steadiness in running, as the majestic liner is in contrast with the light-weight barque in a choppy sea. The Cadillac will appeal to you because of its sturdiness and its endurance, rather than upon the basis of fragility

The Cadillac will appeal to you for its smoothness and

and impermanence. Because of its strength, because of its enduring qualities, the Cadillac is an economical car to own and to operate, day-in-and-day-out and year-in-and-year-out.

The Cadillac is economical in fuel.

Hundreds of 1914 Cadillac users are averaging from 15 to 18 miles per gallon of gasoline in every-day service.

Special test runs have been made showing more than 22 miles per gallon, but this cannot be taken as a criterion for the average user.

In the recent test by the Royal Automobile Club of Great Britain, which won for the Cadillac the Dewar Trophy, the 1914 car averaged 17.17 miles per gallon for 1000 miles over give-and-take roads-in spite of frequent stops and starts in testing the electrical cranking device.

It consumed less than one gallon of lubricating oil in traveling the 1000 miles.

Hundreds of users are averaging more than 5000 miles on tires. Some users are reporting from 6000 to 8000 miles and even more.

We believe that in tires, fuel and oil, the 1914 Cadillac will average more mileage than any car which approaches its

Because of its standardization, because of the interchangeability of its parts, because of its sturdiness, because of its endurance, the Cadillac has been called The Everlast-

That this appellation is merited, we need but point to the 75,000 Cadillaes produced, all of which to the best of our knowledge are still doing duty, the oldest after 11 years of service-and many of them after having passed the 100,000-mile mark.

How much should an automobile weigh?

It should weigh enough to enable it successfully to perform the duties required of it.

It should weigh enough to enable it successfully to perform those duties day-in-and-day-out and year-in-and-year-out, at a minimum outlay for operation and maintenance-performance and satisfaction considered-and with a minimum depreciation in value after years of service.

Why drink water when you can get SALEM BEER

the most popular beverage on the Pacific Coast?

SALEM BEER is brewed in one of the most modern plants on the Pacific Coast. It is aged in steel glass-lined tanks. It is conveyed by modern pipe line system direct to the bottle house, bottled under pressure and therefore never comes in contact with the air from the time it leaves the fermenting tank until the bottle is opened by the consumer. The consumer is absolutely assured a beer of ideal effervescence, snap and purity. A trial will surely convince any one of the ex-

sellence of Salem Bottled Beer. The family trade of Portland is supplied by the firm of
