

PREACHED IS FOUND GUILT OF MASHING

Sentence Suspended by Judge Stevenson on Recommendation of Jury.

PRISONER SOCIAL WORKER

Rev. H. W. Kuhlman, Who Was Arrested for Accosting Woman on Street Thursday Night, Is Defended by Rev. Mr. Trimble.

Three clergymen, a church woman and two newspaper men sat in judgment in Municipal Court yesterday upon Rev. Henry W. Kuhlman, a Tillamook minister accused of violating the mashing ordinance—and found guilty. Then they counseled mercy, and the court acceded to their recommendation and sent the minister out of court under a suspended sentence.

The defendant said he had been doing social investigating in Tillamook, and, arriving in Portland at 10 P. M. Thursday, set out to see how conditions in a large city compared with those in a smaller one.

He had not gone far when he was accosted by a woman of the streets and stopped to talk with her. He laid stress upon the fact that he had 65 cents in his pocket at the time.

Going a little farther, he saw two men come out of a saloon under the influence of liquor and stopped to get their viewpoint. The next person he encountered was Dr. E. H. Shattuck, who resides at 424 Williams avenue. He addressed her, saying, according to her testimony:

"Is your name Mabel?"

"It certainly is not, sirrah!" she replied, and just then Detective Price and Patrolman McCarthy stepped up and made the arrest.

Jury Trial Is Ordered.

There was a gathering of the cloth when the case came up for adjournment yesterday afternoon. Judge Stevenson showed plain distaste to sitting in judgment on the case, and said: "This impresses the court as a case in which a representative jury should sit, and I therefore order that one be empaneled."

Those chosen to serve were J. W. McDougall, superintendent of the Portland district of the Methodist Church; C. T. Cook, of the Laurelhurst Methodist Church; and a college classmate of the defendant, Robert Hughes, editor of the Northwest Christian Advocate; Mrs. Esther A. Nicholls, Ted Lansing and Paul Kootz, newspaper reporters.

Rev. Delmer H. Trimble, who has acted as a friend in trying to keep the defendant out of jail Thursday night, acted as amicus curiae and represented the prisoner. He laid much stress upon the 65 cents, and asked the court to take judicial knowledge of the fact that a man couldn't "roll them very high" on that.

"It seems to me, doctor," said the court to Rev. Mr. Trimble, "that this man is just plain verdant; he ought to be in the Portland Vice Commission."

As both the judge and Rev. Trimble were members of that body it was generally admitted that court had delivered itself of a bon mot.

Interview Is Refused.

Rev. Mr. Kuhlman refused to be interviewed after the trial, but referred questions to his friend, Dr. Trimble, and advised the reporter to make any statement to make it in writing.

"He is one of our most valued men," said Dr. Trimble, "and I am confident that he merely is guilty of an indiscretion. He had been doing social work in Tillamook and did not realize that in taking such a step in a city like Portland he had to be protected."

Tillamook Reputation Good.

TILLAMOOK, Ore., Aug. 22.—(Special.)—Rev. H. W. Kuhlman, who was convicted in Portland today of mashing, is pastor of the Methodist Church here. He came to Tillamook last September from Sheridan. He has a wife and three children and is a member of the Tillamook Ministerial Association, which forced a wet and dry election in Tillamook City, the result being a tie.

Office Employees of the Harriman lines in Portland will leave this morning for Bonneville by special train, for their second annual picnic. President Farrer was present on the annual picnic, volunteering a holiday so that there need be no necessity of holding it on a Sunday.

Among the attractions planned for the day is a contest to determine the most popular girl employee of the system. Two tennis tournaments and two baseball games will be held and there will be several races for which prizes are offered.

More than 1000 persons are expected to participate in the holiday.

The Mosier Fruitgrowers' Association will begin packing and shipping Monday. The entire crop of prunes has been sold and the growers are much pleased with the price received.

KNIGHTS TEMPLARS AND MEMBERS OF PHILADELPHIA AUXILIARY, GUESTS OF PORTLAND LODGEMEN FOR DAY.

FROM LEFT TO RIGHT—EMINENT SIR CHARLES C. JUDD, RECORDED; ROBERT L. BUEHLER, EMINENT COMMANDER, AND EMINENT SIR PAUL J. POUTENS.

In a swing through the circle of the Pacific States, following the convention of the Knights Templars in Denver, 144 members of Mary Commandery, No. 35, and Mary Auxiliary, Knights Templars of Philadelphia, passed the day in Portland yesterday.

Their tour is being made in one of the largest and most elaborately appointed special trains that have ever crossed the continent, and will cost \$55,000. The party is under the leadership of Eminent Commander Robert Buehler and Mrs. Buehler, president of the auxiliary, and the tour is under the direction of John McSherry, tour agent for the Pennsylvania Railroad.

Yesterday was passed in sightseeing trips in the city, both morning and afternoon, and they were entertained by members of the local lodges last night.

The train left at midnight for Seattle, from which point it will cross the continent on the return lap of the 11,000-mile journey through the United States. The return trip will be made by way of the Canadian Rockies.

Several days ago Randall was apprehended in this city, and E. H. Wright, probation officer, taking an interest in the case, decided that if an operation for adenoids was performed Randall would improve and be a good boy.

Wednesday night the lad again left home, taking with him his adopted father's horse and his little yellow dog. The police were notified tonight, but up to a late hour tonight Randall, the horse and yellow dog had not been apprehended.

When Randall is caught this time it is probable that he will be sent to the State Industrial School at Chehalis. He cannot be kept at home, and after his capture by the Vancouver police recently he escaped through an opening 3 1/2 by 10 inches, taking with him his yellow dog, and climbing down an electric wire 15 feet to liberty.

ESTATE MUST BE DISPENSED ANEW

Appointment of Executor of Late Senator Mitchell's Will to Be Asked.

NEARLY ALL LEFT TO WIFE

One Dollar Bequeathed to Each of Six Children—Debts, However, Declared to Amount to More Than Value of Property.

More than eight years after the death of the testator the discovery by David M. Dunne, administrator of the estate, of a will left by John H. Mitchell, United States Senator from Oregon, makes it necessary to begin the administration of the estate anew. The will, which was found by Colonel Dunne among some old papers when he was moving to make way for M. A. Miller as Collector of Internal Revenue for Oregon, was executed in Washington, D. C., May 14, 1891, in the presence of John Irwin, Godfrey Beck and Anne Widmar. It is said to be in the handwriting of Senator Mitchell.

With the exception of \$1 each to his six children Senator Mitchell left everything to his wife, Mrs. Mattie E. Mitchell, now residing in Paris, France, with her daughter, the Duchesse de La Rochefoucauld, and named her as executrix without bond. She, however, will receive nothing, it is said, as the estate is not sufficient to cover the debts.

Executor to Be Petitioned.

As soon as Probate Judge Cleaton returns application will be made to him to have Colonel Dunne or some other person appointed executor in the absence of Mrs. Mitchell.

The substance of Senator Mitchell's will, which is in the possession of Thomas G. Greene, attorney for Administrator Dunne, is as follows:

"First—I desire that all my just debts and funeral expenses be first paid.

"Second—All the rest and residue of my property, whether real or personal or mixed of whatever name and nature, I give, devise and bequeath as follows: To my six children, namely, Jessie Mitchell Chapman, of Tacoma, State of Washington; John H. Mitchell, of Tacoma, State of Washington; Jennie Mitchell Fawcett, of Canton, O.; Magtie Mitchell Handy, of Washington, D. C.; Mattie E. Mitchell, of Portland, Ore.; and reading temporarily in Washington, D. C., and I give the sum of \$1 each, trusting to my wife, Mattie E. Mitchell, to deal fairly and justly with all my said children out of any property she may receive under the will.

"Third—All the rest and residue of my estate of every name and nature, whether real or personal or mixed, of which I may die possessed, I give, devise and bequeath to my said wife, Mattie E. Mitchell, of Portland, Ore., now temporarily residing in Washington, D. C., she to make such provisions out of the same for each of my said children hereinafter mentioned as she may deem proper, and towards them respectively and towards me.

"Fourth—I appoint my wife, Mattie E. Mitchell, my sole executrix of this, my last will and testament, without bond."

When Senator Mitchell died his estate inventoried \$677,904 and his debts amounted to more than \$12,000. Realty, which was at that time appraised at \$4213, increased in value, and was bid in by the D. P. Thompson Estate Company, one of the principal creditors, for \$6000. The valuation placed on it by realty experts about a year ago was \$17,225.

Property Is on East Side.

The real estate consists of a half interest in a half block on Union avenue between Schuyler and Hancock streets; a half interest in a quarter block at Schuyler and East First streets; and a half interest in a lot on East Second street between Schuyler and Hancock streets.

As the situation stands now, it is said, the creditors will be put to considerable additional expense to have the will probated, as the real estate will not be accepted by the D. P. Thompson Estate Company unless deemed to them by an executor or executrix, now that a will has been discovered. The probate of the will may be proved by testimony that it is in the handwriting of Senator Mitchell.

MARSHLAND FOREST BURNS

Fire Starts at Camp of Columbia & Nehalem River Railroad.

ST. HELENS, Ore., Aug. 22.—(Special.)—News of a forest fire near Marshland was brought here tonight, and though it is not dangerous now it is sweeping through the forest and may do material damage if the wind rises.

State Forester Elliott from Salem arrived here today and left immediately for the scene to take personal charge of the firefighters, who are rangers and ranchers in the community.

It is believed that the fire started in the camp of the Columbia & Nehalem River Railroad Company, which was burning slashings.

The fire is reported to be in sections 30, 31 and 32, of township 7 north, range 5 west. The railroad company is working in that district building a road to Nehalem basin, to tap a large body of timber.

Judgment of \$4000 Awarded in Clarke County Case.

VANCOUVER, Wash., Aug. 22.—(Special.)—After fighting a case through two trials of the Superior Court of this county and having it twice in the Supreme Court, Mrs. Elizabeth Field has at last secured a judgment of \$4000, and her daughter, Ella, filed a judgment of \$500 against the Spokane, Portland & Seattle Railroad Company and the United States Fidelity & Guaranty Company for injuries received several years ago.

Mrs. Field and daughter were thrown from a stage near Carson when a locomotive on the North Bank caused the team to run away. Besides the judgments, the plaintiffs are to receive interest since May, 1912, and costs of the suit.

Constable Mitchell Will Fight.

ST. JOHNS, Ore., Aug. 22.—(Special.)—Constable Mitchell, when seen today relative to the action of Governor West calling for proceedings ousting him from office for the alleged aiding and abetting of "bootleggers," said he had no fear of the outcome of his fight. He declined to make a full statement at this time, asserting he could have something to say when the proper time came. He said that he had carried out the duties of his office and would fight the case to the limit.

of half-mile dashes against time as a
prelude to the afternoon's water carnival

RITCHIE SIGNS TODAY
CHAMPION AND WELSH PRE-
PARE FOR SEPT. 20 BOUT.

Lightweight Crown-Bearer Will See
Moy and Campbell in Elimination
Fight This Afternoon.

VANCOUVER, B. C., Aug. 22.—(Special.)—It was announced tonight that
Ritchie and Welsh would tomorrow
sign articles and post forfeits of \$2500
each for the September 20 bout. They
have agreed upon practically all details.

Tomorrow's Moy-Campbell elimination
bout starts at 1:30 o'clock and the
winner is to meet Ritchie Labor Day.
Moy and Campbell finished their hard
training for the bout last night and
today confined their work to short spins
on the road. Both men are at weight
and promise to put up a lively bout for
the honor of meeting the world's cham-
pion, Willie Ritchie, in the same arena
Labor Day.

Final arrangements have been com-
pleted for the fight between Moy and
Campbell, representing Freddie Welsh, for
the appearance of the British champion
against Ritchie on September 29.
Ritchie's terms were accepted by the
club before he left San Francisco for
Vancouver, so that the bout is now a
certainty, provided Ritchie gets past
the winner of tomorrow's battle in his
Labor Day engagement.

Ritchie will stop his training tomor-
row afternoon long enough to be at the
ring side when Moy and Campbell clash
in order to get a line on his opponent
of a few days later. Walsh will also
be a spectator.
