

# 7 CRESSIS PUT UP TO CANDIDATES

### All Governatorial Aspirants Asked Pre-election Stand on "Economy Legislation."

## W. A. CARTER REPLIES FIRST

### Answer Favors Consolidation of Abolition of Some Boards and Commissions, Semi-Annual Taxes and Other Reforms.

The Oregonian has sent the following letter to the various candidates for Governor:

Please indicate what your attitude is upon the following questions: 1. What reforms in legislation do you advocate that will tend to bring about reduced taxation and economy in state affairs? 2. What state commissions are you in favor of abolishing? 3. What state commissions are you in favor of consolidating? 4. Are you in favor of retaining or abolishing the State Tax Commission? 5. How should taxes be paid, annually, semi-annually or quarterly? 6. Are you in favor of the state issuing bonds for good roads? What are your ideas as to state aid for good roads? 7. Are you in favor of state leasing of arid lands within the state?

Answers to these questions will be printed as received. The first reply is from William A. Carter, candidate for the Republican nomination for Governor.

Mr. Carter's reply follows: "To the Editor:—I acknowledge receipt of your letter of the 16th inst. containing list of questions on which you ask me to express my attitude, and in reply I submit answers as follows: 1.—What reforms in legislation do you advocate that will tend to bring about reduced taxation and economy in state affairs?"

"Reply—By consolidating a number of present commissions and boards and the abolition of others."

"2.—What state commissions are you in favor of abolishing?"

"Reply—I favor abolishing the following commissions, officers and boards: The State Architect, State Board of Immigration Commissioners, the State Immigration Agent, Board of Commissioners, Licensing Sailors' Boarding Houses, Commission to Investigate Co-Operative Agricultural Societies and Rural Credits in Europe, the Sheep Commission, the State Registration Board and State Livestock Sanitary Board shall be consolidated with and merged into the State Industrial Accident Commission; the State Desert Land Board, the State Water Board and the Bureau of Mines and Geology shall be consolidated with and merged into the State Land Board; the Board of Sheep Commissioners shall be consolidated with and merged into the Railroad Commission of Oregon."

"3.—Are you in favor of retaining or abolishing the State Tax Commission?"

"Reply—Favor abolishing the State Tax Commission as now constituted, but favor a tax commission composed of the Governor, Secretary of State and State Treasurer, to serve without additional compensation, thus eliminating the two members of the Board who are now drawing substantial salaries."

"4.—How should taxes be paid, annually, semi-annually or quarterly?"

"Reply—Taxes should be payable semi-annually."

"5.—Are you in favor of the state issuing bonds for good roads? What are your ideas as to state aid for good roads?"

"Reply—I believe the unit of the county is large enough for bonding purposes for the improvement of roads and an opposite view would be a great burden upon the people and, therefore, I am opposed to direct appropriations of state funds for the purpose named."

"6.—What are your ideas as to state aid for reclaiming arid lands?"

"Reply—My answer to question 7 states my attitude on this question. (Signed)—William A. Carter."

## TRAFFIC ORDINANCE UP

### Act Forcing Persons to Cross Streets at Crossings One of 3 Revised.

Ordinances providing for the inspection of meat and for the regulation of traffic which, with the ordinance providing for amule security against grocery stores, are the three main issues before the City Council, are being revised by City Commissioner Brewster. The traffic ordinance is being revised this week. It is reported, and the measures sent to the Council for final consideration next week.

The most ordinance provides for the inspection of all meats sold and prescribes strict sanitary regulations for producing meats. The principal provision of the traffic ordinance is to make pedestrians adhere to the whistle signals of traffic policemen and cross streets only at right angles at regular crossings.

Genesee Road to Be Changed.

GENESEE, Idaho, April 20.—(Special.)—The County Commissioners of Latah County together with the County Engineer were in Genesee today for the purpose of changing the road north-west of Genesee about one mile from Genesee so it would run through the place owned by John Taylor. This would make a shorter route going to Moscow and all points northeast and would give a much better road. A vote of farmers stood 20 to 9 in favor of the changing of the road.

## JUNE, '14. CLASS OF JEFFERSON HIGH SCHOOL REHEARSING "THE COLLEGE WIDOW"

1—Earle J. Goode as Billy Bolton, the Leading Man. 2—Victory Phelps as Strickland as the "College Girl." 3—Miss Fio Killingsworth, Leading Woman. 4—Miss Genevieve Strickland as the "College Girl." 5—Miss Genevieve Strickland as the "College Girl."

The final touches of the "College Widow," to be given by the June, '14, class of Jefferson High School in the school auditorium next Friday and Saturday nights, are being put on and the last dress rehearsal. Thirty-five members of the class are in the cast, with Miss Fio Killingsworth and Earle J. Goode taking the leading parts. All the participants are well known throughout the local high school circles either in an athletic or literary way. Carl Rochat, who is handling the business part of the play, has managed both baseball and football teams of the school. The orchestra will furnish music. The proceeds will go toward publication of the class issue of the "Spectrum."

## GEM AGREEMENT SCORED

### JUDGE REPRIMANDS DEALER FOR COMPROMISING THEFT CASE.

### Charge Against 2 Men Accused of Stealing 2 Brass Rings Not Pressed When They Buy 4 Others for \$5.

Deputy District Attorney Richard Deich subpoenaed J. Mazurosky, manager of the National Jewelry Company, 52 1/2 Sixth street North, into Municipal Court yesterday to explain why he is alleged to have compromised a larceny charge which he had made against two young men whom he alleged stole two brass rings from his establishment.

When the circumstances had been explained, and it was shown that Mazurosky had induced the men to buy \$5 worth of other jewelry from him if he would drop the charge against them, Judge Stevenson severely reprimanded Mazurosky and ordered him to return the \$5 and take back the rings. He released the two defendants.

Patrolmen Long and Wise arrested J. Jernigan and Sam Dahl Saturday, when Mazurosky alleged they stole two rings valued at \$150 each. The defendants appeared in court yesterday, but Mazurosky did not appear as counsel. The two explained that they bought four other rings from Mazurosky for \$5 for all, and they showed a receipt. They also showed a guarantee, which caused laughter in the courtroom. It read:

"One ring is sold to Mr. S. M. Dahl. If ring does not wear out in two months Mr. S. M. Dahl agrees to pay 50 cents more for ring." It was signed by Mazurosky.

"Compromises of this sort will never be tolerated by me," said Judge Stevenson. "I deeply regret that it is not in my power to punish the complainant who will try to defeat the ends of justice to make a sale of cheap jewelry."

## \$150,000 MAY BE SAVED

### Seattle's Plan of Garbage Disposal May Be Adopted.

Portland may be able to save the \$150,000 which has been provided by the voters in the form of a bond issue to erect a new incinerator. After a thorough investigation of the system of filling garbage in Seattle, with garbage Commissioners Bigelow and Daly probably will recommend the adoption

of the Seattle plan. The present law permits counties to issue bonds in an amount not to exceed 2 per cent of the assessed value of the property in such counties and it seems to me that it would be a mistake for the state to issue bonds for the improvement of roads, for that reason the distribution of the proceeds of such bond issue could not be equitably apportioned among the counties of the state.

"Are you in favor of the state issuing bonds or appropriating money for reclaiming arid lands within the state?"

"Reply—I am in favor of the state issuing bonds for the reclaiming of arid lands within the state, provided the state is given ample security against any loss on account of such bond issue. State appropriations have to be paid by the taxpayers the year following such appropriation. The burden upon the people and, therefore, I am opposed to direct appropriations of state funds for the purpose named."

"What are your ideas as to state aid for reclaiming arid lands?"

"Reply—My answer to question 7 states my attitude on this question. (Signed)—William A. Carter."

## AD CLUB NAMES FESTIVAL QUEEN CANDIDATE.

With a formal declaration of war, President Charles F. Berg and General Phil S. Bates yesterday issued the Ad Club's call to all opposing forces who hope to name the queen of the Rose Festival. All members of the Ad Club will be present in the services of Miss Sadie Vigus, 635 Everett street, selected by the Ad Clubbers as the one to whom they would like to pay homage during the carnival.

Miss Vigus will be introduced to the Ad Club members at the Wednesday luncheon at the Portland Hotel, and will make her first public appearance next Saturday, April 25, "good roads" day, having been appointed by Adjutant-General Finzer as a Red Cross nurse to bind the wounds of the road-making army. She will be the only lady aboard the work train.

Franklin County Assessor After Public Service Corporations.

PASCO, Wash., April 20.—(Special.)—The Chamber of Commerce has named a committee to appear before the County Commissioners and endeavor to have that body better equize the taxation this year. The Assessor is making an effort to procure higher valuation of public service corporation property in this county.

The state previously has assessed them at 25 per cent of their value, and the Assessor says that other property is assessed at 50 per cent.

LARGE AREA WILL OPEN

Fillings on 210,000-Acre Tract Expected in Lake County.

FICKSBURG, Or., April 20.—(Special.)—The greatest land rush in the history of Northern Lake County is expected from now until May 9, when 210,000 acres, formerly in the Deschutes and Pauline National forests, will be opened to settlement.

South Bend is excited

# FORMAL OPENING OF SEATTLE HOTEL BENSON SET

### Handsome Hostelry Remodeled Since Being Taken Over Recently by Owner.

## CULINARY FEATURES ADDED

### Fountain Grill Changed Completely, Pillars Now Being Finished in Golden Brown, Arches, Ceiling and Walls in Gilt.

A luxurious modern hotel, complete in every detail, will be presented to the people of Portland tomorrow with the formal opening of the Hotel Benson.

Completed a little more than a year ago, the Benson was opened as part of the Hotel Oregon, and remained as such until a few months ago, when S. Bural, building manager of the Benson, took the management of the Benson. The splendid new 12-story structure, took over its affairs. Carl S. Stanley was called from Long Beach, where he was manager of the Virginia Hotel, to take the management of the Benson. G. Kirke Drury, who had been assistant manager of the Oregon, was retained as assistant manager of the Benson.

Since assuming the management, Mr. Stanley has pushed forward energetically the work of making the Benson a hotel complete within itself, as it had been dependent on the equipment of the Oregon for a portion of its service.

The basement of the Benson, at a cost of many thousands of dollars, has been completely remodeled to make it a model of perfection. There are cold storage rooms in abundance, and the kitchen is placed so that it will be convenient both to the fountain grill in the basement and the crystal dining room, in the rear of the lobby and directly above the kitchen. Everything has been done with the idea of quick and efficient service.

The crystal dining-room has been slightly remodeled, without altering its original effect of chaste and classic elegance. Through the center of the room a row of palms and ferns has been placed, and a bank of greenery across the south end.

A complete transformation has been wrought in the fountain grill. Its oak pillars have been given a rich golden brown finish, and its Gothic arches and ceiling have been done in gilt, which has been extended to the walls. The floor is of light-colored tile, and the fireplace, with placid evening waters in the foreground, suffused with the reflection of a golden sunset sky. The green carpeting is of a rich shade of greenery across the south end.

The fountain grill has been completely remodeled, and the floor of the grill has been paved with cork tiles in alternate squares of brown and tan. The fountain at the north end of the grill will be banked with ferns and flowers for the opening. The orchestra box is placed near the broad marble staircase that connects the grill with the lobby. The lighting is direct, instead of indirect, as formerly. The Benson will have no cabaret, but will maintain a high-class orchestra.

The new buffet of the Benson has been opened for several days, and has been much admired. It is finished in Circassian walnut to match the woodwork of the lobby.

The fountain grill has an entrance from Oak street, protected by a handsome canopy. The staircase leading from the lobby to the grill is in the lobby, finished in keeping with the grill. The elevators from the main floor also open here.

All the candidates are making preparations to put up a hard fight during the big struggle of the final week or ten days of the contest, and to keep well up with the rest in the tallies now being given out, so as not to be handicapped at the finish.

Three of the candidates and the organizations they represent, through an accident, were confused in yesterday's published announcement. Miss Estella Meyer is the candidate of the Police Athletic Association, Miss Anna Tierney represents the Portland fire department and Miss Mildred Peterson is the City Hall candidate. There is some misunderstanding also in regard to Miss Dallas Perkins and Miss Lina Osterwald. Miss Perkins is the candidate of the Women of Woodcraft, and Miss Osterwald was entered Sunday by the Woodmen of the World.

Perjury Charge Fails to Hold.

KELSO, Wash., April 20.—(Special.)—The trial of Joseph O'Neil, of Castle Rock, charged with perjury in the second degree, at Kalama, Wash., resulted in a verdict of not guilty.

Mr. O'Neil was indicted by the Cowlitz County grand jury, and the indictment was the outcome of a suit brought in January by J. H. Quick against O'Neil for damages caused by the alleged overflow of Quick's property by reason of a dam which was alleged to have been in the creek since March, 1913.

Oddfellows to Observe Anniversary.

LEWISTON, Idaho, April 20.—(Special.)—Members of the Oddfellows of the Lewiston lodge will observe the anniversary of the founding of the city of Lewiston, Idaho, on Saturday, April 21, 1914.

SON OF NIGHT RIDERS' VICTIM GUILTY OF ASSAULT.

Jury's Verdict at South Bend Incident in Woman's Fight for Claim That Cossacs Mob to Deport Her.

SOUTH BEND, Wash., April 20.—(Special.)—Frank Ross was convicted of second-degree assault by a jury in Superior Court here today. He and his brother Earl were accused of falling a tree onto the cabin of Mrs. Vanderpool with felonious intent. The jury was out all afternoon.

The penalty is one to ten years in the penitentiary, or a fine not to exceed \$1000. The jury recommended a fine.

The case grows out of a fight at Brooklyn, North River, between Mrs. Ross and her sons on one side and a number of their neighbors on the other, alleged claim-jumping. The fight culminated in the death of the manager of a gang of night riders, who drove Mrs. Ross and her sons from her claim and burned her cabin. Charges of perjury against several members of the alleged gang, and Earl Ross also faces trial on charges similar to those against his brother.

IDAHO CAETS ARE HOME

Bad Weather Interferes With Work at Hayden Lake Camp.

MOSCOW, Idaho, April 20.—(Special.)—The University battalion of cadets returned Saturday from the encampment at Hayden Lake. Lieutenant Fooks, commandant of the battalion, is much pleased with the conduct of the cadets at their lake camp and is high in his praise of the order that was maintained throughout the entire week.

Inclement weather during several days prevented some of the field instructions.

ONE ELMA SUSPECT GOES

John Tokoff Unidentified, but Three Others Are Sued for \$4250.

ABERDEEN, Wash., April 20.—(Special.)—John Tokoff, one of the Elma suspects arrested in Seattle, was released today. He was released on the promise of the detective and the Sheriff. He never has been positively identified.

Sam Arsoff and Mike Zeebeck, the men arrested in Aberdeen last night, have been watched by the Sheriff and his men for over a week. Arsoff has been identified by two of the Elma men as the man who held up the citizens

on me or phone me at Beacon 2325."

Akoz is giving just as satisfactory results in many other cases when used for rheumatism, stomach trouble, catarrh, eczema, kidney trouble, piles and other ailments. You are invited to visit, phone, or write the Akoz man at The Owl Drug Store, Broadway and Washington, for further information regarding this advertisement.

who entered the bank during the robbery. Attorney Henry J. Gorin, of Seattle, has been retained to defend the three suspects still held.

The Fidelity & Deposit Company of Maryland has brought suit for \$4280 against the suspects in the Superior Court of King County. The sum sued for is the amount stolen, plus \$200 expenses. The company issued a policy to the bank, indemnifying it against robbery up to \$4000.

## WALLA WALLA WHEAT LESS

### Warehouses Practically Empty, but All Space Needed This Year.

WALLA WALLA, Wash., April 20.—(Special.)—There is less wheat in Walla Walla County at this time this year than at any similar time for years. Wheat men estimate that less than 5 per cent remains in the warehouses and some of it is sold.

In the immediate vicinity of Walla Walla the warehouses are practically empty.

All the warehouse space that is available and more too will be needed this fall to house the grain which is expected to be threshed in this valley. Fall-sown wheat, which composes about 85 per cent of the crop being raised this year, has done wonderfully well and is as thick on the ground in most places as "hair on a dog's back."

Wheat men are predicting a heavy crop of the recent rains and is stalling well.

## How to Get Rid Of Skin Trouble

### A Handsome Skin Book Free That Will Guide You.

So many people fuss in despair over stubborn skin afflictions that some rules laid down in connection with the use of S. S. S. for the blood will be of great value. These are outlined in a hand book, finely illustrated, of the many variations in skin trouble. It tells how to overcome them.

It is the only book of its kind. It is a scientific treatise on the treatment of skin trouble, some skin disease, call it eczema, lupus, psoriasis, malaria, or what you will, and you are sure to get relief from S. S. S. if you are on the road to health.

The action of this remarkable remedy is just as direct, just as positive, just as certain as the action of any other medicine in the East. It is one of those rare medical forces which act in the blood with the same directness as the sun rises in the East. And the benefits are marvelous.

There is scarcely a community anywhere where there is not an example of the wonderful curative effects of S. S. S. Get a bottle of this famous remedy today, and if your case is stubborn or peculiar, write to Medical Dept., The Serravallo Specific Co., 535 Swift Bldg., Atlanta, Ga.

Do not permit anyone to talk you into a substitute for S. S. S.

## LAXATIVE FOR OLD PEOPLE—"CASCARETS"

### Salts, Calomel and Pills act on Liver and Bowels like pepper acts in Nostrils—Danger!

Get a 10-cent box now.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscular.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty. Age is not a time for harsh physics.

Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.—Adv.

# FARMER'S WIFE TOO LAZY TO WORK

### A Weak, Nervous Sufferer Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Kasota, Minn.—"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done more for me than anything else, and I had the best physician here. I was so weak and nervous that I could not do my work and suffered with pains low down in my right side for a year or more. I took Lydia E. Pinkham's Vegetable Compound, and now I feel like a different person. I believe there is nothing like Lydia E. Pinkham's Vegetable Compound for weak women and young girls, and I would be glad if I could influence anyone to try the medicine, for I know it will do all and much more than it is claimed to do."—Mrs. CLARA FRANKS, R. F. D. No. 1, Maplecrest Farm, Kasota, Minn.

Women who suffer from those distressing ills peculiar to their sex should be convinced of the ability of Lydia E. Pinkham's Vegetable Compound to restore their health by the many genuine and truthful testimonials we are constantly publishing in the newspapers.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a physician, and held in strict confidence.

This statement is from Mrs. George Hubbard, of Minnesota, who is visiting her daughter, Mrs. Frank (Hart) Marguerite, in this city. She says: "I was in bad health when I left my home in Minnesota, but thought probably a change of air would do me good. However it did not, and I had about given up hope of ever getting better. I had a severe case of dyspepsia, suffered greatly from nervousness and poor circulation, my hands and feet would get so numb and cold that I could not get on my feet. I had water to start the circulation. I had rheumatic pains all over my body, slept very little, and what sleep I did get did not seem to rest me. I was utterly tired all the time. I was almost a physical wreck when I commenced taking Plant Juice. I had not used half a bottle when I felt a great relief. I was right then at last. I kept on taking it and kept on improving, now I feel as if I could enjoy my life. My stomach is in fine condition, my nerves are steady and strong, I sleep good and wake up rested and refreshed, my circulation is splendid and my feet are warm and natural. I am glad to recommend Plant Juice to all sufferers. I think it is a great remedy."

Try a bottle and be convinced. It helps others and it will help you. For sale at The Owl Drug Company.—Adv.

## RECOMMENDATION GIVEN BY PORTLAND VISITOR

### Will Always Praise Plant Juice Because It Did the Work for Her in Short Time.

This statement is from Mrs. George Hubbard, of Minnesota, who is visiting her daughter, Mrs. Frank (Hart) Marguerite, in this city. ## Acute Articular Rheumatism

### Relieved by Anti-Kamnia Tablets

The exact cause of rheumatism is unknown, though it is generally believed to be due to an excess of uric acid in the blood. It may be also said with equal truth that no remedy has been found which is a specific in all cases. In fact the literature of rheumatism shows that there are but few drugs which have not been given a trial. In the hands of one observer we find that certain drugs have been used with the utmost satisfaction; others have found the same remedy to be a great disappointment. One of the reasons for this is that the nervous system and Dr. W. S. Schillies expresses the opinion of thousands of practitioners when he says that Anti-Kamnia Tablets should be given preference over all other remedies for the relief of acute articular rheumatism. These tablets can be purchased in any quantity. They are also unsuspicious in headache, neuralgia, and all pain. Ask for A-K Tablets.

For Eczeema and Skin Diseases, use K-Salve.

## GUARANTEED CURE FOR RHEUMATISM

Your money back if it does not cure you. Write for a free book. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.—Adv.
