The Gift of Gifts--FURS

May Be Selected in the Latest Styles and Guaranteed Qualities at Unusual ECONOMY PRICES

In This Xmas Sale of Fur Scarfs and Muffs

—If it is to be a gift for the little girl, or the girl in her teens, or for mother or sister—it may be chosen in this sale.

—No matter how humble the fur or the price may be—it is genuine. Moreover, we do not handle any fur that we know will not give satisfaction. Besides, we protect our patrons, by giving our absolute guarantee. For this reason you need not hesitate to give Lipman, Wolfe furs for gifts.

—We quote comparative prices. WE DRAW PARTICULAR ATTENTION TO THIS FACT, inasmuch as it is not always customary for us to do so.

—Trade conditions, the worst ever known in the history of fur selling, make possible these deep reductions. In the East, where furs are considered an actual necessity, apart from being fashionable, weather conditions have been such that the wearing of furs has been absolutely impossible. The weather, AS YOU HAVE NO DOUBT READ ABOUT IN THE PAPERS, has been like Summer. Light gowns and Summer fabrics being more appropriate than Winter apparel.

—The bulk of the furs on sale come from three of the foremost manufacturers in New York. They were compelled to find a market for the immediate disposal of their surplus stocks.

—Their predicament enables us to offer economies WORTH WHILE.
