ARSENIC KILLS 12 DOGS

Detectives Expect to Make Arrest of Overlook Poisoner.

Twelve dogs have been poisoned in the last month in Overlook Addition by the use of arsenic concealed in weinerwursts. Detectives Smith and Grisim, who were detailed to investigate, have narrowed their clews down to two men in the locality and they expect to make arrests today or tomorrow.

Following the poisoning of a dog belonging to Seneca Fouts, attorney, some time ago, practically all the dogs within a radius of nearly a mile have been killed. Examination of their bodies by the City Chemist shows that arsenic was the cause of death.
