EXPORT PUMERS HEARD TALK OF FOREIGN SALES LIFTS PRICE OF WHEAT.

Early Tone Depressed, Owing to Ample Snow Protection for Most of Winter Crop of Grain.

CHICAGO, Feb. 24.—Rumors of export sales had considerable to do today with rallying the price of wheat. Largely in consequence, the market, which early in the season had been depressed, closed steady at an advance of 1/4 to 1/2 cent.

Ample snow protection for most of the winter crop was the chief reason why the price advanced. It was the first part of the year that the price of wheat had advanced so far.
