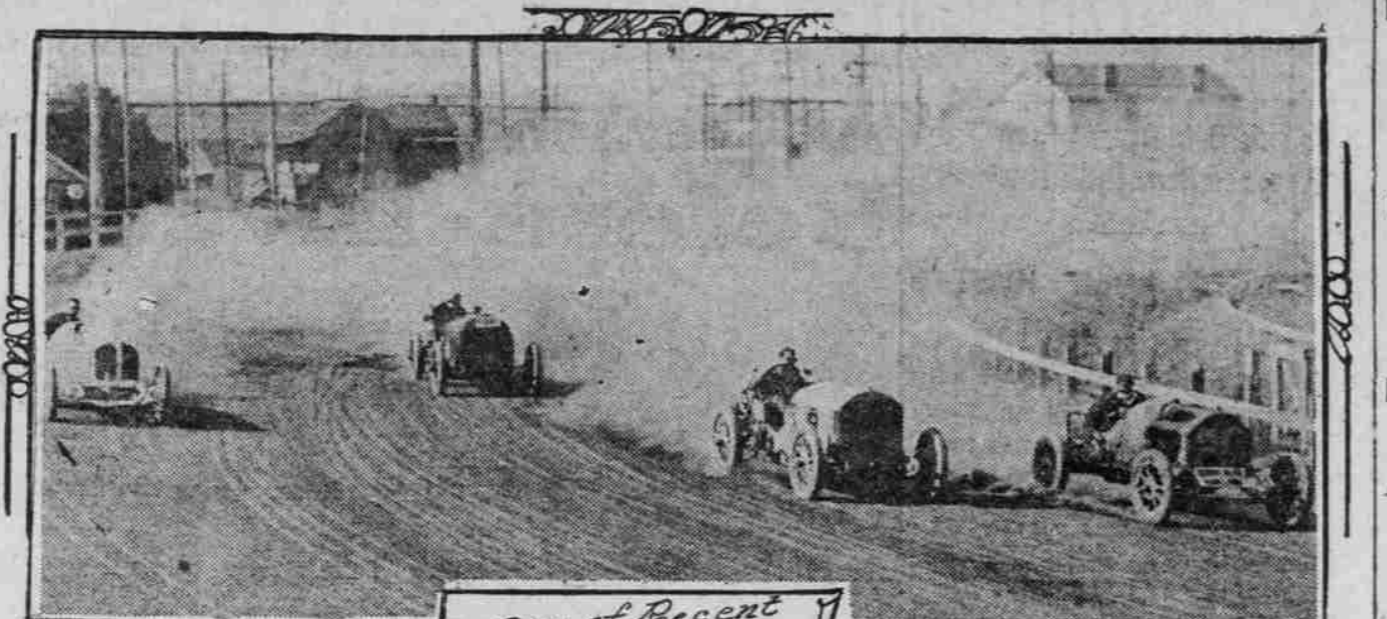

In the third round the Gunboat landed two lefts to the body, and Rodel came back with a left to the face. A hit to the ropes along with Harry Carter, but will open his strenuous campaign tomorrow.

With a week in which to round himself into top he feels confident he is taking the right course in light training for the present, to be followed with a whirlwind windup. Cross boxes a little with Kid Dexter and Harry Carter. The weight is easy for him to make and he came here in a splendid condition, so all he wants is a bit of tough work in the last few days preceding the battle.

Anderson is going at his work at Venice as though he figured on this as his most important bout. He may be depended upon to make the weight with ease.

The poet laureate of England drags down \$485 per annum, while Willie Rittie gets \$17,500 for a single fight. All of which shows that virtue is its own reward.

The principal race of the day is expected to result from the half-mile dash, which will bring together three of the fastest horses in the Northwest.

Agnes, owned by Alfred Smith, has been campaigned all over the Coast and has run in some of the classiest races of this part of the country.

She will be driven by her owner, Ella Hart will be in the same race. This horse is owned by Chester Murphy and is one of the handiest mares in the Portland stables. She will carry William Walters in this race today.

Another horse in this race will be Oregon Frank, and with Eugene Oppenheimer up the race is expected to be keen.

The track at Garden Home is in fine condition and fast time is expected in each event. The steeplechase will start from the track and the end will be in front of the clubhouse.

The programme follows: Ladies' mile trot, Glass & Prudhomme trophy; two half-mile heats out of three—Miss S. Leadbetter on Dancing Girl; Mrs. J. Murphy, on Brigandina; Mrs. H. M. Kerron, on Jim Johnson; Miss M. Lawrence, on King Couch; Joseph Wiley, on Vixen.

Portland Golf Club Organizes. The organization of the Portland Golf Club was effected last night at an enthusiastic meeting at the Commercial Club. K. K. Baxter was elected president, while Frank S. Gray was

chosen secretary-treasurer. The board of directors will be selected at the next meeting Tuesday night at the same place. The charter will be held open for a short time.

TRACK FUTURE IS UNDECIDED. SPOKANE, Wash., June 27.—(Special.)—With only two days of Idaho racing before the new anti-gambling law takes effect, directors of the Coeur d'Alene Fair and Racing Association are still undecided as to the future of the Alan track.

That there will be no Fall meeting this year is certain. It is extremely improbable that any race meeting will be held next Spring, but among the track officials and followers a general belief prevails that in the Fall of 1914 the track may be reopened.

The backers of the Alan track have made a considerable investment, which, to date, has not been an altogether profitable one. While some money was made during the first three meetings, this gave the stockholders little more than ordinary profit. This year attending has been far below par.

Tokio—Arthur Bailly-Blanchard, Charge d'Affaires of the American Embassy, gave a reception in honor of the baseball teams of the Keio University of Japan and Leland Stanford, Jr., University, of California. The members of the Stanford team sailed on board the Nippon Maru for San Francisco Friday.

BOB BURMAN OUT FOR RECORD TODAY

Daring Auto Driver to Try for New State Speed Mark at Country Club.

PROGRAMME STARTS 2:30

Auto Polo, Most Thrilling of Modern Sport, to Be One of Features of Afternoon Events—Rain Puts Track in Best of Shape.

FACTS ABOUT THE AUTO RACES. Today and tomorrow, at Country Club, Rose City Park. Under auspices of Portland Automobile Club.

Sanctioned by American Automobile Association. Start at 2:30 P. M. each day. Eight events each day, including Burman's attack on state mile record, world's dirt track record and four auto polo periods.

Drivers include Bob Burman, Captain Kennedy, Tony Jeanette and Ed Benedict.

If Bob Burman succeeds today in his attempt to lower the state auto record of 22 seconds for a mile on the Country Club track, he will have knocked another of Barney Oldfield's records into the dust. That seems to be Burman's main purpose in life, to go round beating the records that his rival speed merchant put up before him.

"I wonder how many people realize what it would mean even if he only knocked off 1.5 of a second?" said H. L. Keats yesterday. "Of course, some of them see on the stern of his Blitzen Benz the words 'world's record, 1 mile, 22.5 seconds' and I have even seen one or two people here saying 'How close will he get to that?'"

"Now that record was made at Brighton Beach on the finest seaside course in the world, specially adapted to racing, with unlimited opportunity to get up speed, with no curves, no corners, nothing whatever to bar the way of the mighty car and practically not one chance in a hundred to turn over compared with a dirt track."

Burman After Record. "No, to get 22 seconds out of the track here, even though Burman admits it is the best on the Coast, will be no mean performance. Oldfield did not do it the first time, nor the second, nor even the third. Burman says he is going right out after the record the very first time round and that he is confident he will get it. To do that, though, he will have to be in the pink of condition, the car must be tuned up just as right as rain and the track must be in good shape. These are the first essentials. Add to that a very important factor, luck in having no breakages, no injury, no going around on the fence and then, as usual, to equal the former record is no mean feat."

"When a variety man here ties the record for a 100-yard dash in 10 seconds flat there is quite a stir about it, and I hope that people will realize that it means to go onto the course and knock over a second off the previous record. Remember Barney is no mean driver, there are still few better in the world and he put up a mile which naturally he wanted no one else to beat or else his prestige would be lowered."

The same I look for a substantial decrease in the time for the mile, for during the 10 days that Burman has been here my confidence in his ability has increased, for he never ceases to say he will do anything that he is not dead sure he can do."

Track in Good Shape. "The rain has put the track in good shape," said Burman yesterday. "It is better now than it was last week, but could still stand some more rain. In most photographs of dirt-track auto racing you will notice the great clouds of dust. That is detrimental and the only trouble with the Country Club track is that it is so hard and dry that unless well watered there are clouds of dust. A good shower this morning even three hours before the races begin at 2:30 o'clock will make the track still finer than it is and a heavy rain will not hurt it, as all that is wanted is time for the rain to soak into the ground and the heaviest rain will do no harm in about a couple of hours. Dust is what troubles me far more than rain."

The auto poloists are ready and their machines have been finally tuned up. One of them, as if by a stroke of irony has been painted spick and span. Tony Jeanette saw her yesterday in the new coat of paint and asked sarcastically why so much money was being wasted on adornment for a polo car, seeing as he put it, "that in about three minutes there won't be any paint left on her."

Races start promptly at 2:30 both today and tomorrow and between the various events that will be a period of auto polo played. In this way spectators are assured of something happening every minute of the time, unlike horse racing, where there are tedious waits between the races. Tony Jeanette, Captain Kennedy and Ed Benedict will pilot the three other big autos against Burman's 300-horse Blitzen Benz in the open races.
