schoolhouse and another midway between the Baptist Church and the Foster road. Many are expected to visit the schoolhouse every week, and Commissioner Daly will be asked to provide these lights.

H. A. Darnall Retires.—H. A. Darnall, editor and publisher of the Lents Beaver State Herald, announces his retirement from the ownership of that paper. He is succeeded by Messrs. Volk and Parcel, experienced newspaper men. Mr. Darnall retires after five years' service, which started at Gresham. The Herald was moved to Lents about two years ago. Mr. Darnall says he enjoyed his five years' experience, profiting mainly from the educational feature more than financially. Volk and Parcel also have acquired the Lents Optimist, another local paper, and will combine it with the Herald.

Asphalt Contract Recommended.—

All interested are invited to attend this meeting.

Car Driven by Accused Man Has Long List of Accidents.

THREE FATALITIES RESULT

Damage Suits Amounting to More Than \$100,000 Are Filed Against Owner and Arrest Here Is Latest Unpleasant Event.

Still in the custody of the police, al-Still in the custody of the police, although everyone arrested in connection
with its trip from Vancouver, B. C., to
Portland has been released, the big
automobile, which figured in a larceny charge filed by John A. Tees, of
Vancouver, against "Red" Sebastian,
the auto racer, is an object of interest
to the police because of its unique history.

It is a "hoodoo" car beyond the wild-It is a "hoodoo" car beyond the wild-est imagination, according to Sebastian, who yesterday was stretching his limbs after nine days in the City Jail. It has been the means of killing at least three persons, of maiming 10 more, and of debts innumerable to its owners, all of whom ended their ac-quaintance with the vehicle by "going broke". The fines assessed against it

more than \$100,000.

In Sebastian's two-year acquaintance with the car it has been in seven big accidents. It began with the day that Sebastian bought it to run for hire. It was standing beside a curb, when a was standing beside a curb, when a heavy dray "side-swiped" it and tore off all the upper works. A few days later it participated in a collision on a bridge. Both autos were dragged apart by motor trucks before they

could be taken away.

Soon after it ran into and smashed a smaller car, breaking off its own wheels. Its most spectacular trick was the dumping of all the officials of the wheels. Its most spectacular trick was the dumping of all the officials of the Minrue race meet, near Vancouver, into the road, along with \$70,000, the betting receipts of the day. This accident the auction lych Broth-The sale—Adv. gton home Terms \$50 regonian.—

Few Minutes When Plant Has Been Installed.

A street signal system for use in calling patrolmen on their beats when CITY'S CASH IS \$2,539,315 they are needed is to be installed in made in Mayor Albee's annual budget for an appropriation of \$25,000 for the installation of the service, which it is thought will increase the efficiency of the police bureau to such a point that no additional policemen will have to be

no additional policemen will have to be engaged to cope with the growth of the city during the year.

Chief of Police Clark in his budget has provided for the signal system and for 50 additional policemen. Mayor Albee says he believes that if the signals and other efficiency systems he is planning are worked out the increase will not be needed. The signals will be established at convenient places on the beats of all policemen throughout the beats of all policemen throughout the city. In case of a robbery, an accident or trouble of any kind which needs the attention of a policeman quickly, officials at headons. beats of all policemen throughout the city. In case of a robbery, an accident or trouble of any kind which needs the attention of a policeman quickly, officials at headquarters have only to push a button which will operate either a light or a bell signal on the beat of the policeman nearest the scene of the trouble, and he will call the station as quickly as bossible. This will eliminate the need in many cases of policemen being sent out in the patrol automobile and will effect a great saving of time in many cases in policemen greisly flating.

MENTON TO HAVE CLUBHOUSE.—A slit skirt, the special policeman nomeeting has been called for next ticed the bulky revolver, and when Wednesday night at the Masonic hall he determined its nature, he placed in Kenton at which steps will be taken toward the erection of a clubhouse in this suburb that will cost from \$3000 to \$4000. Plans drawn by given by her mother, who interviewed from \$3000 to \$4000. Plans drawn by given by her mother, who interviewed concerned. There is a martial-like at his beat which will operate the station will be another for the Baker. NOTHER premier for the Baker other feature of the proposed new system. NOTHER premier for the Baker other feature of the proposed new system. Each policeman will be required to call in each hour over a telephone tion it has so far as the "U. S. A." is the full state of the proposed new system. Each policeman will be another feature of the proposed new system. Each policeman will be required to call in each hour over a telephone tion it has so far as the "U. S. A." is the full state of the proposed new system. The placed in Kenton at which will operate the station will be another for the Baker.

No explanation more adequate than the determined its nature, he placed in Kenton at which subject to call in each hour over a telephone will be call in each hour over a telephone to call in each ho mosphere in it, but it is fostered, aided arrangement at the station. This will and abetted by the subjects of King enable the officials at headquarters to know that the men are not telephoning and abetted by the subjects of Kins Augustus the Third, ruler of the principality of Borovina, a locality that excitation of the lists solely in the imagination of the play's author, Bernard Fagam. It's a cated on the tapes and will have to be fine little nest of revolutionists, too, accounted for by the policeman.

that Mr. Fagan's romantic story leads us into. Memories of "Graustark," that other beloved stage story, are brought with the production.

King Gus is somewhat of a cynic, a worldly wise old roue, and bored to death with affairs of state. Not so death with affairs of state. Not so

NEW SIGNALS PLANNED Association has begun plans to incorporate and construct on the site a traveling man's clubhouse and home. A committee has been appointed to have charge of the matter, and definite action toward the erection of the building probably will be taken about the first of the year.

The plan was discussed at the third The plan was discussed at the third quarterly meeting of the association at the Portland Hotel Saturday night, and the interest of the members was great. Arrangements were made at the meeting last night also to hold a banquet the last Saturday of December, to which not only the men of the association but their families will be invited.
