### JURY RETURNS SEALED VERDICT IN NADEAU TRIAL.

Alleged Parasite Convicted on Vagrancy Charge Sentenced to 90 Days on Rockpile and Fine.

That as many as 50 men were piloted in one day from the Acme Reception saloon at Fourth and Davis streets, to the immoral resorts overhead, was an admission made by Charles Nadeau, the bartender, who was placed on trial before a jury in Municipal Court yesterday.

"Sure I do," said Nadeau, according to Patrolmen Niles and Hutchings. "Guys come in here and ask, and my job depends on it. If I don't do it someboddy else will."

Nadeau, when on trial yesterday, made a partial admission of making such a statement, but his defense rested on the legal point that answering such questions was not "soliciting" as charged.

The jury found Nadeau guilty, returning a sealed verdict at 7 o'clock last night.

# NERVOUS PROSTRATION

### Severe Case of a Philadelphia Woman—Her Symptoms.

Philadelphia, Pa.—"I had a severe case of nervous prostration, with palpitation of the heart, constipation, headaches, dizziness, noise in my ears, timid, nervous, restless feelings and sleeplessness.

"I read in the paper where a young woman had been cured of the same troubles by taking Lydia E. Pinkham's Vegetable Compound so I threw away the medicines the doctor left me and began taking the Compound. Before I had taken half a bottle I was able to sit up and in a short time I was able to do all my work. Your medicine has proved itself able to do all you say it will and I have recommended it in every household I have visited."—Mrs. MARY JOHNSTON, 210 Siegel Street, Philadelphia, Pa.

### Another Bad Case.

Ephrata, Pa.—"About a year ago I was down with nervous prostration. I was pale and weak and would have hysterical spells, sick headaches and a bad pain under my shoulder-blade. I was under the care of different doctors but did not improve. I was so weak I could hardly stand long enough to do my dishes.

### STATIONERY ENGINEER HAS PERSONAL OPINION

### Portland Citizen Gives His Reason for Recommending Plant Juice, the New Topic.

The following strong endorsement is from Mr. G. A. Bradberg, a stationery engineer living at the Phillips Hotel in this city. He said:

"I have suffered from catarrh until my entire system seemed to be affected. Had headaches and a disagreeable roaring in my ears and this condition changed in my condition. I am feeling better than I have felt for ages and am beginning to feel that I could begin to enjoy life again. You can say for me that anyone suffering with these most distressing ailments cannot go wrong if they try Plant Juice."

Catarrh is an inflammation of the mucous membrane which reaches from the inside of the nostrils clear through the whole alimentary tract and any part of the surface can be affected by catarrh. Plant Juice is taken up by the circulation and heals and soothes the membrane, keeping them clear and in a healthy condition. Plant Juice is sold at the Owl Drug Company's store.
