MANY UNEMPLOYED. TO GET JOBS TODAY

City Hires First 25 but Preparation of Lists Delays Start.

BUSINESS MEN TO HELP

With Nearly 5000 Applications on File Commission Arranges to Employ 1100 at \$3 a Day and Other Work Is Found.

With close to 5000 applications for work on file in the places selected by the city for the receiving of applica tions under the relief labor system, the city will commence taking on large gangs of men today. It has been arranged to put about 100 men to work yesterday but because of the inability of clerks to get out notices on time it was possible only to put about 25 men to work. These men worked yesterday and will work again today. They will then be laid off for a week and their places given to othera.

In addition to those given work yes-

torday arrangements have been made for 45 laborers at Laurelhurst Park and 50 at Mount Tabor Park, all to com-mence work this morning at 8 o'clock. mence work this morning at 8 o'clock. The men for the work were selected yesterday from the list of applications found in the offices of the Civil Service Board at the City Hall. To comply with the provisions of the city charter it has been found necessary to exhaust the civil service list before taking on any others. Letters were placed in the mail yesterday morning to all persons on the eligible lists notifying them that they can get work today or Monthat they can get work today or Mon-day by applying. They are asked in the notices not to accept the work if they can find anything else to do, inasmuch as the work is being pushed through for the benefit of persons who

Monday morning the city will draw the first of the list of men from the applications on file at the Municipal applications on file at the Municipal Free Employment Bureau. Preference will be given to married men. Those selected will be given two days' work each week as long as the city relief funds inst. All will be required to do a full day's work and will be paid \$3 a day which is the city's scale for laborers. The crew which goes on Monday will be kept at work until Tuesday night, when all will be paid and discharged and a new gang put to work Wednesday morning. The crews will alternate in such way that all unemployed will be given at least two hydrogen as John Marganet Weeks, as Rose de la Noye, showed herself possessed of more than usual dramatic ability. She played the part of the self-willed, adventurous, capable, leyous, Puritan maid, in a most capable manner. Ellen Jackson as Mirism Chillingsley, and Marian Bennett as the strong Puritanic aunt, Resolute Story, were showed to good advantage. The male members of the cast provided equally good interpretations of their parts. Ralph Winchell as Garrett Weeks, as Rose de la Noye, showed herself possessed of more than usual dramatic ability. The City Commission at a meeting
yesterday passed an emergency ordinance providing for the hiring of 1100
men each day in addition to the crews
engaged from the civil service lists.

Business Men Ald.

That the business men and firms of the city are anxious to help the city out in its plan is apparent from the receipt yesterday by Commissioner Dieck of 32 letters from business men, Dick of \$2 letters from business men, who are willing to pay the cost of rounding off the curb corners in front of their property. This will give many men work. Thursday night Commissioner Dick dropped 150 letters in the mail to business men, asking them to stand the cost of the curb-rounding so that the unemployed can be given work. By return mail \$2 letters came back accepting the plan and agreeing to pay the cost of the work. This will give work to a large number of men. It is expected there will be many more re-

turns from the letters today.

The men who will be put to work today in Laurelhurst and Mount Tabor Parks will put through important permanent improvements. In Laurelhurst Park they will construct trenches in which to lay water mains and in Mount Tabor Park they will construct a driveway leading northerly from the southwest entrance to the park.

SCHOOL TAX IS ATTACKED

Women Circulate Petition Despite Ruling Work Is Useless.

Several woman have been circulating a petition in Irvington Park and elsewhere declaring that the recent school tax levy of 7.5 mills was illegal and should be declared votd. One woman who has been circulating the petition stated that it contains 950 names, and that all that is needed to render the tax levy null and void is to obtain a total of 1301 signatures. She says that 1300 persons attended the taxpayers' meeting and voted, and that by promeeting and voted, and that by pro-curing one name more than the num-ber who voted at the meeting the whole results of that meeting can be declared illegal. It is proposed, she said, to submit the petition when 1891 or more names have been procured to Gov-ernor West, the State Superintendent of Public Instruction and the At-turner-General.

In the petiton it is not forth why In the petition it is set forth why
the proceeding are said to be illegal.

Before the circulators of this petition started out, however, they were
advised by District Attorney Evans
that their work would be wasted as
the meeting was legal and its work
would stand. They are going on to
get the 1391 names to the petition and
pass it up to the Governor and State
Superintendent.

This catsue, which arrived in Portland November I, consigned to the Hudson & Gram Company, wholesalers, bore the label, "Luxury Brand, guaranteed under the food and drug act."

A chemist's analysis, made in San Francisco, from whence the catsup was shipped by the Sunlit Fruit Company, showed that the stuff contained an excessive number of bacteria yeasis and spores, with much mold, and also was adulterated and partially decomposed.

This information was received December 17, by District Attorney Reames from Secretary of Commerce Houston, and was the basis of complaints filed Thursday by Assistant District Attorney Sumrail against this consignment and another received by the Martin Marks Coffee House.

Of the 200 cases in the first shipment only two and a half remained unsold to be seized by Deputy United States Marshal Becker this morning. Eight and a half cases were seized at the Marks Coffee House, where but little had been sold.

Each case contains 10 one-gallon cans, so the people of Portland have either eaten or may eat 2000 gallons of catsup that has been declared unfit for food.

BOSE O' PLYMOUTH" RANKS TO HIGH STANDARD.

Audience Fills Auditorium When Quaint Drama of Colonial Days Is Presented by Strong Cast.

Before an autdlence which filled the Washington High School auditorium, the quaint play, "Rose, o' Plymouth," was produced last night by two of the was produced last night by two of the literary societies of the school, the Phrenodiken and the Eukrineon. This, the fourth annual production by these two societies, ranked up to the standard of their preceding plays. The cast was an excellent one, and the setting entirely in keeping with the story of the play.

The historic Captain Miles Standish added a touch of familiarity to the play, and the fact that Catherine Alexander, who took the part of Barbara Standish, wife of the Captain, is a direct descendant of John Alden, added a persendant of John Alden, added a personal interest to her interpretation of the part. Her use of the flax wheel which was brought over in the May-flower made the scene the more at-tract. Margaret Weeks, as Rose de la

Franklin Fowler as Miles Standish, Hiram Humphrey as John Margeson, and Ernest Fatland as Phillipe de la Noye, might well have been taken for members of the early Puritan colonies instead of 20th century high boys. Much of the credit for the suc-cess of the play belongs to Miss Hen-drickson, who directed the production. The cast was as follows:
