Hill's New Steamship Line

Just now, before the new California steamships, plying between Astoria and San Francisco, are put on, we have a few lots we will sell for one-third what adjoining lots have sold for. These lots are close in to the business conter lots are close in to the business center of Astoria, with city water, electric lights and more than 100 fine dwellings in front of them. Every lot is 50x100 feet, with streets 79 feet wide. Good streetcar service close to the lots that I am offering for \$150. Who wants these lots at that price on easy terms? Permember that Astoria is the scaport of Oregon, and they are now arranging to spend millions of dollars on seawalls, ettly, municipal docks, Columbia highway and other public work. The title is perfect to all of these lots. J. J. Hill rathroad and steamship interests will is perfect to all of these lots. J. J. filli make Astoria a city of 100,000 population within a very short time. I am going to sell these lots at \$150 each notwithstanding it is generally known that they are now worth four times that price, and within a short time there is no doubt but that they will sell for ten times the price I am new asking, but they must be sold now without delay. Call and inquire about this matter.
