

COAST LEAGUE MEN READY FOR START

Portland Opens at Sacramento, Oakland at Los Angeles, Venice at San Francisco.

REVIEW OF TEAMS IS MADE

Annual Overhauls Leave Most Clubs Changed, and Roscoe Pawcett Lists Shifts and Comments on Probable Effects.

BY ROSCOE PAWCETT. (SANTA CRUZ, Cal., March 24.—Special.)—With the opening of the 1914 Pacific Coast race only one week distant, the six managers have eliminated practically all the tares from the wheat.

Little planing of the rough edges; announcement of batteries for the opening games, and then the teams will be at it. Portland will open at Sacramento for the first time in history; Oakland at Los Angeles, and Venice at San Francisco.

Portland won the pennant in 1913 with a seven-game margin over Sacramento, nine-game margin over Venice and an 11-game edge on San Francisco. The finish found Los Angeles in fifth place and Oakland a hopeless tailender.

Arthur Devlin, of Oakland, is the only new manager to take the reins this Spring, but most of the clubs have undergone the annual overhauling. Hence, a brief review of the changes, with comments on the side, may be of interest to the fans.

Portland Changes Named. Portland—Walter McCredie, manager; three men lost to the Federal League, Catcher Berry, Pitcher Cray and Outfielder Chadbourne; Infielder Lindsay sold to New Orleans; Pitcher Hagerman to Cleveland and Pitcher James drafted by St. Louis. Outfielder Ryan will more than compensate for Chadbourne's defection; Berry likely will not be missed, nor will Lindsay.

For Davis showed superior class last fall. If the young pitchers come through, the Beavers will be stronger than ever; if not, the three veterans, West, Higgenbotham and Krause, are going to have a heavy burden to bear.

Portland lineup—Derrick, first base; Rodgers, Brashner, second base; Davis, Bancroft, shortstop; Kores, third base; Lober, Ryan, Doane, Milligan, Spear, center field; Flaxey, catcher; Higgenbotham, West, Krause, Peet, Hanson, Brown, Frambach, Salveson, pitchers.

Sacramento—Harry Wolverton, manager; one man, Infielder Kennerly, lost to the Federal; Catcher Bliss sold to Venice; Pitcher Williams drafted by Detroit; Outfielder Lewis sold to Spokane; Bliss likely will not be missed, but Kennerly will be missed.

Sacramento lineup—Tennant, first base; De Forrest, second base; Young, shortstop; Moran, Schwitter, Van Buren, center field; Hannah, Rohrer, Lynn, catchers; Arclanes, Klawitter, Stroud, Muzzey, Gregory, Cann, Kramer, pitchers.

Venice—Happy Hogan, manager; Pitcher Ferguson and Baum and Infielder O'Rourke, Starrett, Patterson and Brasner, outfielders; McGee, Pitcher Koestner drafted by Chicago Cubs; new men, Catcher Bliss, of Sacramento; Infielders McArdie, of Seals; Borton, of New York; pitcher, bought from Oakland, and Pitcher Henley, of Seals; Doc White of Chicago; Challeite, of Omaha; Powell of Louisville; Fishley, of Seattle; in Decannier, from Seals. Catching staff stronger; infield and pitching staff probably about same strength as in 1913, although California critics think both are stronger.

Venice lineup—Borton, first base; Leard, second base; Hesp, McArdie, shortstop; Litsch, McDonnell, third base; Kane, Egan, center field; Wilhoit, center field; Elliot, Bliss, catchers; Harkness, Klepfer, Hitt, Powell, Henley, Decannier, White, Challeite, Fishley, pitchers.

San Francisco—Del Howard, manager; Infielder McArdie and Pitcher Henley traded for Pitcher Baum. O'Leary will more than compensate for McArdie. Baum is a good twirler and will make up for Overall's loss. Tozer, ex-Angel, is as good as Henley. Outfielder Jimmy Johnson was drafted by Cubs and his loss will be irreplaceable, unless Justin Fitzgerald, ex-Beaver, comes back to his 1912 form. If he does, the Seals will be very strong.

San Francisco lineup—Howard, Cartwright, first base; Downes, Charles, second base; Corhan, shortstop; O'Leary, third base; Fitzgerald, Munnorff, Hogan, Tobin, Schaller, center field; Schmidt, Claude, Sapp, Wedo, catchers; Fanning, Lefield, Baum, Tozer, Pernoll, Standridge, Hughes, Arlett, pitchers.

Los Angeles Shifts Made. Los Angeles—Frank Dillon manager; Outfielder Krueger and Infielder Goodwin gone to Federal League; Pitcher Tozer released; Outfielder Wotell traded, and Howard drafted by St. Louis; Abstein, ex-Pirate, new first baseman; Wolters, of New York, groomer for Howard's place; new twirlers, Love and Hughes, of Washington; Calvo, of Washington, utility gardener. Outfield looks weaker; infield trifle stronger and pitching staff slightly bolstered.

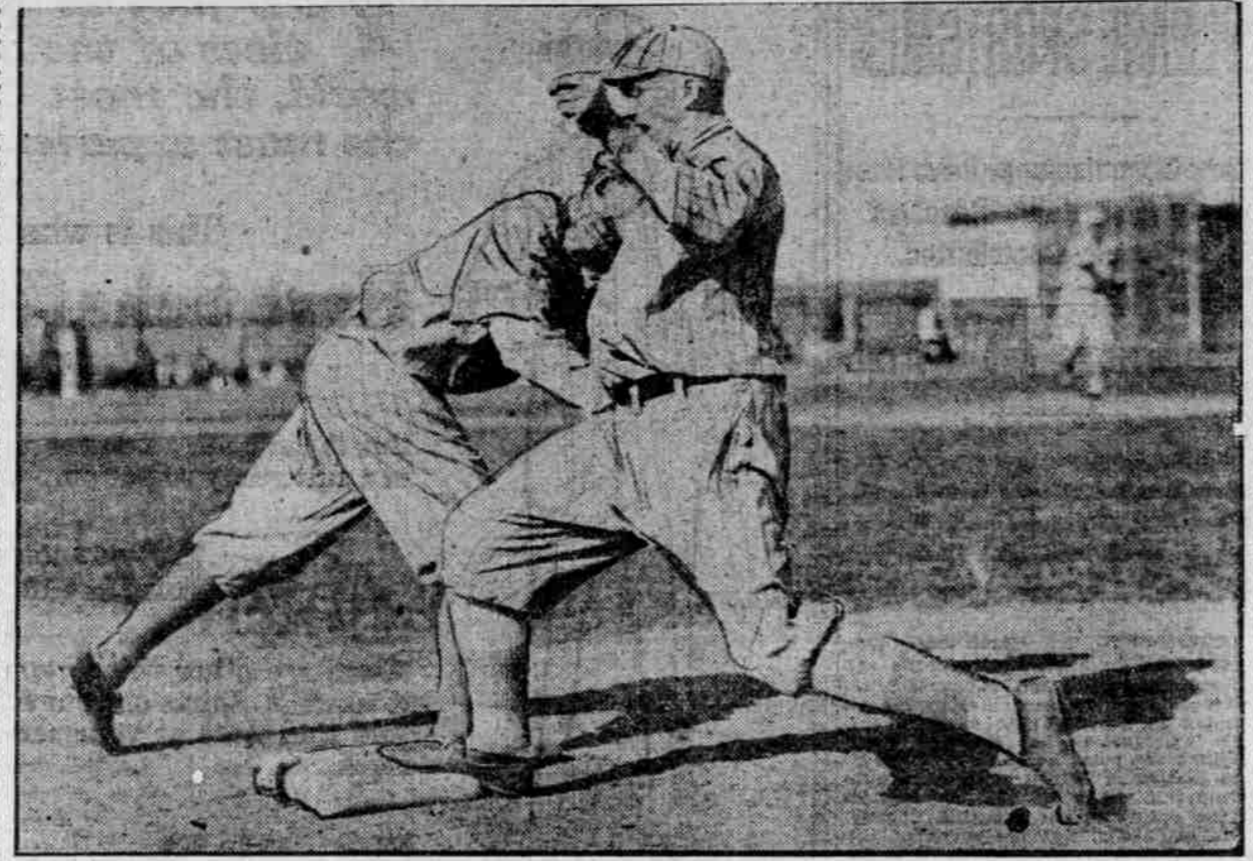

Los Angeles lineup—Abstein, first base; Moore, Page, second base; Johnson, shortstop; Metzger, Sawyer, third base; Wolters, Magrett, Ellis, Calvo, Harper, center field; Boles, Brooks, Meeks, Hoffman, catchers; Peritt, Crabb, Ryan, Chech, Hughes, Love, McHenry, pitchers.

Oakland—Arthur Devlin, manager; Second Baseman Leard sold to Venice; Catcher Rohrer to Sacramento; Pitcher Ables resigned position and Buck O'Brien released back to Chicago; outfield much improved by virtue of Middleton, Western League draft, and Quinan, of St. Louis; infield weaker unless youngster, Murphy, offsets Leard's speed with good hitting; pitching staff about the same; neither Ables nor O'Brien was of much use in 1913.

Oakland lineup—Ness, Gardner, first base; Murphy, Gust, second base; Cook, shortstop; Helling, Devlin, third base; Middleton, Zacher, Coy, Quinan and Kaylor, center field; Mitzs, Alexander, Arbogast, catchers; Maloney, Killipay, Pruiett, Christian, Geyer, Rankamp, Ramey, Loomis, pitchers.

McLean, who was with the Beavers last year, is being given a chance to show his speed and power. He is expected to be a valuable asset to the team.

Sacramento lineup—Tennant, first base; De Forrest, second base; Young, shortstop; Moran, Schwitter, Van Buren, center field; Hannah, Rohrer, Lynn, catchers; Arclanes, Klawitter, Stroud, Muzzey, Gregory, Cann, Kramer, pitchers.

WOODLAWN CLUB TO PUT ON BOXING SMOKER.
Chief Contest to Be Between Hyberg and Groat—Gordon, Fighting Newsboy, Also Feature of Card.

The semi-annual meeting of the Lincoln High School Athletic Association will be held in the school auditorium today after school. The election of the 1914 football manager and the board of directors will be in order as well as awarding letters to the 1914 basketball and soccer men of the school.

The wet and cold weather of the past two days has put a damper on real hard workouts of the various baseball teams of the Portland Inter-scholastic League. The first game of the local league will be played April 1 between the Portland Academy and the Columbia University.

The Jefferson High lightweight basketball team downed the Washington High team 29 to 27 in the losers' gymnasium Monday. Williams and Williams were the bright and shining lights for the winners.

Another smoker has been arranged for the Woodlawn Athletic Club by Manager Ambrose to take place in the club gymnasium tomorrow night. At the last smoker the seating capacity was not arranged right, but Manager Ambrose had the entire bleacher seats removed last night and has changed the position of the ring.

The club is at East Thirteenth and Dekum streets and may be reached by Woodlawn streetcar.

The main bout of the evening will be between Hyberg, unattached, and Groat, of the Beaver Club, at 150 pounds. This is the first meeting of the two boys and a lively match is expected. Whichever of the Woodlawn Club, who made a sensational start at the last smoker, will appear in the ring tomorrow on account of illness.

The first appearance since his reinstatement of Abe Gordon, the fighting newsboy, is scheduled for tomorrow, as well as the second meeting of Sommers and Parslow, and Don Derbyshire and Courtney. The first bout will start at 8:15 o'clock. Len Powers will officiate as referee in all but the main bout. Final selection of an arbiter for this match will be made by Manager Ambrose.

Following is the programme:
100-pound—Abe Gordon, Newsboys, vs. Sherman, Alberta Club.
112-pound—Frisbie, Woodlawn Club, vs. Custer, unattached.
120-pound—Peak, Woodlawn Club, vs. Billy Mace, unattached.
130-pound—Burg, Woodlawn Club, vs. Trombetta, Newsboys.
140-pound—Courtney, Woodlawn, vs. Derbyshire, unattached.
140-pound—Kell, Woodlawn Club, vs. Wagner, unattached.
150-pound—Sommers, Woodlawn Club, vs. Parslow, Multnomah Club.
150-pound—Hyberg, unattached, vs. Groat, Beaver Club.

WHITMAN MAY COMPETE
TWO MEN LIKELY WILL BE ENTERED IN COLUMBIA MEET.
Coach, in Reviewing Material, Says Vacancies by Graduations Will Leave Team Weakened.

WHITMAN COLLEGE. Walla Walla, Wash., March 24.—(Special.)—Whitman probably will enter two men, Hoover, a hurdler, and McKay, a miler, in the indoor track and field meet to be held at Columbia University coliseum in Portland Saturday, April 18, according to a statement made by Archie Hahn, of the Whitman track team today, after Manager Lyman of the track team had announced that Whitman had received an invitation from Columbia University to enter the meet.

In reviewing his material Coach Hahn stated that owing to vacancies made by last year's graduating class and sickness this year Whitman's track team will not be strong. Hoover and McKay being at present, the only promising men on the squad. Captain Thomas, the Whitman quarter-miler, will be kept out of athletics this year on account of having recently undergone an operation for appendicitis, and Esteban, the miler, is expected to make a jump in the Whitman-Idaho meet last year, has not been in school this semester on account of ill health. There is not a man on the squad who has ever taken first place in a meet.

The Whitman inter-class meet will be held April 25, and Coach Hahn said he hoped to get all the material into shape in time to make the inter-class contest a fair tryout for the varsity team.

Only \$200 More Needed—Permanent Organization to Be Effected, With Clifford at Head.

BAKER. Or., March 24.—(Special.)—Baker fans subscribed liberally today for the Baker club in the Western Tri-State League, and tonight finds a total of \$1500 on the subscription list with only \$2000 needed to carry the Baker club into the 1914 race. The remainder is expected to come tomorrow in small blocks, today's subscriptions being in lots of \$50 and \$25 chiefly.

Roy Ritner, president of the league, who has been here since Sunday night aiding in financing the Baker club, found there was no opposition to baseball here, and that the letup in activities had been only because of Fendleton dropping out of the league and the uncertain position thereby held by Baker. The financing of the other clubs and start of training everywhere has and this is believed, caused the liberal opening of purse strings here today and yesterday, which brought the funds necessary to carry the club through the league.

A big committee of Baker business men went around to the various business houses today, and all who had put their names on the list subscribed. A meeting of the stockholders will be called in a few days and a permanent organization effected. Harold H. Clifford will remain at the head of the team here. Efforts will be made to have the local club start training at once.

WHITMAN BALL FANS HAPPY

Spring Contest With Bears Show College Team Is Strong.

WHITMAN COLLEGE. Walla Walla, Wash., March 24.—(Special.)—Whitman ball fans are jubilant over prospects for the season. An abundance of new and promising material has shown up. The Spring contests with the Walla Walla professional team, the Bears, afford a line on college prospects.

Last week the college men beat the Bears in two games played. Three games are scheduled for the present week. The most promising men in the pitcher's box are Baker, '17, who got his first experience last year, and Henderson, '18, a freshman, from Milton, Or. Hahn, '17, from Sunnyside, is the strongest man who has so far shown up for catcher, though Neals, '18, is a good substitute. Captain Fulton, Gale, '14, of Seattle, is hopeful of a championship.

Smelt Run Is Heavy.
An unusually large run of smelt has reached the Sandy River at Troutdale. The run started Monday, when the water was muddy. The fish were not noticed until yesterday morning, when the water cleared. W. Crawford, of Troutdale, discovered the fish.

Amateur Athletics.
The second baseball game between Room Z of the Couch school and the Young Olympics Club will be played on the West End grounds Saturday morning. The first game resulted in a 3-to-6 victory for the club team. Harold Ernest and Wesley McPherson will appear as the battery for the Room Z squad, and Norman Buoy and Chester Rushmore will be in the points for the Olympics. Harvey Joe, a Chinese boy, is the relief backstop for the club team.

By a score of 13 to 6 the Pawnees had little trouble in defeating the Forsters on the Fulton grounds Sunday. Manager Morgan of the winners is pleased at the good showing made by the team along the batting lines so early in the season.

In the opening clash of the baseball season on the Jefferson High grounds the Overlook Club took the Royal Club Boosters into camp to the tune of 9 to 2. For the winning team Herbig, now under contract to play with Walla Walla, featured at bat with two two-baggers and a home run. Sullivan twirled masterly ball and had his opponents at his mercy all the time. For the losers, Gota starred at bat and in the field. For games with the Overlook Club write Manager Herbert Zahl, at 825 Borthwick street, or call Woodlawn 3239.

The Ernest Grays would like to arrange a practice game for Sunday. Call Manager Clarence Heine, at Woodlawn 1395, after 6 o'clock.
