LENTS STUDENTS VISIT MILE SHOW.—

More than 200 pupils of the Lents public school attended the milk show with their teachers Wednesday, where they studied methods for keeping milk pure and taking care of the milk. Others are visiting the show with the object of preparing ensays on what they saw and learned there which will be submitted as part of their regular course of work. Other practical work is planned by this school including a poultry show and contest November 24 in the basement of the schoolhouse. Attendance at the Lents school is 700. Principal Hershner and the teachers are introducing many new and practical features outside the regular work and yet in harmony with the work.

BRIDGE WORKERS GET INCREASE.—
Ten bridge carpenters and three bridge laborers are affected by an increase in wages authorized by the County Commissioners in session yeterday. The increase was recommended by Superintendent of Bridges Murnane who said that five companies had already made advances in wages and that the county would not be able to secure efficient men unless the advance was made. In the future the foreman will receive \$6 instead of \$5 as formerly, carpenters \$4 instead of \$2.50. Mr. Murnane is employing ten carpenters at present but ploying ten carpenters at present but advised the committee that he would be able to reduce the force to six when improvements now under improvements now under way are com-pleted.
