INVESTIGATE. SOMETHING GOOD.

520 acres, located in Eastern Oregon, 40 acres alfalfa, 450 acres good wheat land, 250 of which is in wheat of fine stand, 250 of which is in wheat of fine stand, balance good pasture; there is a good proom house, fair barn, all implements necessary to run a place of this size; 250 yards from the school and postoffice; have a prior water right direct from the state and plenty of water for the alfalfa land, gravity system; the price of this place is \$20,000, will take Portland property or close-in acreage to the full amount, or will take \$10,000 in property, the balance back on place. This is a gilt-edge proposition and is worth investigating.

180 acres, Grants Pass, on the Rosue River, 80 acres of fine bottom land in alfaifa and commercial orchard, fair buildings, all stock and implements go with the place; price \$35,000; will take up to \$26,000 in Portland, Scatle or Spokane property.
