

BERA DILLON SMASHES RECORD

Fast Canadian Mare Trots in 2:10 at Salem Track Before Great Crowd.

SOME DISPUTE NEW MARK

Five Heats Required to Settle Big \$5000 Lewis and Clark Purse.

Armstrong's Lead in Relay Is Now 14 Seconds.

SALEM, Or., Oct. 2.—(Special.)—With almost 15,000 persons cheering like mad, Alberta Dillon, the fast Canadian mare, lowered the track record for the 2:10 trot at the Fairgrounds today. With Barnes handling the lines, the mare stepped the mile in 2:10 flat in the third heat of the big Lewis and Clark \$5000 event. In the second heat Alberta Dillon had come within half a second of the record. Although announced at the race-track as a record, there is some discussion as to whether or not this is really the case. In 1908 Day Break did 2:10 1/4 and Lady Sirius tied this mark in 1910. Joe McGuire, of Denver, one of the best-known horsemen on the Western circuit, contends that the real record for the Salem track was made in 1911 by Helen Stiles, a California horse, who, says McGuire, did three heats better than 2:10. The records of the Trotting Association will be looked up to settle the question.

Five Heats Required.

Unlike the 2:08 pace of Wednesday, which was won by Hal Gray in three straight heats, the 2:10 trot went the entire five heats. Alberta Dillon won the first in the second, third and fifth, won first money. Dr. Wayo took two firsts and three seconds and second money. Third money went to Boersma. D. The largest field yet started, 13, contented for the big purse, but horses were withdrawn in every heat until the final heat had only four contestants, all of which finished in the money. Tom Moko looked good several times for better than fourth money, but was set back in the third heat for repeated running, thus spoiling his chances.

The two-year-old pace was a fine contest. Chango, Durfee up, won handily by taking the first two heats. Miss Brownie and Lord Louille split second and third, each winning a second and third place. In the third heat Chango trailed the field to the post and then began to come up, with Miss Brownie leading by a length. Up to the finish all the horses were less than a length apart, but Chango won by a burst of speed a rod before the finish.

Albea Wins 2:20 Pace.

The 2:20 pace was also a good race, Albea taking a third and two firsts, capturing the big money, and second went to Hal Chief. The time in the first two heats was 2:23 and 2:24. Armstrong did his two miles and half in the relay race in the best time, 5:18 1/2, getting did it in 5:23 and Guyette in 5:50, which is the best time he has made thus far. Summary:

Two-year-old pace, Oregon Futurity No. 4, purse \$500, best time in three heats, 2:10. Chango, W. G. Durfee, Los Angeles, 1. Miss Brownie, W. G. Durfee, Los Angeles, 2. Lord Louille, W. G. Stewart, 18. Dr. McKinney went lame and failed to start. Time, 2:12 1/2, 2:10 1/4, 2:10, 2:13, 2:12 1/4.

Fourth day of six-day relay race, purse \$1000—First, Armstrong, 2:13 1/2, second, Gerking, 2:23, third, Guyette, 5:30. Armstrong's lead covered four miles in 2:30. Gerking in 2:14. Guyette in 2:13 1/2. This gives Armstrong a lead of 14 seconds over Gerking and 2 1/4 over Guyette.

MICHIGAN NOT TO COME WEST

Yost's Team Eager to Play Washington but Faculty Forbids.

NEW YORK, Oct. 2.—According to word received by Washington alumni here there is little chance of the proposed University of Michigan-University of Washington football game being played this season. The Pacific Coast University football management invited the Michigan eleven to play a game at Seattle in December. It is understood that Coach Yost and Captain Patterson were inclined to favor the idea of the intercollegiate game but the faculty refused to grant the necessary leave of absence. Washington, however, may send its eleven to the Middle West for a final game this season if the record of the team warrants such a trip.

VANCOUVER, B. C., Oct. 2.—The Northwest League pennant winners broke their losing streak today when they came from behind in the eighth inning, bunched hits on Slim Dell and finished on the long end of a 6-to-4 score. Kelly's cover play helped Vancouver to win. Both teams played loosely in the field. The score: Vancouver, 6; All Stars, 4. R. H. E. Batteries—Ingersoll and Grindie; Dell and Hannah.

Winged 'M' Prepares for Game With Aggies Tomorrow.

SQUAD TO ARRIVE TODAY

Gaps in Multnomah Line Caused by Retirement of Stars Hard to Fill.

Lutz and Blockwell Add to Visitors' Strength.

Hungry for revenge, 20 football warriors of the Oregon Agricultural College will hoop into Portland today, ready to buckle into the Multnomah Club in the opening big league football battle of the season on Winged M field tomorrow afternoon.

Dr. E. J. Stewart and Carl Wolff, coaches in charge of the Corvallis huskies, will put their men through a sharp signal drill on the sawdust field today, so as to become familiarized with conditions.

Shaw on Sidelines.

Plowden Stott, Multnomah manager, announced the appointment of W. E. "Doc" Shaw as special announcer at the game, yesterday. "Doc" is the big tackle who tore things up for Multnomah two years ago. He will be stationed along the sidelines with a megaphone, which will be used to keep the crowd in touch with the progress of play.

While Multnomah defeated the Aggies last year, 8 to 0, it was a fierce battle and the loss of Wolff, Clarke, Rinehart, Callerate, Cherry and Carl Stare of the Winged M eleven means an even closer and more bitter tussle Saturday.

One new Oregon Aggie addition who will help Dr. Stewart's squad is Lutz, the former Pomona College captain, now a star at halfback. The other valuable man is Blackwell, formerly with the University of California, who will help at center. Neither is eligible for the strictly college games of the conference.

Halfback Blackwell is still out of the game. He may come to Portland, but in all probability will not appear in the lineup against the Multnomah football men.

Multnomah is working every night instead of twice a week. There are enough fast men on the team to try speed plays too, and the Aggies are routed, probably will have to combat some of their own kind of play.

The team worked last night and will be out tonight for the last time before the big game. It has assumed the form of a well-drilled eleven, as contrasted to an aggregation of football men. The back field is especially strong, and the team has the earmarks of the combination which swept everything before it last year.

The second stringers will also rehearse tonight for their game against the Jefferson High School, the preliminary to the big game tomorrow afternoon. The first game will be called at 1:30 P. M. and the college vs. club match just as soon as the first is off the boards.

OREGON AGRICULTURAL COLLEGE, Corvallis, Oct. 2.—(Special.)—That the team which will represent the Oregon Agricultural College in the game with the Multnomah Club next Saturday will be composed largely of Blue and Black for the first time, was indicated last night, when it was found that out of the 12 who were selected for the available, only five will be able to play this week. The men who have thus far escaped injury are Chrisman, Dewey, Huntley, Robinson and Moore.

Captain Shaw's toe is still bothering him, and the swelling on Blackwell's kneecap refuses to yield to treatment. Blackwell will also suffer from a badly-cut eye. May, Larsen and Laythe are all laid up with sprained ankles. Rasmussen's knee is still so sore from the twist given it at the bench that he has been unable to use it. McKenzie, second-string center last year, has decided not to register, and although Hoyer is expected to suffer this week, it will be too late for him to work into condition for Saturday's game.

In addition to the injured men on last year's team, four of the most promising of the new men are on the hospital list. Abraham is suffering from a wrenched back, Scott has a sprained knee, Yeager tore a rib loose in Saturday's alumni game, and Lutz, Stewart's last hope in the backfield, yesterday developed an abscess on his thigh, which may prevent his playing Saturday.

All of the men who will play Saturday, with the exception of the five veterans, will have played in the Oregon Freshman game, and most of them took part in the alumni game also, making three hard scraps in eight days.

A squad of about 35 men will leave here Friday for Portland and they will be accompanied by a large delegation of supporters of the Orange and Black. At center Blackwell, a new man from Willamette, and Chrisman may be seen in action, although Chrisman probably will start at tackle. Finch, McCord and Smart will be at the guard positions, and Moore and possibly Hofer will help Chrisman with the tackle posts. Hunt-

FARMERS AID SPORTSMEN

Umatilla County Believes in Helping Finley in Pheasant Culture.

PENDLETON, Or., Oct. 2.—(Special.)—Umatilla County sportsmen are rejoicing at the apparent success which is attending the efforts of State Game Warden Finley to stock this section of the state with China pheasants. Though the first birds were liberated last Fall, a splendid crop of young birds was raised this season, and if all reports are true there are already from 300 to 500 pheasants in the county.

The farmers seem to be equally interested with the sportsmen in the proposition, with the result that the birds are being given the best kind of protection.

EX-CAPTAINS OF OREGON AGRICULTURAL FOOTBALL TEAM HOLD UNUSUAL REUNION

LEFT TO RIGHT—PENDERGAST, 1907; WOLFE, 1908; EVENSON, 1909; HAWLEY, 1910; MAY, 1911; SITTON, 1912; SHAW, 1913.

On the occasion of the O. A. C. Alumni football game played in Corvallis last Saturday, there were assembled seven men, each of whom at one time had been captain of the Beaver varsity squad. A further coincidence was that dating back from the present season, eleven, the leaders of seven successive teams were gathered together. The men are Pendergast, captain of the 1907 team; Wolfe, 1908; Evenson, 1909; Hawley, 1910; May, 1911; Sitton, 1912, and Shaw, 1913. Pendergast and Wolfe have played with the Oregon Agricultural College, and are still formidable exponents on the "gridiron" game. Hawley is ranching near Lorane, and Sitton is also on his farm at Carlson.

WILKINS AND DURHAM VICTORS

Double Handicap Match Ends Season of Tennis in Portland.

Wilkins and Durham yesterday won the city tournament handicap doubles at Multnomah Club by defeating the tennis combination of DeNeffe and Northrup, 3-6, 11-9, 6-4, 7-5. This match was left over from the Fall city championship tournament which Multnomah staged a month ago.

Wilkins and Durham "owed 15" while DeNeffe and Northrup played "scratch." The handicapping was unusually fair and the match which resulted was one of the best of the series.

The winners played a steady game and were set for practically everything which DeNeffe and Durham shot over the net. Their judgment was good and passing at the net excellent.

This ends tennis for the year. One item of news is yet to appear, and that is the city rating. Multnomah and Irvington have each selected a delegate whose names will remain a secret. The two have selected another. It is believed that this will quiet some of the rumors which usually attend the rating. After the ratings are announced and the discussion cooled off somewhat,

MONTE PHYL IS REINSTATED

Player Declared by National Commission to Be Giants' Property.

CINCINNATI, Oct. 2.—The National Baseball Commission reinstated today Player Monte Phyl to good standing in organized baseball and held that he was a member of the New York National League team. No fine was inflicted. Phyl was one of the members of a California State League club at the time it was taken into organized baseball and these men had the right to ask the commission for reinstatement after three years from the time the league was declared to be in good standing. Phyl was released by the New York National League team, but joined the California State League instead of reporting to the team to which he was released. The commission held today that he reverted to the New York Nationals.
