All \$35 Tailored Suits

Reduced for Removal Sale to **\$28.00**
All New, Spring Merchandise
The assortment of Suits that we have assembled, priced regularly at \$35.00, is one of the most comprehensive and style-favored to be found. Every phase of Fashion's newest and most popular fancies is represented. There's the strictly tailored model, that's always in demand by a certain coterie of women—the semi "dressy" and the fancy Suit, now so popular. And the range of materials is as wide as the range in styles—handsome wool poplins, crepes, fine serges and novelty weaves without number. Every possible color, the gay, the new, light, dark and staple colors, as well as delightful combinations and mixtures. The new kimono sleeves are prominent, on many suits, and the skirt features are varied—high girdles, peg top, Minaret, ruffled and tiered effects following the present mode. Handsome trimmings, too, predominate—contrasting collars, cuffs and vest effects, as well as unique touches that are original and lend individuality of a high order.
The Removal Sale Reduction on all these handsome and strictly up-to-date Tailored Suits is from **\$35.00 to \$28.00**

Edison Disc Phonographs

The perfection of the Edison Disc Phonograph is the result of years of experiment on the part of the "Wizard," Thomas R. Edison, thirty-five years, to be exact. The sweetness of tone and the wonderful powers of reproduction are the marvel of the phonograph world. We've a complete line of the new Edison Disc Phonographs that we'll be delighted to show to you, with no obligations on your part.
Edison Diamond Disc Records are extremely hard, 10-inch records have a playing length of five minutes, which is 50% longer than other records of the same size.
If you've an old machine we'll take it in part payment on a new
