

# "DRIVIS" OF OREGON SPLIT ON CAMPAIGN

## Women's Union and Anti-Saloon League Divide on State-Wide War on Rum.

### MATTER IS BEFORE SYNOD

#### Churchman Says Anti-Saloonists Not to Blame for Difference and Plea Made for Harmony—Fair Workers' Side Not Heard.

Wide difference in the ranks of temperance forces of Oregon over a state-wide prohibition election was reported yesterday at the session of the Oregon Presbyterian synod at Westminister Church. The condition became known through the report of the Rev. William Parsons, who explained that the Women's Christian Temperance Union insisted on a campaign in 1914 for state-wide prohibition, while the Anti-Saloon League is standing out for a delay until 1916.

Rev. Mr. Parsons said the trouble was not the fault of the anti-saloon organization. To get the matter before the synod he recommended that plan of the women's organization be approved. He said that the fault did not lie with the anti-saloonists. His recommendation met with opposition led by the Rev. J. E. Snyder and the Rev. W. S. Gilbert. The synod allowed the matter to go over until this afternoon.

Representatives of the Women's Christian Temperance Union were on hand to present their side of the case, but the meeting adjourned without their argument being heard.

Peace Held Need to Succeed.

Mr. Gilbert expressed the opinion that success could not be hoped for until the temperance forces unite and be at peace. This was the sentiment of all who addressed the synod.

A resolution was adopted, however, declaring that all temperance organizations should cease all contentions and unite on some certain policy. The question was continued until this afternoon.

Rev. John H. Boyd reported on colleges and Christian education at the meeting, and made an appeal in behalf of Albany College, where it was announced that the campaign for \$200,000 had been concluded, by which it will secure the \$200,000 contingent fund offered by J. J. Hill.

It is now proposed, he said, to raise \$165,000 with which to erect a new college building and two dormitories. The synod extended to President Crooks a vote of thanks for his efforts in securing the endowment.

Profound regret was expressed by Rev. William Parsons and Rev. J. H. Boyd that there are so few young men studying for the ministry, there being only five such students in the Albany College at the present time. Rev. Mr. Parsons said:

"We have more than 20 Presbyterian colleges which are but a mockery in the education of young men for the ministry. We have more than 1200 vacant pulpits. We ought to do something to encourage young men to enter the ministry."

**Aid for Aged Pastors Urged.**

Rev. Mr. Parsons submitted the report of church activities, emphasizing the department of ministerial relief and assistance of aged and disabled ministers, their widows and children. He said that \$100,000.00 is being raised as a permanent assistance fund for the relief of these ministers, and he made an appeal for this fund. The Rev. W. S. Holt, of the Oregon synod, has been selected to help promote this endowment.

Rev. W. S. McCullough read the report on foreign missions, which showed that the Oregon synod had given \$14,774 outside of what the women had raised.

The Rev. A. A. Fulton, of Canton mission, addressed the meeting on this subject, pointing out the importance of foreign missions.

A resolution was adopted dividing the presbytery of Southern Oregon and creating the new presbytery of Coos and Curry counties.

William L. Ladd and Rev. H. N. Mount were elected to represent the synod on the board of the San Francisco Seminary. At 4:30 the ministers were taken to the new Westminister, Rose City Park, Plodmont and First Presbyterian churches. Rev. W. S. Holt spoke for Oregon synod and Rev. Mark A. Matthews, of Seattle, for the synod of Washington. Mayor H. R. Albee presided.

## ANNUAL RALLY TONIGHT

### CHRISTIAN ENDEAVOR WORKERS TO MEET.

#### Gathering Will Be In Sunnyside Congregational Church and Two Cups Are Offered.

Members of the Congregational Christian Endeavor societies will hold their third annual city and suburban rally tonight in the auditorium of the Sunnyside Church. Last year 275 people attended. Several of the small towns in the city also sent in good delegations, and Hillsboro secured the banner for having the largest percentage of attendance. Atkinson Society, of the city, also was a high mark society, and received a duplicate of the original banner. Both societies attended with every active member present.

This year two silver trophy cups have been offered, one for the society having the largest percentage of its active membership in attendance, and the second by the society having the largest total attendance.

The programme of the rally begins with an informal dinner for the officers, committee members and out-of-town delegates at 6:15 in the church parlors. Dr. Luther R. Dyott will preside as toastmaster, and Alva Patten, of Forest Grove, Kansas, will be the featured speaker. He will read the address by Clarence H. Sprague, and the roll will be called. During the calling of the roll of societies the doors will be closed that late comers may not be counted on the societies whose names appear at the end of the roll. The principal feature will be the address of Dr. C. J. Bushnell, president of the Pacific University, on the subject "The Challenge of the Twentieth Century to Youth."

## QUARRY EXPENSES SHOWN

### Monthly Reports on Linnton and Kelly Butte Are Issued.

Monthly reports of the operating expenses of Kelly Butte the Linnton quarry and the engine-rooms of the Courthouse were filed with the County Commissioners yesterday. At the Linnton quarry, where the prisoners are fed by the city, the expenses for September totaled \$809.44. During the month 2043½ yards of rock were broken at an average cost of 40 cents a yard.

At Kelly Butte the monthly expenses were \$1854.30. Last month \$195 was spent for powder. The feeding of prisoners cost \$385. The cost of operating the engine-rooms and elevators at the Courthouse was \$1328.69. The report was submitted by William A. Eschel.

The report of the superintendent of Multnomah Hospital was submitted, showing that 158 patients had been cared for during the month.

## How Any Woman Can Remove Fuzzy Growths

(The Modern Beauty)

Many beauty shops use a delatone paste for removing hair from the face, neck or arms, as it is more satisfactory in every way than the electric needle. Enough of the powdered delatone and water is mixed into a paste, and spread on the hairy surface for 2 minutes, then removed and with it comes every bit of hair. After the skin is washed it will be firm and free from blemish. To insure best results, buy the delatone from your druggist in an original package—Adv.
