Willapa Harbor Phone Official Says Subordinate "Goat" of Conspiracy Case.

### BURNS DETECTIVE ACCUSED

Retrial of Raymond Case Asked on Ground Evidence of Detectaphone "Framed Up"-Plaintiff Would Drop Damage Suit.

SOUTH BEND, Wash., Oct. 28 .- (Special.)-Following the discharge of A. J. Peverstorff, who had been deposed as manager of the Willapa Harbor Telephone Company for alleged knowledge of the placing of a dictaphone by H. P. Murphy, a Burns detective operative, in the office of the City Attorney of Raymond, Wash., F. A. Hazel-tine has resigned as vice-president and

director of the telephone concern.
At a meeting of the board of direct tors of the company on Monday, Mr. Hazeltine, who is also editor of the South Bend Journal and a regent of the University of Washington, assumed full responsibility for the actions of Mr. Peverstorff, After tendering his resignation, Mr. Hazeltine issued a

statement as follows:
"The placing of the dictaphone in Mr. Weish's office was in the interest of justice and good government, as is evidenced by his conviction for conspiracy in bribing witnesses, as a re-sult partially of the evidence secured thereby. It had absolutely no connection with the telephone system and no one charges that any telephone wires were tapped. Manager Peverstorff was made the goat and I refused to stand for it. He was sacrificed to appease the wrath of the convicted parties and their friends and I went out with him."
The alleged dictaphone figured a
few weeks ago in the conspiracy trial

of City Attorney Welsh and other of-ficials of Raymond, who were com-mitted on a charge of conspiracy to suborn perjury in the case of J. W. Coleman, who brought suit against the City of Raymond for \$10,000 personal

In the motion for a retrial of the conspiracy case, an affidavit was made by Clerk Caton, of the Green Hotel, that Detective Murphy bored the holes in the walls of a room through which the alleged dictaphone wires had been carried, after some of the alleged evidence had been published.

A dismissal without prejudice was asked by the attorneys for Coleman, in the damage suit, after a jury had been sworn in before Judge Rice.
