# HIGH SCHOOLS TO CLASH

## WASHINGTON AND JEFFERSON TO PLAY ANNUAL GAME.

## Coach Rinehart's Players Hope to Overcome Heavyweights if Field is Dry and Speedy.

The annual Washington High-Jefferson football game will be played on Multnomah field, starting at 3 o'clock this afternoon. The Washington eleven will outweigh the Jefferson players an average of more than 13 pounds to the man; but with a dry field Coach Rinehart's players hope to offset this handicap.

## Amateur Athletics.

The Portsworth Grammar School soccer football team was victorious over the Highland School team, 4 to 0, on the Columbia Park grounds yesterday. Captain Norton, of last year's champions, scored two goals, as did White, of the same team.

Coach Bortleske and 15 Lincoln High football players will leave this afternoon for Hoquiam, Wash., where they will play the High School eleven of that place tomorrow. Several of the local stars are out of the game on account of injuries from the Portland Academy game last Wednesday with Hanson in the most serious condition. The Lincoln High schedule is one of the hardest of any of the local teams as it has had to play championship games on each of the last three Wednesdays and this week they play two hard games. Following are the players who will accompany Coach Bortleske this afternoon: Captain Mulkey, Howard, "Tiny" Finkle, Condit, Busch, Johns, Holt, Freeman, Clewin, Ray, Groce, Tannanese, "Rusty" Groce, "Darkhorse" Newman Booker and Peterson.

The Chapman Grammar School soccer team downed the Selwood eleven, 1 to 0, on the Sellwood grounds yesterday afternoon. After a sensational pass from Williams, Oliver shot the only goal of the day.

John Swint would like to arrange several football games for the East Portland football team. Write to him in care of D. B. McBride, in the Royal building.

The Kerns Grammar School soccer football team proved too much for the Shaver eleven and it went down to a 4-to-0 defeat on the Columbus Club grounds. Hutchinson, Davis and Greece were the stars of the day.

The Jewish Boys' Athletic Club basketball team is in need of several games, both with local and out-of-town teams. Any manager desiring a game with last year's 145-pound city champions write or telephone to Manager Hyman Schwartz at the Franklin Hotel.

# TELEGRAPHIC SPORTING BRIEFS

## CHICAGO, Oct. 30.—President Murphy, of the Chicago Nationals, today declared he had found considerable justice in the reforms the Ballplayers' Association proposes to ask of the major leagues. He said the players probably would receive better attention from the clubowners if they were represented by an active ballplayer.

## Chicago—Chicago University and the Notre Dame—Notre Dame University football squads departed today for West Point, where the eleven will meet the Army team Saturday.

## Annapolis—Using almost every variety of attack, the Navy's varsity eleven today was put through the longest practice period of the season. A feature of the workout was the excellent punting of Bloodgett.

## Syracuse, N. Y.—Watched by Connie Mack, leader of the world's champion Athletics, the Syracuse University football team carried Justin along for several weeks and then let him go to the Portland Colts. After a few weeks there Nick Williams released him and he signed with Spokane, eventually finding himself back in California among the tule reeds.

## Fitz, it is reported, rediscovered his battling orb among the semi-pros late in the Fall, so may get another trial in the Coast circuit next March. But for 1913—count Fitz among the lemons.

## TINKER SIGNS WITH CINCINNATI

## President Hermann Retains Manager Who Criticized His Methods.

## CINCINNATI, Oct. 26.—Manager Joe Tinker, of the Cincinnati National League club today signed a contract to manage the team for the season of 1914. The signing followed a long conference between Tinker and President Hermann at which the policy of the club for next year was discussed.

## The attaching of the name of Manager Tinker to contract sets at rest the many rumors that have been circulated to the effect that Tinker would not be retained because of a statement given out in Philadelphia last summer in which he severely criticized Hermann's methods of interfering with what Tinker believed were the duties of the manager. At that time Tinker insisted that he could not build up a good team if President Hermann continued to make trades without consulting him.

## It was decided that the team will train at Alexandria, La., next Spring.
