Church Workers Urge Those in Need to Visit.

Taylor Had Been at Home for Three Years. Camelot, Oregon, is a lonely little spot, which is tied in with the world by a single road. A hobo has been reported there, and there are rumors that some of the local residents are indulging in some form of religion. But beyond that, there is little to be known about the place. The only thing that is known for sure is that Judge Taylor was there when he was shot.
