PORTLAND CREW WINS RACE

Junior Four Sets New Record at Couer d'Alene Regatta.

SPOKANE, Wash., July 4.—(Special.)—All Coast records for junior fours at one and a half miles were shattered at the Couer d'Alene regatta, this afternoon when the Portland crew pulled over the course in the remarkable time of 7:42.4-5, beating the Nelson four by but half a length. A slight wind blowing with the boats was partly responsible for the good time made and the water was somewhat ruffled, which was another condition in favor of the oarsmen. The best previous time made in this event for the Pacific Coast was 8:28.

The race was watched by thousands of spectators, of which about 2000 occupied the grandstand. The race was exciting throughout and all four crews were close together as they crossed the line. Vanover was third, with Victoria trailing the Nelson four by a length.

Norman Ross, of the Multnomah Athletic Club, won the 50-yard swim in 32.5 seconds, and the 440-yard swim in 8:13.4-5. He was in charge of a physician after the 50-yard race, having shown symptoms of ptomaine poisoning, but slipped by the doctor, plunged into the water and won the next race handsly.

Brammie and Hamblen, of Portland, won the double paddle canoe race, 300 yards, in 1:12.

BRITISHERS TAKE DOUBLES

American Player Shows Brilliance in Spots but Is Overcome by Steadiness and Physical Endurance of Opponent.

WIMBLEDON, England, July 4.—A. F. Wilding won the all-England lawn tennis championship today, defeating Maurice McLaughlin in straight sets, 8-6, 6-2, 10-8.

Never has more interest been taken in a match than in that between Maurice E. McLaughlin, of San Francisco, the National champion of the United States, and A. F. Wilding, of New Zealand, the title holder since 1910. This championship is generally recognized as the grass court championship of the world.

The doubles championship was won by H. Roper Barrett and C. F. Dixon, of Great Britain, the title holders, who defeated Wilding and McLaughlin, the challengers, by three sets to one, 6-2, 4-6, 6-2.

The women's doubles championship was won by Mrs. McNair and Miss D. P. Boothby, who beat Mrs. Sterry and Mrs. Lambert Chambers.

Wilding played the greatest game of his life. The match from start to finish was of the heroic order, but while the American made many brilliant returns, he proved hardly a match for his more experienced opponent.

In the first set McLaughlin established a lead of two games to love by splendid base-line shots. Wilding drew level at two all. McLaughlin gained a lead of five to three, but he netted a number of balls that allowed Wilding, who was driving and placing well, to equalize at five all. The New Zealander took the next game and passed the elimination frequently and made a magnificent spurt by McLaughlin won, 8-6.

McLaughlin appeared a little tired when the second set was called, while Wilding, who has the reputation of being able to play all day without turning a hair, was as fresh as ever. Wilding serving strongly, forced McLaughlin to lead, 2-0. The American then won his service, but he could not maintain the spurt and after losing two games, Wilding with some fine passing drives won out, 6-3.

The third set opened with a protracted game which McLaughlin won on his service. McLaughlin was now lobbing and feeding his adversary's backhand. By these tactics he succeeded in winning the second game. He lost the third.

The next few games were full of interest. After a tremendous struggle deuce was called thrice.

A heroic effort by the American saved him the fourteenth game and he got a lead of 8 to 7, but Wilding showing no sign of fatigue, drew level and 80 yards on two games in succession and the set.

Throughout the match the crowd, which numbered 7000, was according to Wilding, most impartial and impartial in its conduct.

Medical Examiners to Seek Repeal of Act Defining Standard.

Declaring that the law passed by the last Oregon Legislature, bearing on licenses to practice medicine, makes the standard necessary for passing examination so high as to be beyond all reason, the State Board of Medical Examiners, yesterday announced that it will make an effort to have it repealed at the next legislative assembly. It was declared the board has a case without the knowledge of the board.

Likewise there is to be war waged through the Prosecuting Attorney's office against persons who are practicing medicine in Oregon without having licenses.

The state board, which has just completed its examinations for those who wish to practice in this state set August 15 as the date for announcing results, the new law being signed by Governor Hildreth.

The board elected the following officers: Dr. Herbert S. Nichols, Portland, president; Dr. L. H. Anderson, Astoria, secretary; Dr. T. Henderson, Astoria, treasurer. The members are: Drs. F. E. Moore, Harry P. McKay and Charles T. Chamberlain, all of this city.

CARLINE IS DEMANDED

Commission Will Be Asked to Force Building of Broadway Extension.

Circulation of petitions for the construction of a branch carline on Broadway from East Twenty-fourth to East Thirty-third street and thence north to Fremont street is being pushed with energy by a committee from the East Thirty-third Street Improvement Association. These petitions will be signed up by today ready for delivery to the Commission.

These petitions will not go to the Portland Railway, Light & Power Company, but to Commissioner Daly, and may develop into a test of the authority of the Commission under the charter to require the street railway company to build extensions.

The street railway company was asked to build the extension, but replied that if the people would pay for building the line the company would accept it. The residents declined to do so and will appeal to the Commission. The association will meet next Tuesday night when Commissioner Daly is expected to be present.
