REAL ESTATE.

IF YOU WANT LAND HELP WE WILL GIVE YOU START.

Tou can start with less money at Los Molinos, Tehama County, California, than anywhere else in the U.S.—less than it will cost you to rent. No need to wait years to save up money to carry you and let land rise in value till it is out of your reach. This land will support you and pay for liself in a short time. Some farmers got crops this year worth what they paid for the land. We are able and willing to Cyrry you at a live rate of interest and give you practically all the time you want to pay for the fand.

We will also provide you money to buy dairy cows whoh you can pay for with half your cream receipts. Hur the cows where you like — we simply supply the money.

where you like — we simply supply the money.

We had twice as much water for irrigation as we could use hast season—the driest Culifornia has over soen. There will never be a shoringe. That is the most important thing to consider in locating in Culifornia. Don't locate where water is scarce dry years when prives are high. That's when you make money.

Tracts 5 acres and up. Close to town and school. No better alfaifa land anywhere—10 tode per acre, or ensuigh to support more than one cow per acre the entire year. Three creameris compete for your cream and call as your doer. Dairymen are now being paid \$15,000 a month by creameries. creameries.
This is a chance to get a start. A few etly improved tracts on almost same ms as unimproved. These will go quick.

Call at once on TERRY & HARRIS (INC.). 212-29-21-22-23 Yeon Bidg., or write Los Molinos Land Company. Los Molinos, Cal.
