Lloyd Frank, which has been on trial in Judge Davis courtroom since last Tuesday, rested its case late yesterday.

Whether the case will be in shape for the jury by tonight is doubtful. It depends considerably on the length of the arguments of the opposing lawyers, as the rebuttal testimony in behalf of Mrs. Gerlinger probably will be completed this morning. Mrs. Gerlinger, the first witness in rebuttal, gave her testimony before court adjourned. Her former husband, Edward Gerlinger, also was called by Arthur Moulton, her attorney, but he could not be found. A bench warrant out for Lloyd Breed, who is regarded as an important witness. Defy Blood Disorder BY Giving the Blood an Effective

The word Medicine is one of the most abused in our language. There are certain medicinal properties just as necessary to health as the food we eat. Take, for example, the well-known medicine, S. S. This famous blood purifier contains medicinal components just as vital and essential to healthy blood as the elements of wheat, roast beef, the fats and the sugars that make up our dally ration. As a matter of fact, there is one ingredient in S. S. S. which serves the active purpose of atimulating each cellular part of the body to the healthy and judiclous selection of its own essential nutriment. That is why it regenerates the blood supply; why it has such a tremendous influence in overcoming Rheumatism, Catarrh of the Stomach and intestines, skin eruptions and all blood troubles.

And in regenerating the tissues S. S. S. has a rapid and positive antidotal effect upon all those irritating influences that cause sore throat, weak eyes, loss of weight, thus, pale cheeks and that weariness of muscle and nervo that leads so many people into the dangerous path of stimulants and narcotics.

Get a bottle of S. S. at any drug store, and in a few days you will feel bright and energetic. S. S. While the hearing brought out no direct testimony bearing upon the new organization, it was the opinion expressed by many that the action of the civil Service Board will have the effect of bringing to an end the activities of the association.
