## Out They Go! 513 Boys' Suits at \$2.75

241 Are Norfolks---272 Double-Breasted Styles Every Suit in This Group Is All Wool And Not a Garment Worth Less Than \$5

Mothers who would economize in outfitting the boys for school should anticipate the Suit needs during this final clean-up, in which we include 513 Suits, and priced to assure immediate disposal at only \$2.75 the Suit. The sizes are from 6 years to 17 years — the majority of Suits ranging from 9 years to 16 years, although there are no Norfolk Suits, size 9 years, in this lot.

Every Suit is good weight and all wool. Not a garment in the lot that is worth less than \$5 and many of the Suits are worth much more. To make room for the new Fall Suits arriving, we are offering you unrestricted choice of these 513 Suits, while any remain, for \$2.75.

Bring the boys here today. Early selection will be preferable and you'll find smart styles and well-finished garments.

## Final Out-Clearing Men's Suits 240 Are \$25.00 Garments---10 Are \$30.00 Garments All Light Weight Fancy Styles-2 and 3-Button Sacks and Norfolks While Any Remain-Your Choice

As the Fall Suits and Overcoats are daily arriving in our stocks, it is imperative to make immediate disposal of the fancy light-weight Suits, and with this in view we've grouped 240 regular \$25.00 Suits and ten \$30 Suits, from which we offer unrestricted choice, while any remain, only \$11. These Suits are all wool and the product of famous and well-known makers, such as Adler-Rochester, A. B.

Kirschbaum, Hickey Freeman, Washington Co. and others. They're stylish garments, in handsome styles and exceedingly well finished. Make your selection today. -Third Floor, Men's Store,

# Today in the Big Basement Store

Be certain to attend the demonstration of the "Universal" Percolators today. You'll learn that the only sure way to make really delicious coffee, with a rich, full flavor and without acidity or bitterness, is by the percolating method, which causes an even circulation of boiling water to flow over the coffee grains, scientifically extracting every essence of flavor of the coffee bean. "Universal" Perculators are splendid in design, and an ornament to any table. Made of aluminum, cannot rust, and are easily cleaned. See the demonstration today.
