MRS. SIEGEL BRINGS SUIT
Wife of Bankrupt Merchant Seeks to Protect Dower Rights.

NEW YORK, April 10.—Mrs. Henry Siegel, wife of the bankrupt department store proprietor, brought suit today in the Supreme Court to set aside deeds depriving her of her dower right in the Siegel estate. "Driftwood," at Mamaroneck, N. Y. She maintains that her husband, whom she is now suing for divorce, induced her to sign these deeds in 1916 by fraudurent promises. She holds that the transfers are void because Siegel did not live up to his agreement to pay her 125 500.

adopted by a mass meeting of nearly 500 business men of Chehalis County tonight, including the leading lumber manufacturers of Grays Harbor, requesting the United States Board of Engineers to reconsider its action in eliminating the Grays Harbor appropriation from the rivers and harbors bill and requesting Senator Jones to use his influence to the end that an amendment to the bill now in the Senate providing \$1,775,000 for Grays Harbor be passed if possible.

Committees were named to prepare data to be used as evidence before the Board of Engineers, the information to be ready within 30 days. Resolutions were also adopted authorizing the Port Commission to use as much of the \$30,000 fund now on hand to provide the information that will be necessary. It was also agreed to send a committee to Washington to confer with Representatives in Congress. W. D. Lyman, of the rivers and harbors congress, agreed to use his influence toward getting an appropriation, and Editor Cornwall, of the Portland Timberman, said the improvement of Grays Harbor was of great importance to every other harbor on the Pacific Coast.

Officers Already Criticised for Not Giving Opportunity Month Ago
When Chance Was Better to Obtain Work.

German, said the improvement of Grays Harbor was of great importance to every other harbor on the Pacific Coast. The meeting was enthusiastic and scores of short speeches were made by prominent men from all over the county. The suggestion was made that somebody was asleen in Washington. county. The suggestion was made that somebody was asleep in Washington when the rivers and harbors bill was allowed to pass the House without the Grays Harbor appropriation and without any notification of such fact to the people of the harbor.

EQUAL RIGHTS OF STATES ASSERTED

Western Governors Ask That Speedy Action for Control of Land Be Taken.

TAXING POWER DEMANDED

DENVER, April 18 .- Speedy settlement of the remaining public lands of complete jurisdiction by every state over all land within its borders, was urged on Congress late today by the

orously urged united action for the passage of the Newlands bill containing provisions for drainage, flood prevention and reclamation.

"This bill will be passed," he told the delegates. "The West may just as well join forces with the East and South and see to it that the law when it becomes effective contains ample provision for financing the work of reclaiming our Western lands."

John D. Reavis, of California, presented two resolutions, one providing for the use of the reclamation funds in the states in which the land is sold from which the funds are derived, the other providing for lending Government funds to farmers, under the supervision of joint state and Federal boards. Under the rules, the resolutions simply were recorded as it part of Mr. Reavis' recommendations, without action by the conference.

out action by the conference.

A resolution was read as having been adopted by the California delegation, indorsing Secretary Lane and the work

YOUTHS AND GIRL HELD

MANY OTHERS AT MILTON MAY BE ARRESTED, IS STATEMENT.

Morals of Younger Set of Town Dry 30 Years Worse Than of Copperfield

Young People, Says Society Head.

PENDLETON, Or., April 10 .- (Spechal)—Following the serving at Miltor of warrants on Earl Frazier and Elmo Coe, well-known youths, and the arress as a witness the 16-year-old girl, whose name the Umatilla County authorities

ciety, of Oregon, that so far as the morals of the younger set are concerned the conditions at Milton are worse than they ever were at Copper lield.

Milton has been a "dry" town for zo years. Liquor drinking bees and statutory offenses are declared to have been the pastime of many minors of the town by Mr. Kilpack, who has quietly been investigating there for several days. One youth against whom a warrant has been issued, has fied.

WALLA WALLA, Wash, April 10.— (Special.)—News reached here tonight of the death at Phoenix, Ariz, of Bert Kelly, aged 25, twice winner of the been they paid for his prowess with his life, however, the injuries he received causing death. His wife will bring the days one youth against whom a warrant has been issued, has fied. town by Mr. Kilpack, who has quietly been investigating there for several days. One youth against whom a war-rant has been issued, has fied. District Attorney Stelwer says that

many more arrests are likely to follow and that the girl who is being held has involved many of the young folk of the town.

NEW YORK POLICE READY
A sweeping grand jury investigation has been intimated by Mr. Stelwer.
Four boys and six girls at Freewater are also under investigation on similar charges, and more are expected to be involved. Freewater also is "dry."

appeal to his conscience. She asked a 20-day stay. The Governor's answer was that his decision was final.

Religious Holiday Pleaded.

One of the arguments which had been made to the Governor has been that he should not allow the four gunmen to die during the Feast of the Passover, inasmuch as three of them, all except Cirofici, are Jews. It is within the legal right of Warden Clancy of Size Size to delay the executions

within the legal right of Warden Clancy of Sing Sing to delay the executions until after that period of feasting has pussed, if he desires. The feast started at sundown tonight and orthodox Jews celebrate it for eight days. The Court of Appeals sentenced the gunmen to die in "the week beginning April 13." Thus the holiday will end sext Saturday night at sundown and the execution would not have to take place, according to law, until midnight Saturday night. Saturday, however, being the Jewish Sabbath, there has been severe objection made to the executing vere objection made to the executing of the men on that day.

Two Affidavits Presented.

The two affidavits on which counsel for the gunmen based their hopes were signed by William F. Burwell, of Waterbury, Conn., and Karl Dresner, a bartender, of New York. Burwell declares he saw the first shots fired at Rosenthal by a man he says he could identify if he saw him again and he is certain that this man was not one of dentify it he saw him again and he is certain that this man was not one of the four gunmen whose photographs he was shown today. Dresner's affidayit placed Bridgey Webber, Sam Schepps and Harry Vallon in the murder car after the shooting as the car was being speeded through Forty-third street.

PRISONERS RESIGNED TO FATE

Week. The summer of the summer

DENVER, April 10.—Thomas Tynan, warden of the state prison of Colorado, widely known because of his lenient treatment of convicts in the state prison, sent tonight a bitter telegram and struck her with his fist during to Governor Glynn, of New York, adversely judging him because of his refusal to grant respite to the four gunmen who figured so prominently in the Rosenthal murder. The telegram follows:

"Governor Glynn, Albany, N. Y.—Your Governor Glynn, Albany, N. Y.—Your With a parole for a prisoner. After

Rosenthal murder. The telegram follows:

"Governor Glynn, Albany, N. Y.—Your course in having the gunmen electrocuted before Becker's trial will meet with the disapproval of a majority of the best citizens of the United States. Killing the inderdog by courts and Governors and allowing the big crocks to go free is making for Socialism and anarchy in America. Coming at Easter time, it shows how far politicians have drifted from mercy and cians have drifted from mercy Christianity."

ASSAY OFFICES RETAINED ON BASIS OF PARTISANSHIP.

House's Action Toward Helenn, Mont., Causes Chairman Fitzgerald to Cry Shame to Party.

OREGONIAN NEWS BUREAU, Wash ington, April 10.—The Democratic majority in the House today voted to close the assay offices at Boise, Salt Lake and Deadwood on June 30, these offices being in state represented in Congress by Republicans, but voted simultaneously to continue the operation of the assay office at Helens, in a state whose delegation is solidly Demonstration peratic.

Democrats of the House were denounced for extravagance by Chairman Fitzgerald, Democrat, of the appropriations committee, when over the protest of the committee the Helena item test of the committee the Helena item was added to the bill. He reviewed the expenditures of Congress this year and declared: "Whenever I think of the horrible mess I shall be called on to present to the country I feel like quitting my post."

The appropriations committee in reporting the legislative bill proposed to close all the other offices at the end

porting the legislative bill proposed to close all the other offices at the end of the fiscal year. It was shown in debate that the assay office at New Orleans costs twice as much to maintain as any three Western offices proposed to be abolished, and handles less than 50 per cent as much buillon as any of them.

The House overwhelmingly voted to continue the office at New Orleans, notwithstanding the showing made against it. The appropriation for the Seattle assay office was approved as recommended by the committee.

Texas Banker Gets Six Years.

FORT WORTH, Tex., April 10.-M. L. Woods, ex-vice-president of the State National Bank of Fort Worth, charged with wrecking that institution, was sentenced today to sky years imprison-ment by the Federal Judge. Wood's defalcations, which extended over sev-eral years, amounted to \$165,000.

HEART IS GLAMPED

New Technique Points to Relief of Valvular Disorders.

SURGEON TELLS RESULTS

Ability to Shut Off Circulation for Short Time Means Rapid Operation, Heretofore Impossible, Can Be Performed.

NEW YORK, April 10,-Dr. Alexis herel, head of the Rockefeller Insti-ute and winner of a Nobel prize for cience, discussed today his latest experiment in surgery of the heart before the American Surgical Association. These experiments were performed ou dogs, with the idea of developing methods and technique which can now be successfully applied to human subjects "In several recent instances," Dr Carrel said. "I have succeeded it clamping on masse the neck or pediciof the heart, thus shutting off the cir-eulation of the blood for two or three minutes and giving opportunity for a rapid operation on the nortic and pul-monary valves. After the operation was completed and the clamps removed

was completed and the clamps removed, the heart resumed its pulsation, and after a short time the pulsations became regular. An interruption of circulation for a much longer period is undoubtedly possible, so that operations of a more complicated nature could be performed.

"In no case were there any accidents nor was there any need of massaging the heart when the interruption of the circulation did not exceed two and onecirculation did not exceed two and one-third minutes. The valves were gen-erally exposed by an inclaim about an inch and a half long, made half in the pulmonary artery and half on the ventricle of the heart."

Dr. Carrel indicated that this new surgery would make possible the cur-ing of many valvular heart troubles
