NATIONAL TENNIS CHAMPIONS WIN

McLoughlin and Bundy Outclass Strachan and Griffin at Newport.

STRAIGHT SETS TELL TALE

San Francisco Boys, Aged 2-2 and 18 Show Excellent Teamwork, but Are Unable to Withstand Terrific Smashes by Champion.

NEWPORT, R. L. Aug. 20 .- On the Casino courts here today M. E. Mc-Loughlin and T. C. Bundy, National doubles champions, successfully de-fended their title against J. Strachan, aged 18, and C. J. Griffin, aged 22, the challengers. The championship pair defeated their youthful rivals in straight sets at 6-4, 7-5, 6-1, and even these figures do not express the mar-gin of victory always in the hands of the older and more experienced players.

The challengers, by virtue of their spectacular march through the preliminary rounds of the doubles earlier in the season, were expected by many of the spectators to give McLoughlin and

the spectators to give McLoughin and Bundy a sensational battle.

When they actually crossed racquets with the champions, however, it was seen that their play still lacked the finesse of the doubles' masters. They showed no indecision and played a strong game, but a game that, owing to its immaturity, was not capable of conquering the tried and veteran pair. Challengers Foresce Delevt.

Challengers Foresce Detert.

The challengers played their best game, even when they realized that defeat must be their pertion, but meantime the champions were piling up the points. An adequate idea of the difference in the play of the two pairs may be gained from the fact that Mo-Loughlin and Bundy scored 35 earned points to 21 by their younger rivals. On nets, double faults and outs by their opponents, the champions gained 71 points while giving away 57.

McLoughlin and Bundy appeared to be slow in getting started and early in the match the younger pair frequently killed Bundy's short lobs for points. They played to the latter at every opportunity, for Bundy's game was far easier to handle than McLoughlin's, whose nevere service troubled the youngsters.

whose severe service troubled the youngsters.

Strachan and Griffin made their stand in the second act, but while they carried it to deuce, they were unable to break through. Bundy here played the stendler game, while McLoughlin furnished spectacular smashes. At the finish the champions had swung into their old-time game and simply smothered their youthful challengers.

Fract Time is Made.

The day's races brought out the second fastest time of the carnival, the Oregon Kid turning 12 miles in a preliminary heat in 17:22 or at the rate of 41.4 miles an hour. Adam Weckler's Barnacle was disabled by motor trouble on the first stretch of the initial lap, Kitty Hawk V led the Oregon Kid all the way to the fifth lap in the third preliminary heat, but was caught in a swell while rounding the southeast buoy and in attempting to regain its course the driver, Freeman Monroe, was compelled to foul the stake.

Four boats—the Oregon Kid, of Portland: Baby Reliance, of Brooklyn: Hydre Bullet, of Elkhorn, Wis, and the Van Blerck—qualified for the final dash.

Two-Boat Race From Start.

From the start it developed into a two-boat race, the Kid leading and the Baby in hot pursuit. At the finish of the first lap there were but 22-5 seconds between them, with the Kid bouncing like a chip in a gale. The Kid's time for the first two miles was 2.52-5. The Van Bierck dragged, a poor third, but her driver was out for third money and realized that unless an accident halted either of the two leaders there was nothing better in sight. He was plugging along a lap behind the sizaling leaders, when the Hydro Buillet slipped out from behind the judges' float and started down the course. The starter recognized it, permitting it to start three laps behind, and this served to enliven the race for third place.

Baby Reliance was running hard in the fourth lap when her steering gear went wrong. As the craft shot past the strind, Wallie Bugh could be seen struggling with the wheel and at the south end of the course he was unable to turn. This gave the Oregon Kid a great lead, and after the Reliance had been taken in tow, it was found that it had dropped its rudder.

The fastest lap today was made in 2:493-5 by the Oregon Kid.
