

FILING TIME ENDS WITH 258 IN RACES

Number of Aspirants Establishes Record.

15 WOULD RUN FOR GOVERNOR

46 in Contest for Legislator From Multnomah County.

TOM KAY DOESN'T QUALIFY

Failure Viewed as Proof of Trick to Embarrass State Treasurer—System Criticized by Many as Virtually a Farce.

SALEM, Or., April 10.—(Special.)—Petitions and declarations of 258 aspirants for party nominations for state and district offices had been received by Secretary of State Olcott when the time for filing ended tonight. The number sets a new record, and a score or more of exciting contests are assured.

Contrary to general belief, the petitions were unusually accurate and complete. Mr. Olcott said at midnight that he did not believe any aspirant would be deprived of representation on the ballot because of a faulty petition. Many would have suffered, however, because of blunders in that line had not the Secretary and his corps of assistants pointed out errors to them in time for corrections.

Of the aspirants 139 are Republicans, 44 are Democrats and 15 are Progressives. In 1910, 81 Republicans and 23 Democrats filed, and in 1912, 125 Republicans and 53 Democrats filed.

New Law One Cause of Increase.

The increase in filings is due largely to an amendment of the primary law passed at the last session of the Legislature providing for aspirants for all except county offices to file with the Secretary of State. The change has greatly increased the work here and as a result Mr. Olcott has had day and night forces of clerks at work for more than a week and there still is a large amount of work to be done.

Of all the contests, that for Governor promises to be the most exciting. There are 15 aspirants for party nominations, a new record, and they are actively engaged in campaign work. Those seeking the Republican nomination are: Grant B. Dimick, Oregon City; A. M. Crawford, Roseburg; William A. Carter, Portland; T. T. Geer, Portland; James Withycombe, Corvallis; Charles A. Johns, Portland; Gus C. Moser, Portland; and George E. Brown, Oregon City. The Democrats are John Manning, Portland; C. J. Smith, Portland; A. S. Bennett, The Dalles, and Robert A. Miller, Portland. L. H. McMahan, P. M. Gill and G. A. Cobb seek the Progressive nomination.

46 Seek 12 Places.

That Multnomah County will be the battleground of exciting contests for representation in the State Legislature is indicated by the entrance of 46 aspirants, 35 of them being Republicans, four Democrats and four Progressives. There are 12 places to fill so just three-fourths of those now in the race will fall of the goal.

The contest for United States Senator, so far as the primary is concerned, is of little interest, for the Republican, Democratic and Progressive parties each has only one aspirant respectively, as follows: R. A. Booth, Eugene; George E. Chamberlain, Tillamook; and William Hanley, Burns.

N. J. Sinnott, Representative from the Second District, and aspirant for the Republican nomination, not only has it handed to him on a silver platter, so to speak, but he is without an opponent of any other party. In the First and Third districts there are numerous entrants.

Tom Kay Is Out.

As was generally expected Tom Kay, Governor Wesley's crusade detective, did not file his completed petition and so far as the Republican nomination is concerned he is not a factor. His failure to qualify is taken as proof by the friends of Thomas B. Kay, present State Treasurer and aspirant for the office again, that the announcement of the other Kay was not in good faith. It was considered from the start as a political trick intended to harass the State Treasurer.

It is predicted that next to the race for Governor that for Justices of the Supreme Court will give the most thrills. There are ten entrants and only four places to fill, so a majority of those seeking the privilege of wearing the ermine on the highest tribunal in the state will be disappointed. Of the entrants Thomas A. McBride, of Oregon City, is present Chief Justice, and Charles E. McNary, of Eugene, Chief Justice; T. J. Cleaton, of Portland, Circuit Judge; P. H. D'Arcy, ex-Mayor of Salem; William Galloway, of Salem, Circuit Judge, and S. T. Richardson, of Salem.

Democrats Lack Two Names.

Behind Justice Ramsey, Judge Galloway is the only Democrat who has announced for the office. It is understood that the Democratic leaders, to

F. M. Woods, a traveling man from Freeport, Ill., found him and proved a good friend. He took Jay to a hotel and the boy, bright as a new penny, held court in the lobby. Men and women from all parts of the world chatted with him, patted his head and gave him candy and toys.

"No, I ain't afraid," Jay told them, "but I wish I was in Portland."

MAN WITHOUT FOOD WEEK

Walker Held Snowbound in Mountains Rescued From Death.

MARSHFIELD, Or., April 10.—(Special.)—Alone in the mountains seven days without food, G. Gilbert, a man between 50 and 60 years of age, was too weak to walk to safety when found in the Edden Ridge country and was cared for two days before he was able to proceed.

Gilbert, who was traveling between Grants Pass and Coos County from Eden Valley took provisions for two meals, but night overtook him eight miles from any habitation and he put in a hunter's cabin. In the morning there was ten inches of snow and before the storm ceased, four feet had fallen.

Gilbert had no food for a week, but made a fire by tearing bark from the trees. He ate tender shoots, and he could find them near the cabin. He was found by two Salvation Army men.

The men of San Jose have declared a ban on the shave shops. Long hair and whiskers, from now on, will be the rule rather than the exception in San Jose, it is said.

TREATY PUTS TOLLS ISSUE IN NEW LIGHT

Colombian Terms Approved by Britain.

CLAUSE DUPLICATE OF OLD

American Right to Grant Exemption Once Conceded.

O'GORMAN ARMED AFRESH

Chairman of Senate Committee Finds Material in Secretary Bryan's Admission for Opposition to Repeal of Exemption.

WASHINGTON, April 10.—Free use of the Panama Canal by Colombian men-of-war, troopships and army and navy supply vessels is proposed in the new treaty between the United States and Colombia, signed at Bogota Tuesday to heal the breach between the two countries over the separation of Panama.

This was announced tonight by Secretary Bryan, with the explanation that the clause in the convention was identical with one in the Colombian treaty negotiated by Secretary Root in 1909, with the approval of Great Britain and ratified by the United States Senate, though never accepted by Colombia.

O'Gorman Is Armed Anew.

Mr. Bryan's statement followed a long conference at the State Department with Senator O'Gorman, chairman of the Senate canal committee, which has under consideration the Administration bill repealing the clause of the Panama Canal act exempting American coastwise shipping from canal tolls.

Senator O'Gorman, who is leading the Democratic opposition to President Wilson's repeal policy, went back to the capitol with new ammunition for his fight. He would not discuss the subject, but other opponents of exemption repeal pointed to the fact that Great Britain in 1909 had agreed to preferential treatment for Colombian vessels because of Colombia's peculiar relation to the canal as evidence that Great Britain and President Wilson now are putting a new construction on the words "all nations" in the clause of the Hay-Pauncefote treaty guaranteeing equal treatment to the vessels of the nations of the world using the canal.

Admission Cited as Proof.

Their contention is that these words were not intended to apply to the United States as the owner of the canal, and they will urge the admission of

The lemons had not stopped growing, but were removed to save the tree, no longer able to support them.

ATTORNEY'S WIFE PLEADS

Argument Made to Glyn that Men Should Not Be Doomed to Die in Time of Religious Festival of Their Faith.

NEW YORK, April 10.—Supreme Court Justice Goff tonight signed an order making it mandatory for District Attorney Whitman to show cause why the four gunmen now in Sing Sing awaiting death in the electric chair for the part they played in the murder of Herman Rosenthal, the gambler, should not have a new trial.

The order is returnable before Justice Goff, who presided at the trial of the gunmen, at noon tomorrow, and was obtained on the ground that new evidence had been discovered.

Order Served on Whitman.

The new evidence, in the form of affidavits, was presented to Justice Goff by Charles G. F. Wahl, of counsel for the condemned men.

The order was served on District Attorney Whitman tonight, and preparation of arguments to show why a new trial should not be granted the gunmen was immediately begun. A sharp legal battle is expected before Justice Goff when the order is returned.

The two principal affidavits urged Justice Goff to consider before the latter signed the order were those of William E. Burwell, of Waterbury, Conn., and Karl Dresner, a bartender, of New York.

Wahl had first submitted a memorandum of his contention to Governor Glyn, but had failed to change the executive's position.

Governor Glyn Unchanged.

"I have received and read your supplemental application in the case of your clients," the Governor telegraphed Wahl tonight. "I find nothing therein which I had not previously considered and nothing to justify a change of my decision."

Besides receiving the memorandum, the Governor heard a personal appeal for the gunmen from Mrs. William Vanamee, of Newburgh, the wife of an attorney for the convicted men. Mr.

PRESIDENT DROPS CARES OF STATE

WILSON GOES ON EASTER VACATION WITH FAMILY.

Executive Shuns Fashionable Gathering and Throngs but Yields to Ties of College Days.

WHITE SULPHUR SPRINGS, W. Va., April 10.—More concerned over the health of Mrs. Wilson than in the surroundings of a fashionable hotel at Easter season, President Wilson spent his first day here in company with his family, bothered little by the throngs of people about. The President could not resist the ties of his college days, however, and he and the family accepted the invitation of the Princeton University Glee, Mandolin and Banjo clubs to attend their concert tonight.

A Princeton locomotive cheer rang through the ballroom as the President took his seat. An ovation was given him by the crowd as well, and he enjoyed the songs and selections reminiscent of his years at Princeton.

Mr. Wilson played golf early in the day and climbed the hills with a vigorous stride.

The Wilson family took their meals in their apartments. In the afternoon the President and Mrs. Wilson, accompanied by their second daughter, Mrs. Francis B. Sayre, went driving in a buckboard drawn by two spirited horses. The President and Mrs. Wilson had hardly left the hotel when two newspaper photographers waylaid them. When the President raised his hand and Mrs. Wilson asked that no pictures be taken, the photographers retreated with apologies.

Mrs. Wilson did not appear to be entirely recovered from her recent illness, and the President hopes the mountain air will benefit her. She will stay here perhaps two weeks.

Secretary McAdoo is expected to join the party early tomorrow.

NEWLY-DRY TOWNS 'BROKE'

Illinois Centers Dispense With Police, Lights and Salaries.

JOLIET, Ill., April 10.—Because the city revenues were seriously cut by the "dry" victory last Tuesday it was reported today that Minooka, Grundy County, had dispensed with street lights, police and City Attorney and that the City Treasurer must serve without pay.

After refunding the saloon license money already received for the remainder of the year, it was declared that \$450 remained to meet all city expenses until the next tax collection.

LOCKPORT, Ill., April 10.—The police force was discharged today as a result of the curtailment of the city's revenue through the vote Tuesday which barred the saloons. A contest of the election was discussed by liquor dealers.

IDLE LEADER SENTENCED

"Captain" Kelley at Los Angeles Goes to Jail for 60 Days.

LOS ANGELES, April 10.—"Captain" Frank Kelley, the only one of the disrupted "army" of unemployed to be officially sentenced today to 60 days' imprisonment without the option of a fine.

After the decision of the jury was announced, 105 or 109 men arrested changed their minds about going to trial, pleaded guilty and were released on suspended sentences.

Four men remain in jail. One of these is Morris Rose, formerly "General" in command, who was deposed and later arrested on a charge of vagrancy.

Rear-Admiral Fletcher, the ranking admiral of the fleet, who is now at Vera Cruz has forwarded B. Charge O'Shaughnessy Admiral Mayo's report to him, in which the latter says the paymaster and marines "were marched through the streets two blocks, then back to their boat and released."

Salute to Flag Demanded.

In view of the publicity, Rear-Admiral Mayo asked for a disavowal and apology, and also that the officer in charge of the Mexican squad should be punished and that the American flag should be saluted within 24 hours.

The American charge said that the incident was not first reported to him by Admiral Fletcher, nor by any other American Government official, but that it was called to his attention by the Mexican Foreign Office, and accompanied by the Sub-Secretary—the Foreign Minister, Senor Portillo y Rojas, being out of town—he called on President Huerta and suggested that he take prompt action to relieve the situation.

President Huerta was inclined to take the incident lightly and unhesitatingly agreed to make reparation. He promised an investigation and the punishment of the officer found to be at fault.

HUERTA OFFERS AMENDS

Crew of American Boat Paraded Under Guard of Federal Soldiers Through Town, but Released on Peremptory Demand.

MEXICO CITY, April 10.—A launch from the United States gunboat Dolphin, carrying the paymaster and a small detachment of marines, put in yesterday at Ixturbide bridge at Tampico. The Americans were after a supply of gasoline. They were in uniform but unarmed. The launch flew the American flag.

Colonel Hinojosa, commanding a detachment of Mexican federales, placed the paymaster and his men under arrest. They were paraded through the streets and held for a time under detention.

Admiral Mayo made vigorous representations to the authorities and the men were released. General Ignacio Zaragoza expressed to Admiral Mayo his regret.

Ultimatum by Admiral Returned.

Although President Huerta in an official statement to Nelson O'Shaughnessy, the American Charge d'Affaires, has apologized for the unusual zeal of the Mexican commander at Tampico, there exists here tonight great uneasiness, because Admiral Mayo is reported to have given the government authorities at Tampico until 6 o'clock tonight to salute the American colors.

President Huerta's statement was not received by Mr. O'Shaughnessy until after 6 o'clock and it was considerably late before communication with General Zaragoza was possible. The statement was as follows: "In view of the fact that the charge d'affaires of the United States here that the whaleboat carrying the American sailors was flying the flag of his country, an investigation will be made to establish the responsibility of Colonel Hinojosa. In accord with the line of conduct which the government of Mexico always has followed in fulfillment of its duties of an international character regarding all nations, it deprecates what has occurred."

Error Blamed to Subordinate.

"This case has grown out of nothing more than a mistake of subordinate officials, and also that the officer in charge of this same official, General Zaragoza, at once proceeded to point out that what had happened was unintentional and imposed on Colonel Hinojosa disciplinary punishment, within the faculty of said General Zaragoza.

"If the incident, which is to be made should develop greater responsibility on the part of Colonel Hinojosa, the corresponding penalty will be imposed on him by the authorities legally competent in the case."

Rear-Admiral Fletcher, the ranking admiral of the fleet, who is now at Vera Cruz has forwarded B. Charge O'Shaughnessy Admiral Mayo's report to him, in which the latter says the paymaster and marines "were marched through the streets two blocks, then back to their boat and released."

Salute to Flag Demanded.

In view of the publicity, Rear-Admiral Mayo asked for a disavowal and apology, and also that the officer in charge of the Mexican squad should be punished and that the American flag should be saluted within 24 hours.

The American charge said that the incident was not first reported to him by Admiral Fletcher, nor by any other American Government official, but that it was called to his attention by the Mexican Foreign Office, and accompanied by the Sub-Secretary—the Foreign Minister, Senor Portillo y Rojas, being out of town—he called on President Huerta and suggested that he take prompt action to relieve the situation.

President Huerta was inclined to take the incident lightly and unhesitatingly agreed to make reparation. He promised an investigation and the punishment of the officer found to be at fault.

DRY NATION IS PREDICTED

Founder of Anti-Saloon League Thinks Coast States Keystone.

ROSEBURG, Or., April 10.—(Special.)—Dr. Howard H. Russell, founder of the Anti-Saloon League of the United States, opened the "dry" campaign in Douglas County tonight, when he spoke before an audience which taxed the capacity of the Armory.

Dr. Russell predicted among other things that the entire United States would be "forced dry" within the next few years through an amendment to the National Constitution. In voting the Constitution "dry" this year, Dr. Russell said the "work of closing the Eastern saloon would be rendered comparatively easy task. Dr. Russell will deliver several addresses in Oregon before the close of the campaign.
