

MRS. GAY LOMBARD GIVES DINNER-DANCE

Fall Season at Waverly Country Club Opened by Attractive Festivity.

DECORATIONS ARE PROFUSE

Fifty-Two Guests Are Invited to Participate in Entertainment in Honor of Birthday Anniversary of Mr. Lombard.

The Fall season was opened at the Waverly Country Club last night, when Mrs. Gay Lombard gave a dinner and a dance in honor of Mr. Lombard's birthday.

In the large drawing-room the huge mantel was banked with American Beauties, and clusters of the same exquisite blossoms were arranged about the rooms, combined with palms and ferns.

Punch was served in the ballroom, and one end of the dining-room was screened off for smokers. Mr. and Mrs. Lombard's guests were Mr. and Mrs. Guy W. Talbot, Mr. and Mrs. C. E. Grellie, Mr. and Mrs. E. C. Shevlin, Mr. and Mrs. Scott Brooke, Mr. and Mrs. David T. Honeyman, Mr. and Mrs. David C. Lewis, Mr. and Mrs. James Dougherty, Mr. and Mrs. Robert W. Forbes, Mr. and Mrs. Victor Johnson, Mr. and Mrs. W. B. Mackay, Mr. and Mrs. Frank G. Owen, Dr. and Mrs. George Marshall, Mr. and Mrs. Wells Gilbert, Mr. and Mrs. Morris H. Whitehouse, Mr. and Mrs. J. Wesley Ladd, Dr. and Mrs. Ralph C. Matson, Mr. and Mrs. Walter F. Burrell, Mr. and Mrs. Thomas Honeyman, Major and Mrs. Adrian Fleming, of the Army post; Mr. and Mrs. Thomas Robertson, Mrs. Elizabeth Freeman, Miss Gertrude Talbot, Miss Bertha Tongue, Mr. and Mrs. Richard Wilder, Clarence Sewall, Thales Lithincum, Jordan Zan and Kurt Koehler.

The wedding of Miss Marie Louise Gleason to Walter Albin Gruetter, which was solemnized yesterday morning at 11:30 o'clock in the Church of the Madeleine, was one of the prettiest of the Fall weddings.

The church was decorated prettily for the occasion, the altar being banked with clusters of white cosmos, and palms and Oregon grape were arranged around the chancel.

The bride who was given into the keeping of the bridegroom by her brother, Walter B. Gleason, was charming in a lovely robe of ivory toned tulle, trimmed with exquisite lace and applique. Her full-length tulle veil was fashioned over a mob cap of lace, and was wreathed with orange blossoms. She carried a shower bouquet of lavender orchids and lilies of the valley.

Miss Edna Minsinger was maid of honor, and was attractive in a handsome creation of cream lace and green chiffon, with green satin girdle. She also wore a large black plumed hat, and carried an arm bouquet of Richmond roses.

Harold Sooy-Smith, of Salem, was best man, and the ushers were Maurice Doolley, Joseph Chasmin, Walter Daly and William Healy.

After the ceremony a large reception was held at the home of the bride's mother, Mrs. James Gleason, from 12:30 to 2 o'clock.

Mrs. Gleason, mother of the bride, was distinguished in a handsome gown of mahogany and blue, with a shadow lace bodice, built over gold net, trimmed with blue and green embroidered bands. She also wore a black lace hat, plume linden, and a corsage of Lady Hillington roses.

The Gleason residence was attractively decorated with a profusion of brightly-hued autumn foliage and tins in the Autumn tints in the drawing-room, where the bridal party received the congratulations of their friends.

Pink roses and asparagus fern in artistic baskets adorned the dining-room, and were also used on the table, from which a buffet breakfast was served.

Presiding at the samovars were Mrs. Dan J. Malarkey, Mrs. Henry E. McGinn, assisted by Miss Helen Minsinger, Miss Irene Daly, and Miss Frances Brady. Miss Mary Kern and Miss Clara Marsh were stationed at the punch bowl.

Mr. and Mrs. Gruetter left on the steamer for San Francisco, and will be at home after November 1 at Trinity Place Apartments.

Mrs. June L. Valliant and Mrs. D. D. McGilivray left last evening for Seattle, to attend the state convention being held in that city by the Royal Neighbors of America.

Mrs. H. N. Calk and Mrs. J. M. Strowbridge are spending a few days at the Hotel Wolcott, New York City.

Dr. Owens Adair will address the Women's Political Science Club today at 2:30 P. M. in lecture-room A of the new Public Library, on the "Sterilization Act." All club meetings open to women.

A smart affair of yesterday was the tea given in honor of Miss Ruth Church and Miss Lucie Palmer, whose wedding will be events of this Fall, with Miss Fay Nichols as hostess. About 85 guests called during the afternoon.

PORTLAND VISITOR GOES TO SAN FRANCISCO TO JOIN AUTHOR HUSBAND.

MRS. CARL CROW.

Mrs. Carl Crow (Miss Mildred Powers) left Sunday morning to join her husband, the well-known magazine writer, in San Francisco.

Mrs. Crow has been sojourning in Portland for a week, after an absence of two and a half years touring around the world.

Mrs. Crow was in China during the revolution, and they are now planning to return to the Orient for a year. They will be entertained in India by the Sultan of Johore for a fortnight, and will visit other Eastern countries, passing several months in Europe.

They will also visit in London and Siberia, and while in London will visit the family of the late Sir John Lubbock. Mr. Crow is writing a book on Russia, and they will visit all the points of interest, seeking material.

Ellis Gullick and Mrs. Rob N. E. Nelson, two recent brides.

Mrs. Whitney Morden will compliment Miss Ruth Church and Miss Lucie Parker, two popular brides-elect, with a luncheon Friday.

HOOD RIVER, Or., Oct. 13.—(Special.)—At a dinner party given by Mrs. H. M. Huxley, the engagement and approaching marriage of Miss Viola Wilson, daughter of Mr. and Mrs. John A. Wilson, of this city, to George Gorman Hinsh, a member of the United States Engineer Corps, who has been employed during the past year making surveys in the Crater Lake district, was announced.

The wedding will take place the latter part of the month at the home of Miss Wilson's parents. Mr. Hinsh was formerly stationed at Big Edith, where he was a member of the engineering corps at work on the Celilo Canal.

The church was decorated prettily for the occasion, the altar being banked with clusters of white cosmos, and palms and Oregon grape were arranged around the chancel.

FUND NEARS \$4,000

Symphony Orchestra Campaign Meets Good Response.

VOLUNTARY AID RECEIVED

Contributions of \$25 and Upward Entitled Donors to Associate Membership and Season Ticket to Concerts.

Table with columns: Name, Amount. Total: \$3,850.00

The fund for the Portland Symphony Orchestra probably will pass the \$4000 mark today and responses that are coming in to the campaign of the Ad Club committee indicate that the full fund of \$5000, which will insure the success of the coming season, will be subscribed before the end of the present week.

The total subscriptions last night brought the fund to \$3855. Since the beginning of the Ad Club committee's canvass last Thursday, in behalf of the orchestra fund, contributions of \$1780 have been received, which is nearly two-thirds of the amount that was needed to complete the full fund.

Responses to the letters sent out by the committee members to prominent people of Portland are being received with the greatest interest and in all cases liberal. In addition to the letters sent out the committee, consisting of Guy W. Talbot, Harvey O'Brien and Dr. L. W. Hyde, is conducting a supplementary personal canvass, which is adding materially to the list of subscriptions.

The total subscriptions now within but a little more than \$1000 of the \$5000 mark, and with the attitude of the public of Portland toward the Portland Symphony Orchestra encouraging as it is, the committee feels confident that the financial affairs of the orchestra will be in the best possible condition before the opening concert.

Subscriptions are being received not by the committee alone but are coming in as well to Mrs. Talbot, the business agent of the orchestra, from citizens who have noted the campaign for funds and are desirous of doing their share in support of the orchestra.

Contributions of \$25 and upward entitle the donor to recognition as an associate member of the organization and a season ticket to the concert. Contributions between \$5 and \$25 are recognized by the orchestra and the contributor is placed on the list of donors on the programmes of the season.

VANCOUVER CHAPTER HOST

Grand Worthy Matron of Washington Eastern Star Honored.

VANCOUVER, Wash., Oct. 13.—(Special.)—Mrs. Martha Washington, of Spokane, grand worthy matron of the Order of the Eastern Star, officially visited the Vancouver Chapter of this order, tonight and watched the work accomplished on a number of candidates.

Following the secret work a banquet was served in honor of Mrs. Washington, and in an address she expressed satisfaction with the degree team.

WOMEN EMPLOYES NEEDED

Woolen Mill at Oregon City Unable to Increase Capacity.

OREGON CITY, Or., Oct. 13.—(Special.)—Lack of sufficient number of women to work in the woolen mill has handicapped the plant here. Though the owners have made every effort to employ a number of women, they have been unable to get enough women to handle the orders that are received.

The trouble seems to be that the city now has no places where women may live and the number of private homes where they may board is limited. Another result is that improvements which the company has contemplated for the mill probably will not be made.

COLUMBUS IS HONORED

BANKS AND SCHOOLS PAY TRIBUTE TO MEMORY.

Pupils Hold Appropriate Patriotic Exercises and Discoverer Is Eulogized.

Because Columbus day fell on Sunday, the banks and schools celebrated the anniversary of the discovery of America yesterday, the banks by remaining closed and the schools by holding appropriate patriotic ceremonies.

Addresses were given in all three of the high schools and in the grade schools the teachers gave short talks on the life and achievements of the discoverer of America.

In the municipal offices and some of the county offices work went on as usual, and the servants of Uncle Sam in the Federal building were not allowed a day off because of the deeds of Columbus.

Besides the celebration ceremonies held under the auspices of the Knights of Columbus Sunday night, Columbus day was observed yesterday at the Christian Brothers' Business College. The students gave a musical and literary programme in the college auditorium.

In an address before the students, J. Francis Sinnott said in part: "Christianity has enlarged the world by one-half, has given to commerce new industries and to the world a home for its surplus population. It is the greatest of all achievements recorded in history. To all nations and to all peoples it has brought countless blessings."

Columbus is the inspiration of our poets, his early life and voyages the themes of our essayists, while his stainless character, Christian faith and duty call for our student's highest eulogies. Let me say right here that religion held the first place in his heroic heart, all else he made subsidiary to this."

DIRECTOR TO BE CHOSEN

X. M. C. A. Secretaries Will Name General Representative on Coast.

To confer over the appointment of a general representative of the International committee of the Young Men's Christian Association, to have charge of X. M. C. A. affairs on the Pacific Coast, H. W. Secretaries from the other Idaho cities will also attend.

At the general convention of the Y. M. C. A. held in Cincinnati, it was decided to appoint four representatives of the international committee to have jurisdiction in four sections of the United States. The Pacific Coast representative has not been appointed, and it is to consider this matter that the San Francisco meeting has been called.

Fred E. Shipp, of New York, will represent the international committee at the conference. The secretaries will take up other matters of mutual interest to the associations on the Pacific Coast.

PATROLMAN QUILTS IN HUFF

Two Policemen Take Up Other Occupations and Two Face Trial.

Because Patrolman Snyder wanted to go out on a ranch to build a house for his mother-in-law, and Chief of Police Clark would not give him a 30-day leave of absence to do so, the patrolman in a huff tendered his resignation yesterday, and Chief Clark accepted it. Snyder had been on the police force a short time, and had already received his regular vacation when he applied for the additional leave.

C. L. Barze, mounted patrolman, resigned to take up farming. Charges of falling to report for duty probably will be placed against Patrolman E. E. Woodward, who went on his annual vacation to Los Angeles, took up a street railway position and failed to return to Portland when his vacation period was completed.

Trials of G. W. Russell and R. F. Stack, patrolmen charged with neglect of duty, will be held Thursday. Stack is seeking reinstatement, after being discharged for leaving his beat without permission.
