MY DOCTOR
Has ordered me to leave this climate immediately. To secure money with which to go I am forced to sell my home.

I have a quarter block close in, with cozy 6-room house, nicely finished; cement basement and up to date. For years I have worked up the place by planting fruits, berries, flowers, shrubbery, etc., all of which is now in full bearing. Halsey street carline two blocks. It is an ideal home for a poor man, as he can save rent and get his entire living from the garden and have plenty of fruit and vegetables to sell for pin money.

I must have money to save my health and will sell for $2150. Will give some terms if desired.

See my agents, St. Charles Land Co., 304 Morrison st.
