WASHINGTON, Aug. 15,—President Wilson's programme for free sugar in 1916 carried the day in the Senate today when Democrats rallied to the support of the tariff bill and defeated all amendments to the sugar schedule. With all but Senators Ransdell and Thornton of Louisiana, standing firmly for the Administration, the Democrats defeated the Bristow amendment for a compromise duty; the Norris amendment against free sugar, and the Gallinger amendment against free maple

Families Are Favored and Bachelors An amendment to abolish the Dutch standard color test for sugar was adopted during the fight. Under its provisions the Dutch standard, against which a consistent fight has been waged since 1909, abolished as soon as the fariff bill becomes a law, instead of OREGON CITY, Or., Aug. 19.—(Spenext March as the bill otherwise would cial.)—Industrial Workers of the World are not wanted in the hopyards nea

amendment against free maple

Senator Bristow's amendment would Senator Bristow's amendment would have established a gradual reduction in duty from the present tariff of \$1.90 per hundred pounds until in six years the tariff would have been \$1.27\%. Under the Cuban treaty this would have established a \$7 cent tariff on Cuban sugar, which constitutes the bulk of the imports into the United States. structed to favor married men and their families and to take on only those single men who are well known and whose tendencies do not align them with the I. W. W.

Free Sugar Is Assured. The proposal to put all cane and aw sugar on the free list in 1916, be-ind which President Wilson had mushind which President Wilson had mus-tered the Democratic majority after a by the hundreds and I. W. W's have long and persistent effort, came been barred by the most stringent tests. tered the Democratic majority after a long and persistent effort, came squarely before the Senate on a motion by Senator Norris, Republican, to strike out that feature of the bill. This was defeated by a viva voce vote, and Senator Norris made no demand for a roll call.

This proposal will come up again, when the bill has passed its stage of consideration, "in committee of the whole," and advances to the next reading in the Senate. Senator Ransdell

when the bill has passed its stage of consideration, "in committee of the whole," and advances to the next reading in the Senate. Senator Ransdell of Louisians, who gave notice earlier in the day that he would make a similar motion urged Senator Norris to wait. When made again, the motion will undoubtedly call for a record wote, but Democratic leaders tonight expressed entire confidence that they would still have a clear majority of at least one vote, that they will take every measure to prevent I. W. W. from getting into the yards.

fed wines, and the cotton schedule was taken up and briefly debated, Senator Lippitt attacking the proposed system of fixing ad valorem dulles on thread and yarn based on the trade number

CONVICTS TO BUILD ROADS

State of Washington to Experiment With Honor System.

OLYMPIA, Wash., Aug. 19.—(Special.)—Superintendent Frank Randolph, of the state rock quarry at Meskill, who has handled convict labor camps for the state for four years, has been designated by Highway Commissioner Roberts to take charge of the honor road camp of convicts with which washington will experiment for the first time on the Honda Caval highway

first time on the Hoods Canal highway. Roberts and Randolph went to Walla Walla today to select 25 or 30 honor men from the penitentiary. Each will be paid 50 cents a day and promised a conditional pardon after doing from three to nine month's road work. R. O. Baker, now foreman at the Dixie quarry, will be promoted to the superintendency of the Meskill quarry.

MAYOR IRWIN REIMBURSED

Vancouver Council Allows \$263 in Suit Over Cemetery Site.

VANCOUVER, Wash., Aug. 19 .- (Spe cial.) - Mayor Irwin, who refused to sign the warrant of \$10,000 for the purchase of the Adams' tract for a ceme-tery site, and who was defendant in mandamus proceedings on this account. taking the matter into the Supreme Court, will be reimbursed in the sum of \$165.71 by the city, the Council voting to do this. This amount does not include attorneys fees.

Mile reports from Olympia say Mayor Irwin will be compelled to sign the warrant, he has received no official notification of this fact. Before the Supreme Court made the decision, the City Council voted to cancel the waf-rant, so this may be a new phase in the buying of a cemetery for the city.

PRISONER IS RETURNED Former Methodist Minister Does Not

Fight Extradition. ALBANT, Or., Aug. 19.—(Special.)— Deputy Sheriff Smith and Deputy Dis-trict Attorney Burk, of Tulare County,

California, arrived here at 5 o'clock, Sat-urday night from Salem, where they secured the signature of Governor West secured the signature of Governor West to the requisition papers issued by Governor Johnson, of California, for the arrest of W. A. Iden, alias W. L. Dickey. The Deputy Sheriff had three separate warrants for the arrest of the defendant, two of them for selling mortgaged property, the third for obtaining money under false pretenses. The main charge against Iden was brought by E. I. Stellar, a rancher who resides near Tulare, who accuses him of taking 30 head of cattle, mortgaged to him, into another county and selling them to M. Costa. Iden was arrested here several days ago on his return from Canada, where he had passed several weeks visiting in a number of citles. The members of his family, including his son, Wade, who toured Canada with him, are spending the Summer at Long Beach. Deputy District Attorney Burk stated Men's Fall-Weight Serges

that attack pear and apple trees are not bacterial, the United States Depart-ment of Agriculture has just issued a bulletin, which has been received by local growers. The department's ex-perts have met with success in cutting Colorado Operators Refuse to out the affected parts of the trees with a mixture of one part corrosive subli-mate and 1000 parts water. A portion of the report of the Depart-ment of Agriculture is as follows: Treat With Union.

ment of Agriculture is as follows:

That pear blight is a bacterial disease of the pear tree is not open to discussion. The scientists have established clearly the existence of the bacteria by means of microscopic examination, and have reproduced the disease by inoculating fruit and trees with them. The germ is the bacilius amploverus. It is an oval-shaped body, and is 1-18,000 of an inch icross, and can be seen clearly with a high-power microscope. Moreover, the scientists have raised these bacteria in the laboratories and have used them a large number of times in their experiments to infect healthy trees and fruit. Wherever this bacilius has been introduced into a healthy tree or fruit, the pear blight has followed. The scientists have also proved that the disease can be communicated from the biossoms of an affected tree to healthy trees by bees and other insects.
