AM looking for a man who wants a posi-tion, not a job. There is a big difference. I want a man who is not content to re-ceive each pay day but little more than enough to meet actual accounts. ceive each pay day but little more than enough to meet actual expenses. I want a man who FEELS he has the ability. KNOWS he has the backbone and is WHLLING and KEEN to tackle a business which is making other men \$5000 a year and more without any of their own money invested. Perhaps you are one of the many holding down a job when you have the ability to fill a position. Are you advancing from year to year, both financially and otherwise, as much as you feel you, are capable of doing? If you are not, get out of that rut and come up and see me. I want a LIVE WIRE who is making a success selling goods and who is not receiving the money he thinks he should. Show me you can qualify and I will show you how you can make \$5000 a year with the most progressive institution of its kind on the Coast. A. B.
