

RECALLED MAYOR LEADS IN TACOMA

Primary Indicates Fawcett and Rev. Mr. Stoever Will Be Mayoralty Candidates.

ELECTION SET FOR APRIL 21

Recalled Candidate Heads Preacher by 163 in 27 of 103 Precincts at Non-Partisan Vote—23,000 of 26,000 Go to Polls.

TACOMA, April 7.—For Mayor, 27 precincts out of 103 show Fawcett 155, Stoever 138, Burdick 478, Bone 477, Greer 477, Hays 299. Forty-five precincts show for Mayor: Fawcett 2896, Stoever 2415.

TACOMA, April 7.—Early returns on today's primary comprising about one-ninth of the city precincts indicate that Rev. C. F. W. Stoever, pastor of the English Lutheran Church, and A. V. Fawcett, recalled from the office of Mayor at a special election in 1911, will be the contenders for the Mayoralty at the final election on April 21.

Figures for 16 of the city's 103 precincts, scattered in various parts of the city, give Stoever a lead of about 83 votes over Fawcett, with none of the other candidates apparently in the race. Scattering early figures on the proposed creation of a port district indicate the defeat of the proposal. Vote on the two platoon system for firemen will be close.

Beautiful weather resulted in a heavy vote, available estimates being that 23,000 out of 26,000 registered went to the polls. For Mayor, 19 precincts complete give Stoever 1037, Fawcett 855, Greer 387. The voting today was non-partisan, under the commission form of government.

CANADA REDUCES FREIGHTS

Sanction Also Given to Special Rates for Big Industries.

OTTAWA, Ont., April 7.—Substantial reductions in freight rates are made in the decision handed down by the Railway Commission, which at the same time provides for new rate zones and standardization of tariffs.

All Canada west of the Great Lakes is divided into three zones. For each of these sections a standard of maximum freight rate has been set. While the Pacific section rates will be somewhat higher than those of the prairie and British Columbia sections, they will never be lower than the maximums now in force in Saskatchewan, Alberta and British Columbia, the provinces included in this section.

Sanction is given to special freight tariffs and of these Canada's large commercial and industrial centers would be the beneficiaries. Under them a reduction of 15 per cent of the prairie standard tariff may be made.

BAKER'S PLAY ERRORLESS

Despite Fact Bucks Get 10 Hits Off Miell They Are Unable to Put Across Needed Runs to Win.

Western Tri-State Standings. W.L.P.C. Walla Walla 3, North Yakima 2, Baker 1. W.L.P.C. North Yakima 3, Walla Walla 2, Baker 1. Baker 1, North Yakima 2, Walla Walla 3.

The Western Tri-State League season was inaugurated yesterday, with great crowds at Pendleton and Walla Walla, with two beautifully contested games, and every indication that the teams are closely matched. Baker defeated Pendleton at Pendleton 4 to 2 by bunting hits on "Mysterious" McClure in the second inning, while it took 10 innings to decide the fray at Walla Walla, which was won by the home team, Walla Walla 5, North Yakima 4.

The Baker Kubs played errorless ball and Pitcher Miell was superb in the pinches. He was hit freely, but it was not until the fourth that the Bucks could crowd a run across. A bevy of hits by the Kubs in the second netted three runs, and Baker's lead was never headed. The crowd was a record-breaker. The game was preceded by a great street parade and by ceremonies at the diamond. Score: R.H.E. Baker.....4 6 @Pendleton...2 10 2 Batteries—Miell and King; McClure and Whit.

"Bismarck—the Greatest of the Germans" BISMARCK, like all Germans, prized Personal Liberty as the breath of life—a NATURAL RIGHT to be guarded and defended at any cost. Among our millions of law-abiding German-American citizens there is not a man who does not consider it insolent tyranny of the most odious kind for any legislation to issue this command: "Thou shalt NOT eat this—thou shalt NOT drink that." Germans know that there is no evil in the light wines and beers of their fathers. EVIL ONLY IS IN THE MAN WHO MISUSES THEM. Fifty-seven years ago ANHEUSER-BUSCH founded their great institution upon the tenets of the Constitution of the United States. During these fifty-seven years they have honestly brewed an honest beer—the kind that has added to the temperance of nations. Their great brand—BUDWEISER—is demanded throughout the world. Its sales exceed any other beer by millions of bottles, proving it to be in a class by itself. Bottled only at the home plant ANHEUSER-BUSCH ST. LOUIS. BLUMAUER & HOCH, Distributors Portland, Oregon.
