The Xmas Store of Courtesy, Service, Broad Aisles, Attentive Clerks, Satisfaction

"The Wail of the Fur Dealers" Is Still Heard Throughout the Land

—In New York and throughout the Eastern States Winter has failed to make an appearance. The complaints of the fur manufacturer still resound. The fur business is a failure, the weather is too warm, "We are up against it" are familiar expressions.

—Not a cheerful report can be obtained. These conditions have brought to us quantities of furs—greatly underpriced. Sharp buying, interested customers are crowding our fur section taking advantage of **authentic price economies** purchasing furs for Christmas gift giving and personal use.
