RENTAL RATES FIXED

SLIDING SCALE DECIDED ON FOR INTERURBAN CARS.
Portland & Oregon City Company to Pay \$100 a Mile First Two Years for Tracks in City.

If the Portland & Oregon City Railway Company is granted a franchise to operate interurban electric cars from Oregon City to the West Side business district of Portland, the company will be required to pay the city an annual franchise rental of \$100 a mile for the first mile of single track during the first two years of the franchise and \$200 a mile for the remainder of the remaining 22 years of the franchise.

This was the valuation fixed yesterday by City Commissioner Dieck following an investigation of the question of valuation. This rate is on a par with the rate charged the Portland Railway, Light & Power Company and other companies operating cars within the city limits.

The mileage of the line has not been figured because of the uncertainty as to whether double tracks will be laid through the entire route. The route is said to be approximately four and one-half miles. With the single track the rental would amount to \$400 for the first and second years and \$800 for the rest of the time. If double track is laid the rental will be double that amount. In addition to the other rental the company will be required to pay 2 cents for each car operated over the Hawthorne bridge.

WOOD MEN TO SPEAK—Charles Cooney will be chairman of the day at the Ad Club luncheon at the Portland Hotel today and addresses are to be given by J. H. Dobbin, president of the Oregon Wool Growers Association, and J. G. Ho, secretary-treasurer of the association; Samuel Pearson and other prominent wool and woollen mill men of the Northwest. Sam Dobbin, ex-president of the National Advertising Men's Association, will be a guest at the luncheon. "All Wool and Grow in Oregon" is the theme of the programme.

FREE DENTAL CLINIC TO REMAIN—Contrary to a report that the city free dental clinic is to be abolished, City Commissioner Dieck announced yesterday that no such plan is contemplated. The dental clinic does dental work for poor school children free of charge and is considered one of the most important branches of the city's service. The office runs only during the school months.

Snyder's Estate Placed at \$3000.—Gustaf Snyder, the only heir, has been appointed by Circuit Judge Cleaton administrator of the estate of Ida B. Snyder, who committed suicide by taking chloroform last week. The value of the estate is given in the petition as \$3000. Mrs. Snyder took the chloroform following a quarrel with her husband.

Committee Prepares to Send Out 30,000 Circulars.

Plans for the Milk Show to be held at the Meier & Frank building September 23 to 27, inclusive, are rapidly progressing, and the affair gives promise of being one of the important events of the month. At the meeting of the committee held yesterday, reports from the various committees were heard.

The matter of allowing the school children to attend the show during school hours was discussed and Dr. E. A. Sommer, of the Board of Education, said that the children would be notified of the holding of the show, but that it would not be advisable to let them attend during school hours. More than 30,000 circulars will be sent out so that the parents of the children will be informed regarding the milk show. Teachers will in many cases take numbers of their pupils to the exhibit after 2:30 or 3 o'clock in the afternoon or on Saturday.

BRIDGE AND FUND TOPICS AT MEETING.—The Ninth Ward Protective Association will hold a meeting in the auditorium of the Albina Branch Library at 230 Knott street tonight at 8 o'clock for the purpose of discussing the proposed Interstate bridge, the fuel trust and other questions of present interest will be discussed. Peter Wikander is president of the association.

LOUIS SONDHEIM HONORED.—Louis Sondheim, editor of the Northwest Insurance News, has been appointed, by Commissioner Hathaway, chairman of the Pacific Northwest delegation to the World's Insurance Congress to be held in San Francisco in 1915.

LAND SPECULATOR HIT
GAS COMPANY PRESIDENT TELLS HOW TO DEVELOP.
S. Z. Mitchell Says Farmers of East or Europe Will Not Come West to Buy—Prices Too High.

Real estate values in Oregon and Washington are too high, says S. Z. Mitchell, president of the Portland Gas & Coke Company and chairman of the board of directors of the Pacific Power & Light Company, who arrived in Portland yesterday after a tour through the Columbia River basin.

Mr. Mitchell, unless the land speculator is driven out of business, we cannot get the farmer to come here and pay more for raw land than he is able to get for his old property back East or in Europe. Prices are too high and the speculator has made them so. The people of the Northwest cannot build up the country fast so long as they tolerate the presence of these undesirable speculators.

Mr. Mitchell has visited various communities in the Inland Empire and found that prices at which raw land is held are excessive. He learned upon his arrival here that the same condition prevails in the Willamette Valley and in other parts of Oregon.

He thinks that the people of Portland can do no better work than to start a movement that will drive the speculator out of business.
Mr. Mitchell formerly lived in Portland. He built the old municipal lighting plant in East Portland. He outgrew the community, however, and now lives in New York, where he serves as director in half a dozen big corporations. G. M. Dahl and F. G. Sykes, associates with him in many enterprises, are accompanying him.

New Survey is Promised.
MILWAUKIE, Or., Sept. 9.—(Special.)—At the meeting of the East Milwaukie Improvement Association last night at the home of Leo Johnson it was announced that the promoters of the Port-

land & Oregon City Railway, the Portland and the Clackamas Southern, have agreed to make a new survey through Milwaukie. The committee reported it had hopes that the new route may be selected by which East Milwaukie district will get railway facilities.

A resolution was adopted condemning the granting of a franchise for the reopening of Milwaukie Tavern and asking the Milwaukie Council to revoke the franchise.

The Women's Press Club will have charge of the Thursday's programme, and the speakers will be R. L. Sabie, E. L. Thompson, F. M. Kiger and Marshall Dana.

For Friday afternoon the Portland Women's Club will have charge. Mrs. Frederick Eggert will preside. "Ice Cream" will be discussed by J. D. Mickie, State Dairy and Food Commissioner. Dr. Kittle Plummer Gray and Macee Rossiter will speak.

The last day of the show will be directed by the Visiting Nurse Association. Mrs. R. L. Dieck, president. The speakers will be E. C. Galloway, Dr. E. A. Pierce and Dr. E. J. Labbe.
