BLOCKADE PLANS MADE

Navies of Brazil and Mexico to Be Attacked by Navies of the United States.

WASHINGTON, April 21.-Legislation passed the House of Representatives yesterday authorizing the President to seize or occupy the harbors of Mexico and Brazil. The President is also given the power of seizing or destroying or compelling the delivery of all military stores of the two nations.

The measure, introduced by Representative John C. Vehslage of Missouri, provides that the President may seize or occupy the harbors and ports of Mexico and Brazil and that he may seize or destroy, or compel the delivery of, arms, ammunition, warships, and other property in said countries. The President may also declare war on these countries.

The measure passed the House by a vote of 337 to 37. The vote was taken in the presence of the President, who was in the gallery.

AIRSHIPS ORDERED RUSHED

Government Orders Construction of New Airships.

WASHINGTON, April 20.-The Airship Department of the War Department has been instructed to proceed at once with the construction of a large number of airships for use in the United States Navy.

The Department has been authorized to spend $10,000,000 for the construction of airships. The Department will also be authorized to spend $2,000,000 for the construction of airships for use in the United States Army.

The Department will also be authorized to spend $2,000,000 for the construction of airships for use in the United States Army.
