Pennsylvania Woman Outlines Progress of Temperance Work Throughout United States.

"A campaign of two years properly conducted can wipe John Barleycorn out of the United States," declared Daniel A. Polling, of Ohio, superintendent of temperance in the International Christian Endeavor, at the sectional conference on temperance at the White Temple yesterday.

"There exists today in the organizations of temperance workers," said Mr. Polling, "more unity of purpose and less of the tendency to cotroversy over minor issues, than ever before. While each local organization is carrying on its local work as appears best, there is a stronger Nation-wide attitude of co-operation between the various branches of the temperance movement than ever before."

Mrs. H. H. George, of Beaver Falls, Penn., outlined the present progress of the temperance movement. Nine states with a population of 15,000,000 persons are now under prohibition laws, she said, and a total of 46,000,000 in the entire United States live in prohibition territory.

In the report of the commission to the sectional conference, which was read by Dr. E. C. Dinwiddie, of Washington, D. C., an outline of plans for the future was given.

"The time is at hand when the lead-

ers in this reform must develop and prosecute a plan of operations against liquor drinking," said Dr. Dinwiddie, "co-ordinate the forces for saloon suppression, avoid duplication of effort, decrease friction to a minimum, get a maximum of results from the least energy and expense and put the whole temperance movement on such a sound, sane and effective business basis as will command the respect, the confidence and the co-operation of its constituency."

Bishop Charles Scadding, of Portland, presided over this meeting. Dr. H. H. Russell, of Westerville, O., founder of the Anti-Saloon League, and others were among the speakers.

**BLOOM HONORS SOUGHT****OUTSIDE GROWERS TO TRY FOR SWEET PEA TROPHIES.**

South Lobby of Oregon Hotel to House Exhibit—Flower Girls to Christen New Blossom.

The south lobby of the Oregon Hotel has been chosen as the place for the sweet pea show next Tuesday and Wednesday.

Entries can be made Monday from 1 to 6 P. M., Tuesday from 7 to 9:30 A. M. All exhibits must be in place by 9:30 o'clock so that the judges can make awards before noon. The show will be open to the public free from Tuesday noon until 10 P. M. Wednesday.

A special programme will be given 3:30 P. M. Tuesday, when the little daughter of Julius L. Meier, assisted by three or four other little flower girls will christen the giant new "Multnomah" sweet pea. Tom Richardson will make the opening address.

Much interest is shown by outside growers. There are two handsome trophies for inter-state competition and growers from Vancouver, Renton and Tacoma, Wash., and Monmouth, Salem and Newberg, Or., have already made reservations.

A thousand or 1500 vases, besides the table decorations and fancy baskets, are expected.

The following judges have been selected: E. T. Mize, superintendent of parks; L. G. Prunder, Portland pioneer florist, and Albert Rahn, of Mount Tabor.
