

VISESECTION HOBBY PASTIME GENSURED

Animals Get as Much Out of Life as Humans, Thinks Chicago Professor.

BIRD CLOSED SEASON ASKED

Congressional Committee to Determine Whether Textbooks Teach Cruelty Also Urged—Change Pulpit Talks Proposed.

WASHINGTON, Dec. 11.—"Visesection in the hands of those without sympathy always will be abused, always will be what it is today, largely a pastime and a hobby," said Professor J. Howard Moore, of the Crane Technical High School, Chicago, in addressing the International Anti-Visesection Congress here today.

"If I were making a world and could arrange it as I wanted to," said Professor Moore, "only humanitarians would be allowed to practice visesection. Only those would be allowed to practice it who would be as economical in inflicting pain on others as they would be in inflicting it on themselves.

"Visesection rests on tradition. The favorite fiction of those who practice it is that 1000 dogs or monkeys or guinea pigs are less consequence than one human being.

Ho! for the snow.

The King of winter sports is best enjoyed by the boy or girl who owns and steers the only sled with grooved runners. This makes the Flexible Flyer the swiftest sled ever made, and increases the fun of coasting.

Flexible Flyer

Sure of control, light to pull up hill and so strongly constructed it outlasts 3 ordinary sleds. Insist on the genuine Flexible Flyer with the spread-eagle trademark. No boy or girl will be satisfied with any other sled.

Seven sizes, carrying 1 child to 6 grown-ups. If your dealer can't supply your order to us and give us his name. We will ship—express prepaid east of the Mississippi—upon receipt of price named here. Look for the spread-eagle trademark and insist on the genuine.

Unless it bears this trademark it isn't a Flexible Flyer.
