Any Woman Can Have Smooth, Hairless Skin

(Beauty Topics) Here is a simple treatment, which, if used, will quickly banish hair or furz from chin, cheek or lip. Mix enough powdered delatone and water to cover the hairy surface, apply and in 2 or 3 minutes rub off and the hairs are gone. Then wash the skin to rid it of the remaining paste. This is quite harmless and does not injure the most sensitive skin. Definite results are had quickest if the delatone is bought in an original package.—Adv.

It is interesting to note that the most successful remedy for female ills the world has ever known had its origin nearly forty years ago from roots and herbs, and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness. The best remedy for female ills.—Adv.
