Ultimatum Regarded as Blunder.

The blunder General Paget made ap pears to have been in giving a practical ultimatum to the officers of the TINY MISS GUARDS MOTHER cavalry brigade to say whether they would take active service in Ulster or Registered Hog With Nose Ring Inaccept dismissal.

The Cabinet on Monday framed a reneral statement of the officers' position and duty under the law, and Colonel Seely admitted that his error mand for a written assurance that the mother's nose, Josephine Powell, covenanters.

Premier Asquith's statements that the officers should return to duty unconditionally were made in good faith, as a voter yesterday. not assent to the right of any body of was an incident of all registration. en in the service of the crown to demand assurances of what they would be required to do in circumstances which had not yet arisen.

Government Would Use Force.

Sir Edward Grey spoke even more strongly. He said:

"The government is prepared to us force to whatever extent is required to make the will of the country prevail. That is a contingency which cannot arise for a long time and we will still labor to avoid it."

Much of the oratory of the debate in the House of Commons today consisted tained a broken arm. of fiery denunciations of the military aristocracy.
