LONDON, Aug. 28 .- (Special.) -A report on the numbers and earnings of Irish migratory agricultural laborers, the wages of agricultural laborers, and

the wages of agricultural inforers, and the number of persons engaged in farm work, and other matters concerning Irish agriculture, has been prepared by the Department of Agriculture and Technical Instruction for Ireland. The report says that there has been a con-siderable decrease in the number of Irish migratory agricultural laborers who have visited Great Britain in re-cent years. The number of laborers i who migrated in 1912 probably did not exceed 15.000. In previous years the INDIAN WAR VETERAN DIES George W. Herbert Fatally Injured
