Government's Aid Given. Because of a conflict of laws, jokers in the one passed in 1911, which is now in effect, and the probable reorganization of the department, it is not improbable that the office will be in more or less chaotic condition for some time.

Attack Made on Dunlaway. Mr. Dunlaway's enemies did not stop here. Soon after the close of the session in state printing, part of which was to put the flat salary law into effect at once.

WEST TAKES EXCEPTION

GOVERNOR DENIES INDORSING JULIUS KNISPSEL

Story of Recommendation of Candidate for Rockpile Superintendent Based on Letter.

TAKING EXCEPTION TO A STATEMENT IN THE OREGONIAN OF AUGUST 4 TO THE EFFECT THAT HE HAD RECOMMENDED JULIUS KNISPSEL FOR THE POSITION OF SUPERINTENDENT OF THE ROCKPILE AT LINNTON, GOVERNOR WEST LAST NIGHT SENT THE FOLLOWING TELEGRAM TO THE OREGONIAN:

SEASIDE, Or., Aug. 7.—(To the Editor).—Report Oregonian August 4 that I had indorsed Julius Knispel for appointment superintendent city rockpile unfounded. I have indorsed no one for that position. Please make correction. (Signed) OSWALD WEST.

THE STATEMENT MADE IN THE OREGONIAN WAS BASED ON A LETTER SENT BY GOVERNOR WEST TO MAYOR ALBES FROM THE SEWARD HOTEL BY SPECIAL MESSENGER, IN WHICH MR. KNISPSEL WAS CONSIDERED FOR THE POSITION OF SUPERINTENDENT OF THE ROCKPILE TO TAKE THE PLACE OF A. G. ROSS. IN THE LETTER THE GOVERNOR STATED THAT MR. KNISPSEL WAS INDORSED BY THE GOVERNOR BECAUSE OF HIS (KNISPSEL'S) PRISON POLICY. THE LETTER WAS SENT AT A TIME WHEN IT WAS GENERALLY KNOWN THAT MR. KNISPSEL HAD BEEN INDORSED BY THE GOVERNOR AND BELIEVED HIM TO BE TRYING TO DO WHAT WAS RIGHT. HE MENTIONED SPECIFICALLY KNISPSEL'S IDEAS AND INTENTIONS IN THE MATTER OF PRISON REFORM. HE SAID THE MAYOR KNEW HIS OWN BUSINESS AND FOR THAT REASON HE (THE GOVERNOR) DID NOT INDORSE HIM FOR ANY PARTICULAR POSITION.

THE ARTICLE IN THE OREGONIAN RELATING TO THE INCIDENT WAS AS FOLLOWS: "Knispel has been strongly recommended to Mayor Albese by a number of prominent people, including Governor West and all but two of the Circuit Judges of this county. The Governor was reported to have written a letter to the Mayor favorable to Knispel, and letters also have been written by the judges and others."

PARTY SPLIT PREDICTED

SPOKANE ELECTION BRINGS DISCORD TO FRONT. Progressive Leaders Dissatisfied and Three Leagues May Be Organized.

SPOKANE, Wash., Aug. 7.—(Special). Three Progressive Leagues may be organized in Spokane where one existed before, as a result of the contest at the annual election last Tuesday, where the organization forces behind State Chairman L. Roy Slater, Horace Kimball and A. W. Davis succeeded in the election of a ticket of trustees over the opposition of O. C. Moore, president of the league.

WOMEN who have been interested in the Progressive movement say that they are disgusted with the scrap and, though leaders refuse to be quoted, they declare their intention of organizing a league exclusively for feminine voters.

SUPPORTERS of O. C. Moore also declare that a second league is needed and, while no actual call for meetings has been issued, missionaries have been busy in sounding possible supporters for both of the new organizations contemplated.

MEANWHILE W. A. MONTEN, temporary chairman of the Board of Trustees, has proposed a meeting to be held in the Lewis and Clark High School August 11, for the election of officers. It is possible that a contest will come up between the Moore party and the Slater party. MONTEN has been mentioned prominently as the next president, but N. W. Durham's name was also broached today. Many committeemen, including MONTEN, were anxious to bring about harmony by finding a set of officials suitable to all concerned.

NEW RULES MADE

Civil Service Commission to Investigate Absentees.

REHEARING LIMIT 30 DAYS

Advisability of Giving New City Employees Priority Over Those Leaving Service and Examinations Considered.

RULES requiring that the heads of city departments notify the Civil Service Commission when any employee has been absent more than the regular leave-term of 30 days, and that the time for rehearing after a Civil Service employee has been dismissed be limited to 30 days, were decided on at a meeting of the Civil Service Commission last night.

THE Commission decided to hold its regular meeting on alternate Thursdays, at P. M., in the Council chamber, instead of alternate Wednesdays, as heretofore, because Wednesday is a regular meeting day of the commission. The next meeting of the commission will be Thursday, August 21.

THE advisability of establishing a rule that city employees who have left the service of the city voluntarily, if they are reinstated, shall take a place at the bottom of the eligible list, instead of at the top, as at present, was also discussed.

THE Commission considered the forms of civil service examinations for the various departments, including those for the places of private secretaries to the various City Commissioners.

THE cases of policemen who have been absent for more than the regular leave of absence were discussed, and it is probable that the Commission may enforce the rule which gives it power to dismiss all employees who have been absent for more than 30 days without the consent of the Commission.

THESE men undoubtedly know the rules," said Commissioner Caldwell, "and if they don't they should be taught what they are by dismissal. On the eligible or waiting list we have a number of men who have passed the examination and are otherwise qualified, and they cannot be put to work regularly so long as some of the regular policemen or firemen or other employees are likely to come back."

CLERK Tupper was instructed to secure data from both the police and fire departments, showing the number of absentees, how long they have been absent, the cause of absence and other facts that may be valuable to the Commission in considering the cases.

THERE were present at last night's meeting Commissioners Clark and Caldwell.

CHINA BANISHES DR. SUN

THREE OF ASSOCIATES UNDER SENTENCE OF DEATH. Life of ex-President Spared Only in Recognition of His Standing With Powers.

SAN FRANCISCO, Aug. 7.—(Special). Dr. Sun Yat Sen, father of the Chinese Republic and its provisional president, has been ordered banished from that country forever and three of his associates are under sentence of death, as a result of their revolutionary propaganda.

SINCE the issuance of this governmental edict the four men have been in hiding in Canton trying to escape the penalty imposed on them.

THIS is the news brought here today by Bertram Webb, who arrived in San Francisco today on the Shenyo Maru, after traveling about China. Fellow passengers who visited Shanghai while the liner was in that port confirm the story of the banishment of Dr. Sun.

SHANGHAI was excited over the Government's edict, said Webb, and the present whereabouts of former chief executive of China, as well as of his associates, is not known. They are said to be hiding in Canton, seeking to evade the order that has been issued imperatively.

THE general opinion in Shanghai, said Webb, was that the government had considered ordering Dr. Sun Yat Sen's execution but that he was spared in recognition of the distinction and reputation which he holds with the world's powers.
