RULER SUMMONS OFFICERS

One Rumor Is That Trevino Ha Been Called to Capital to Become Provisional President - Diaz Said to Have Been Recalled.

MEXICO CITY, Aug. 25 .- President Wilson's representative, John Lind, will leave the Mexican capital tomorrow, proceeding to Vera Cruz.

Mr. Lind called on Foreign Minister Gamboa today to say good-bye, but there was nothing in their conversation regarding the resumption of nego

Mr. Lind will sail from Vera Cruz at an early date, presumably on a battle ship. It is expected that William Bay-ard Hale, who has been in Mexico City in an official capacity, will accompany Mr. Lind or leave soon after-

Rumors persist that General Trevino who has been summoned to the capital, will become Provisional President, but confirmation is lacking, and this report is offset by another that General Huerta has called in most of the re tired officers and many of those on detached service to report for duty. General Felix Diaz, who started for

Japan as special Mexican Ambassador,

is also said to have received a summons to return to the capital. As an indication of the cordial personal relations established by Mr. Lind with General Huerta, the President and will occupy the car tomorrow the trip to Vera Cruz.

SALARY REVISION TO BE MADE ON EFFICIENCY BASIS.

Municipal Employes May Advance in Rank Under New Plan Worked Out by Research Bureau.

Uneasy were the heads that held the jobs at the City Hall yesterday, for the Civil Service Commission and the City Commissioners started the task of revising the salary lists in all the departments on an efficiency basis worked out by officials of the New York Bureau of Municipal Research.

Under the new system, employes wil William Bayard Hale May Also be grouped in classes, ranks and grades and will receive a standard salary established for their particular line of work. A man in a certain class will be able to advance year by year in salary only according to the work performed At the end of each month the head of each department will give the em-ployes under him marks showing demerits for mistakes and merit marks for good service. At the end of the year, if his marks have been good, he will be advanced a grade. After advancing a certain number of grades he will be eligible to advance in rank. Then he may continue to advance class. The inefficient man will remain

at the bottom of the ladder. The classifications are to be based upon reports of records made by the various employes. Yesterday Commis-sioner Dieck met with the Civil Service Commissioners and arranged the classifications for the employes in his department. During the rest of the week other Commissioners will attend to the classifications in their departments.
