

TRANSPORTATION IS FRUIT MEN'S TOPIC

Rates to Foreign Ports Via Canal to Be Studied by Northwest Growers.

DITCH BENEFITS SOUGHT

Land Traffic, Refrigeration Problems and Market Conditions and Possible New Fields to Be Investigated by League.

Representatives of nearly every fruit producing center of the Northwest participated in the first conference called by the committee of the Fruit-growers' Transportation League at the Commercial Club yesterday.

The Fruit-growers' Transportation League was initiated a short time ago under the auspices of the Commercial Club and the Chamber of Commerce jointly, for the purpose of considering methods of improving transportation and marketing conditions for the fruit output of the Northwest, and the conference yesterday was the first it had called, with representatives from all sections of the Northwest.

The problem of transportation was discussed from every possible phase and a committee was appointed for the purpose of preparing statistics and other complete information for use in conferring with steamship companies which will ply boats through the canal, regarding rates of shipment to foreign ports.

Conditions to Be Studied.

It is intended to send special men into the fields that are to be entered to study the market conditions, to send a man through the canal to study the specific problems of refrigeration that arise and to work in an exhaustive manner to cover every possible phase of the transportation problem for fruitmen of the Northwest in the increased marketing demands that will arise with the opening of the canal.

The meeting yesterday expressed its indorsement of the plan of the league in the following resolution:

"Resolved, That it is the sense of this conference that we fully recognize and indorse the importance of the Fruit-growers' Transportation League as an immediate necessity of the fruit industry and that we strongly recommend that all Northwest organizations in districts naturally tributary to the Columbia River gateway affiliate at once with the league, upon the present basis of membership offered, until such time as the co-operative representation by all districts in its management is more fully decided upon."

Various Sections Represented.

The representation was distributed as follows: The North Pacific Fruit Distributors' Association of Hood River; J. C. Robinson, traffic manager of the Northwest Fruit Exchange; A. P. Bateham, vice-president of the Northwest Fruit Exchange; A. Pasch, of Hood River; E. H. Shepard, of Hood River; Scott Sweland, of Vancouver; A. W. Allen, of Dundee; C. R. McKinley, of Vancouver; C. A. Margaret, of Mosier; J. O. Holt, of the Northwest Cannery Association; H. B. Miller, A. Rupert, H. T. Powers and C. A. Malboeuf, manager of the new Fruit-growers' Transportation League.

Among the delegates present were H. C. Thompson, traffic manager of the Spokane Chamber of Commerce and secretary of the North Pacific Fruit Distributors; Wilmer Sieg, sales manager of the Apple Growers' Association of Hood River; J. C. Robinson, traffic manager of the Northwest Fruit Exchange; A. P. Bateham, vice-president of the Northwest Fruit Exchange; A. Pasch, of Hood River; E. H. Shepard, of Hood River; Scott Sweland, of Vancouver; A. W. Allen, of Dundee; C. R. McKinley, of Vancouver; C. A. Margaret, of Mosier; J. O. Holt, of the Northwest Cannery Association; H. B. Miller, A. Rupert, H. T. Powers and C. A. Malboeuf, manager of the new Fruit-growers' Transportation League.

BEST LAXATIVE FOR BOWELS—"CASCARETS"

They Clean Liver, Sweeten Stomach, End Sick Headache, Bad Breath, Indigestion, Constipation.

Get a 10-cent box. Are you keeping your bowels, liver and stomach clean, pure and fresh with Cascarets, or merely forcing a passage-way every few days with salts, cathartic pills, castor oil or purgative waters?

Stop having a bowel wash-day. Let Cascarets thoroughly cleanse and regulate the stomach, remove the sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken or cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.—Adv.

and have put them on the right track. We have helped them to get started right after leaving prison and while they were in prison we have cared for their families.

Judge Stevenson, of the Municipal Court, and Chief of Police Clark also spoke. District Attorney Evans was chairman of the day.

Tillamook Candidates Appear.

TILLAMOOK, Or., March 4.—(Special)—There is a little more activity in politics the past few days. County Judge Mason has decided that he will not seek a renomination, in opposition to A. M. Hare, who had announced himself as a candidate. Hare has been mentioned to be a candidate again and will be opposed by Emmet Beals. County Treasurer Beals is also a candidate, but to date no one has been mentioned to contest the primary election with him. County Surveyor Jack, son will be opposed by Ross L. Shreve, and County Clerk Holden will have an opponent in George E. Lamb, former County School Superintendent and County Clerk.

FIRST USE OF RESINOL STOPS TERRIBLE ITCH

When Other Treatments Gave No Relief. Suffered 8 Years, but Resinol Cured in a Week.

Jan. 27, 1914: "I suffered over eight years with eczema. It started in one little place and kept spreading until it covered my hands. My hands looked like they had been burned by fire and peeled off in large pieces until they were only raw flesh. I was told it was eczema. It itched and burned me so that I could not sleep at night. I tried all sorts of ointments and one prescription after another but nothing gave me any relief until I tried Resinol Soap and Resinol Ointment, and after the first application my hands never itched or burned again, and were well in one week. I want every sufferer from eczema to know that they can find a cure in Resinol. (Signed) Miss Ethel Scott, Millstead, Ga.

Physicians have prescribed Resinol for fifteen years, for all sorts of skin troubles, pimples, dandruff, sores, ulcers, burns, wounds and piles. Every druggist sells Resinol Ointment and Resinol Soap, but for trial size, free, write to Dept. 2-R, Resinol, Baltimore, Md. Do not be deceived by imitations.—Adv.

WOMAN COULD HARDLY STAND

Because of Terrible Backache. Relieved by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I suffered from displacement and inflammation, and had such pains in my sides, and terrible backache so that I could hardly stand. I took six bottles of Lydia E. Pinkham's Vegetable Compound, and now I can do any amount of work, sleep good, eat good, and don't have a bit of trouble. I recommend Lydia E. Pinkham's Vegetable Compound to every suffering woman."—Mrs. HARRY FISHER, 1642 Juniata Street, Philadelphia, Pa.

Another Woman's Case.

Providence, R. I.—"I cannot speak too highly of your Vegetable Compound as it has done wonders for me and I would not be without it. I had a displacement, bearing down, and backache, until I could hardly stand and was thoroughly run down when I took Lydia E. Pinkham's Vegetable Compound. It helped me and I am in the best of health at present. I work in a factory all day long besides doing my housework so you can see what it has done for me. I give you permission to publish my name and I speak of your Vegetable Compound to many of my friends."—Mrs. ABRIL LAWSON, 126 Lippitt St., Providence, R. I.

Danger Signals to Women

are what one physician called backache, headache, nervousness, and the blues. In many cases they are symptoms of some female derangement or an inflammatory, ulcerative condition, which may be overcome by taking Lydia E. Pinkham's Vegetable Compound. Thousands of American women willingly testify to its virtue.

MAKES RHEUMATISM PROMPTLY DISAPPEAR

Chronic, Crippled-up, Sufferers Find Relief After Few Doses of New Remedy Are Taken

It is needless to suffer any longer with rheumatism, and be all crippled up, and bent out of shape with its heart-wrenching pains, when you can surely avoid it.

Rheumatism comes from weak, inactive kidneys that fail to filter from the blood the poisonous waste matter and uric acid; and it is useless to rub on liniments or take ordinary remedies to relieve the pain. This only prolongs the misery and can't possibly cure you.

The only way to cure rheumatism is to remove the cause. The new discovery, Croxone, does this because it neutralizes and dissolves all the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they can filter all the poisons from the blood and drive it on and out of the system.

Croxone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles, and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are or how long you have suffered; it is practically impossible to take it into the human system without results. You will find it a relief from the first few doses, and you will never suffer again. It is a cure for your misery and suffering life end.

An original package of Croxone costs but a trifle at any first-class drugstore. The druggists are authorized to sell it on a positive money-back guarantee. Three doses a day is often all that is ever needed to cure the most stubborn or overcome urinary disorders.—Adv.
