This Removes Hairs Almost Like Magic (Helps to Beauty)

Much favorable comment is being made upon the new formula for removmade upon the new formula for removing disfiguring hairs. One aerlous objection arises and that is, any woman can employ this treatment in her own home and thus deprive the beauty specialist of her fee. For the benefit of others, the formula is here repeated. Mix some delatone with water; apply to hairy surface and in 2 or 3 minutes rub off and with it comes every hair. The skin should then be washed to free it from the remaining delatone.—Adv. it from the remaining delatone.-Adv.
