EQUALITY KEYNOTE OF JAPAN'S REPLY

Supplementary Note Believed to Elaborate Contention Made Heretofore.

GENERAL COMITY INVOKED

Touching on Right of Inheritance, Japanese Position Seems to Indicate Purpose to Suggest Arbitration Later On.

WASHINGTON, July 3.—The latest Japanese note supplementary to the rejoinder of June 3, on the California alien land law protest was delivered today to Secretary Bryan by Ambassador Chinda. The note is simply an elaboration of some of the points contained in the rejoinder.

Following the policy pursued in the preceding phases of the negotiations, the State Department and the Japanese Embassy by agreement withheld from publication any of the details of this latest note. It is believed, however, to relate in large part to the development of the contention that such legislation as the Webb act in California and measures generally resembling it adopted by other Western states are distinctly discriminatory against the Japanese.

Equality Is Demanded. As a consequence of this, it is believed the Japanese note contends, these laws place the United States Government as responsible for the acts of its constituent states, in the position of denying to the citizens and subjects of a great power with which America is in treaty relations that equality which always has been recognized as a necessary condition to the maintenance of such relations.

Hint of Arbitration Given. Concerning another phase of the Webb law, that which touched the right of inheritance, however, the Japanese contention is that the existing treaty has been specifically violated. The retention and even expansion of this legislation is regarded in some quarters as indicative of the purpose of the Japanese foreign office, in the event of failure to obtain satisfaction by direct negotiation, to suggest arbitration of the issues under the terms of the special arbitration treaty, protocols for the renewal of which were signed last week by Secretary Bryan and the Japanese Ambassador.

EDITOR BROWN IS INDICTED

Oregon City Publisher Charged With Criminal Libel.

OREGON CITY, Or., July 3.—(Special.)—Charged with criminal libel, M. J. Brown, editor and publisher of the

Oregon City Courier, a weekly paper, has been indicted by the Clackamas County grand jury, following the publication in his paper of June 26 of the allegation that County Judge R. E. Beattie and County Commissioners Blair and Magoon rebated their own taxes. Brown, who came to Oregon City about two years ago, has been one of the leaders in the movement to recall the County Judge and Commissioner Blair, and through the columns of his paper has been conducting a campaign against these two officials.

AUTOS CRASH IN AIR

LONG EXPECTED ACCIDENT OCCURS AT THE OAKS.

Edward Gregg Is Injured as "Somersault" Car Strikes "Gap" Car Going 94 Miles an Hour.

After being expected more than once, the long-threatened accident actually did befall the Fearless Greggs in the course of their "Autos That Pass in the Air" performance at the Oaks Amusement Park yesterday. Traveling at 94 miles an hour, the "gap cars" driven by Charles Gregg, crashed into the "somersault" car on its second somersault, and Edward Gregg, the driver, was instantly stunned. Despite this, his sister, Alice, will make the trip this afternoon. Added to the excitement was the crash as the cars smashed the platform and the detonating report as two of the tires on Eddie Gregg's machine burst. A large number of women spectators fainted.

Efforts to obtain a physician at once failed and it was more than half an hour before young Gregg could be resuscitated. He is now suffering from a severe nervous shock and strain. The fact that the cars are built of steel probably saved Gregg's life.

WOMEN GET 3 YEARS

Militants Accused of Arson Are Sentenced.

DEFINITE ACTION TAKEN

One Says She Will Not Only Go on Hunger Strike, but Will Refuse to Leave if Set Free, and England Now Waits.

LONDON, July 3.—Two militant suffragettes, Kitty Marion and Clara Elizabeth Gliven, were sentenced today to three years' penal servitude for setting fire to the stands on the Huret Park race course on June 3 and causing £70,000 damage.

When the verdict of guilty was brought in Miss Marion said: "We have not had a fair trial. We have not been tried by our peers. Women never will receive justice until women as well as men are on juries."

When the judge pronounced sentence on staying there until dead or released a free woman. Miss Gliven said: "We have not had a fair trial. We have not been tried by our peers. Women never will receive justice until women as well as men are on juries."

SWINDLER FOUND GUILTY

Despite strenuous efforts on the part of his father, Marion A. Butler, a lawyer of Seattle, who conducted the defense with the assistance of Robert H. Lindsay, also of Seattle, H. R. Butler was convicted by a jury in Circuit Judge Kavanaugh's court yesterday of having swindled Mrs. Margaret S. Camelle. The jury recommended that Judge Kavanaugh show mercy in passing sentence. The technical charge against Butler was larceny by embezzlement. He will be sentenced next Thursday.

NORMAN-DAY STRIFE UP

Judge Kavanaugh Takes Decision in Hotel Case Under Adversity.

Circuit Judge Hamilton, sitting specially in Portland, has taken under advisement his decision in the case of

Sidney Norman against Robert E. Ellis, Edward Boyce, Eugene Day and Jerome Day, owners of the Portland Hotel, a suit to collect \$18,750, a 5 per cent commission on \$375,000, the price at which the Normans sold out their interest in the Portland Hotel to the Days. Mr. Norman insisted he brought the parties together. The defendants denied that he acted as their agent, saying that \$500 which they admitted giving him and which he contended was expense money was, in fact, a gift.

In the course of the evidence it was brought out that the split between the Normans and the Days resulted largely from the insistence of the Normans that Sidney Norman be installed as manager at a salary of \$5000 a year. It developed that while the deadlock was on the Days offered to sell to the Normans for \$350,000 and the Normans to the Days for \$385,000. The plaintiff asserted that it was due to his efforts that the sale of the Normans interest to the Days finally was effected at \$375,000. There was testimony that the hotel cleared a net profit of \$10,000 in the four months of January to June, 1911, inclusive.

WINCHELL QUITS PLACE

NORTHERN PACIFIC PRESIDENCY THOUGHT IN SIGHT.

St. Paul Railroad Circles Think Frisco Receiver Resigned to Succeed Elliott.

ST. LOUIS, July 3.—Benjamin L. Winchell resigned today as receiver of the St. Louis & San Francisco Railroad. The resignation was accepted, it was said, and it is reported that W. E. Nixon and W. Biddle, vice-presidents of the road, were appointed receivers. In this capacity they are to serve with Thomas H. Went, chairman of the suffragettes' battle song, "March On." The demonstrators were ejected from the building and the prisoners were removed to their cells shouting: "We shall fight and we shall win."

No witnesses were called by the defense and the prisoners did not testify. Their counsel argued that the charge had not been proved.

"TIGER LILY" FILM PLAY

Thrilling Feature Presented to Globe Theater Spectators.

A play, thrilling throughout, excellently acted by a star vitagraph cast, magnificently staged, abounding with dramatic scenes and ending in a great climax of electricity, fire and storm, is the "Tiger Lily," shown for the first time Wednesday night. The story is woven around the lives of a woman and her pet tiger.

She first introduces the tiger as a sensation at a mask ball where she goes as the tiger Lily. She attempts later to use him to compass the death of a rival, not knowing that rival is her own daughter, whom she had accompanied by fire, prevents the accomplishing of this design just as she learns it is her own daughter of whom she is jealous.

The climax is all that could be desired. Right is triumphant, love gets its own and the guilty, including the tiger, perish. It has been pronounced by the Eastern cities as one of the best stories produced in films. It will run at the Globe for the remainder of this week.
